Pursuing Excellence In Youth Coaching:

Pursuing Excellence in Youth Coaching: A Pathway to Success Lawrence M. Hinkle, 2016-07-27 Youth recreation sport programs are without a doubt the most utilized and important programs a community can offer. These programs are designed to enhance the growth of youths in various areas such as life skills and basic skills which would include but are not limited to responsibility, sportsmanship, citizenship, civility, and proper interaction and communication skills with all program stakeholders. These programs are also utilized as an avenue to decrease juvenile delinquency within the community. Another advantage to programs such as this is the development of physical fitness early on in life that is critical to youth development. Because of this, it is of the utmost importance to include accepting youth coaching positions within the community and execute their employment function as either a paid coach or a volunteer coach in the best possible way and to take pride in doing so. This book is designed as an information as well as reference tool for anyone in the field of recreations sports for youths. It includes very important information pertaining to every aspect of the position to which you as a coach are about to fill. It is suggested that you familiarize yourself with the contents of this handbook and refer to it to guide your activity. The training of youth coaches is something that cannot be properly accomplished on a one-time basis. It is an ongoing process that could begin with this handbook but must be continued throughout your career as a youth coach. There is no doubt that if you follow the guidelines and suggestions listed in this handbook, you will see an improvement in your programs which will of course please everyone involved. Good luck with your programs.

Beyond a Whistle and a Prayer: Transforming Lives, Pursuing Excellence, Honoring Jesus through Coaching Christopher M. Schrader, PhD., 2015 Beyond a Whistle and a Prayer will forever change the way you look at sports and coaching. Society advocates sports as a means to instill virtue and character in our youth. But we all know that the system is broken to a large extent from youth sports through college and beyond. Too many coaches and parents are driven by the scoreboard, the win at all costs model. Is it any wonder that 70% of kids drop out of sports by age 12? Many of us remember the words and actions of coaches for a lifetime. What memories are you leaving with your athletes? Chris helps us make sense of why sports are broken and how they can be restored as a tool to positively impact lives. It all centers on coaches being transformed by biblical truths and implementing practical tools so they can field competitive teams while also loving their athletes well. Join the journey and learn to coach with joy. Gilbert Tuhabonye, Author of *This Voice in My Heart*, 8-time NCAA All American Distance Running Coach.

A Coach's Guide to Maximizing the Youth Sport Experience Mary Fry, Lori Gano-Overway, Marta Guivernau, Mi-Sook Kim, Maria Newton, 2019-09-23 This book guides sport coaches, parents, and administrators in creating a caring and task-involving sport climate that helps athletes perform their best and have an enjoyable and meaningful sport experience. It introduces the concept of a caring and task-involving climate and provides a how-to guide to creating this climate in sport. Firstly, this guide introduces the caring and task-involving climate and

summarizes research highlighting its many benefits Secondly the five features of this climate are presented along with the reflective exercises for developing them within a team Coaches will see strategies in action sample conversations and a variety of ways to implement the features of a caring and task involving experience By describing how it may be implemented and methods for overcoming possible challenges this book finally highlights how parents and sport administrators can support the creation and preservation of caring and task involving climates By helping teams develop caring climates that optimize athletes sport experience and performance this book is essential reading for coaches sport administrators parents and sport psychology practitioners It will also be of great interest to those who have minimal training in sport psychology but who are involved in sport at many levels such as youth and high school Soccer Coaching, Ages 5-12 Andy Caruso, Andrew Caruso, 1996
