

Radical BUSINESS ETHICS

Richard L. Lippke

Radical Business Ethics

I. Jones, M. Pollitt

Radical Business Ethics:

Radical Business Ethics Richard L. Lippke, 1995 Arguing against most scholars of business ethics who have articulated a set of moral principles and applied them to problems faced by business people Richard Lippke steers away from offering moral directives In *Radical Business Ethics* he develops a more comprehensive perspective on business issues that is tied to larger questions of social justice Analyzing a select group of timely issues such as advertising employee privacy and insider trading in the context of debates about the nature of the just society Lippke argues that the most plausible theory of justice is one whose implications are highly critical of many features of advanced capitalist societies *Radical Business Ethics* will be an eye opening book for students and scholars of ethics and anyone interested in the role business plays in a just society

Radical Thoughts on Ethical Leadership Carole L. Jurkiewicz, Robert A. Giacalone, 2017-08-01 *Radical Thoughts on Ethical Leadership* provides contributions from established scholars with fresh perspectives on ethical leadership with challenging viewpoints that have been given little coverage in the literature to date *Radical Thoughts on Ethical Leadership* includes theoretical perspectives that are founded on unconventional approaches radical outside the box ideas that would be difficult to get through the conventional journal review process The volume brings together noted researchers from a variety of disciplines and explore non mainstream approaches to ethics and social responsibility theory research and practice in both business and public administration Grounded in the established literature and providing insight for researchers managers administrators or organizations at large the volume establishes new paradigms for the field of ethical leadership *Think*

and Act on Business Ethics Barry A. Liebling, 2004-01-01 **The Routledge Companion to Business Ethics** Eugene Heath, Byron Kaldis, Alexei Marcoux, 2018-02-12 The field of business ethics continues to expand intellectually and geographically During the past five decades scholars have developed and deepened their inquiries into the ethics of commercial and corporate conduct This Companion provides a novel overview of the discipline of business ethics covering the major areas of the field as well as new and emerging topics The eight thematic units range over an extraordinary set of subjects and include chapters on the history and pedagogy of business ethics moral philosophy the nature of business responsibilities within the firm economic institutions the 2008 financial crisis globalization and business ethics in different regions of the world Led by a well respected editorial team this unique volume gathers an international array of experts whose various critical approaches yield insights from areas such as public policy economics law and history in addition to business and philosophy With its fresh analyses wide scope and clarity of approach this volume will be an essential addition to library collections in business management and applied ethics **For Business Ethics** Campbell Jones, William H. Shaw, 2005 This book deals with the traditional material of ethics in business as well as introducing and surveying some of the most interesting developments in critical ethical theory which have not yet been introduced to the mainstream I

Ethical Issues in Business Peg Tittle, 2000-04-13 The core of this text comprises chapters on all the key issues of

business in Canada today Each chapter includes a hypothetical case study and an introduction highlighting key ethical points two academic essays and a real life case study Questions for discussion accompany the essays and case studies The author has also included a general introduction to ethical issues and an overview of ethical theory a section on institutionalizing ethics discussing ethics officers programs codes etc and appendices providing excerpts from important classic contributions to ethical theory and from relevant Canadian law

Business Ethics and Corporate Social Responsibility M.V.

Rodrigues,2015-01-01 Business Ethics and Corporate Social Responsibility was produced with the aim of putting on market a book that deals with all the major aspects of business ethics and corporate social responsibility and at the same time fulfils the needs of the students professionals and businessmen alike as a well integrated book on the subject It discusses the principles and practice of business ethics and imparts to the readers knowledge and skills of using these principles in the direction of problem solving and ethical decision making The practical and concise text provides the right quantum of material on a broadening base of ethical management and corporate social responsibility

Disturbing Business Ethics

Carl Rhodes,2019-07-30 21st century Western neoliberalism has seen the transformation of self interest from an economic imperative to a centrally constitutive part of dominant modes of subjective existence Against this celebration of competitive individualism Emmanuel Levinas philosophy stands as a haunting reminder of an ethics that passively disturbs the self from its egoistic slumber awakening it to the incessant demands of the other Ethics stands as an anxious affective state of being where one is held to account by others each one demanding care attention and respect Focussing on business activities and organizations this book explores how this ethical demand of being for the other becomes translated in a necessarily impure way into political action contestation and resistance Such a response to ethics invokes a disturbance of organizational order including an order that might itself be labelled ethical On these grounds the book offers an explication of an ethics for organizations which disturbs the selfishness of neoliberal morality and can inform a democratic politics rested on a genuine concern for the other and for justice Disturbing Business Ethics Emmanuel Levinas and the Politics of Organization offers an unconventional and enlightening approach to ethical thinking and practice in politics and organisations and will be of interest to students of business management leadership political science and organizational theory

Bringing Business Ethics to Life

Bjørn Andersen,2004-06-30 Maintaining solid corporate ethics goes beyond just being a feel good story or a good public relations angle Organizations that demonstrate strong ethical commitments can gain a real competitive advantage over others by keeping employees happy and productive and keeping customers satisfied and loyal while avoiding some of the unexpected pitfalls that may beset a less ethical organization These factors all lead to a more stable and consistent organization and will improve the bottom line and drives higher profits The erosion of business ethics affects everyone from the employees laid off stockholders losing investments to customers paying a higher price or receiving lesser quality In Bringing Business Ethics to Life Achieving Corporate Social Responsibility best selling author Bjørn Andersen has written an

easy to read yet powerful book demonstrating the need for solid ethics in every organization Andersen first explains the importance of creating a strong ethical culture within every organization demonstrating the positive effects it will have throughout the business He then shows how business leaders can make this happen by introducing a holistic value driven and ethically based model of leadership and management that can bring about dramatic changes for any organization

Understanding How Issues in Business Ethics Develop I. Jones, M. Pollitt, 2002-09-25 Corporate governance executive pay child labour and control of industrial pollution are issues that all companies must face While the issues themselves have been widely discussed the process by which they develop is a much less discussed area A key to being a sustainable company is the capacity to understand and predict how such issues develop This book examines the development of a number of issues and draws lessons which companies in the future can use

Ethical Issues in Business - Second Edition Peg Tittle, 2016-12-15 Peg Tittle's ambitious business ethics text brings together readings cases and the author's own informed opinions The second edition includes over a dozen new readings and case studies as well as a new chapter on issues in Information and Communication Technology Includes Canonical and topical readings on issues ranging from whistleblowing and advertising to international business the nature of capitalism and the environment Engaging overviews from the author encourage careful reflection and critical examination of conventional assumptions What to Do scenarios and Case Studies illustrate the practical relevance of each topic Comprehensive introductions to ethical theory and the ethics of business Questions following each selection test understanding and promote active reading A primer on ethical institutions examines the role of ethics consultants codes of ethics and more

Business Ethics Alan R. Malachowski, 2001

The A to Z of Ethics Harry J. Gensler, Earl Spurgin, 2010-02-12 The A to Z of Ethics covers a very broad range of ethical topics including ethical theories historical periods historical figures applied ethics ethical issues ethical concepts non Western approaches and related disciplines Harry J Gensler and Earl W Spurgin tackle such issues as abortion capital punishment stem cell research and terrorism while also explaining key theories like utilitarianism natural law social contract and virtue ethics This reference provides a complete overview of ethics through a detailed chronology an introductory essay a bibliography and over 200 cross referenced dictionary entries including bioethics business ethics Aristotle Hobbes autonomy confidentiality Confucius and psychology

The A to Z of Ethics Harry J. [A Companion to Business Ethics](#)

Robert E. Frederick, 2008-04-15 In a series of articles specifically commissioned for this volume some of today's most distinguished business ethicists survey the main areas of interest and concern in the field of business ethics Sections of the book cover topics such as the often easy relation between business ethics and capitalism the link between business ethics and ethical theory how ethics applies to specific problems in the business world the connection between business ethics and related academic disciplines and the practice of business ethics in modern corporations Includes extensive accessible discussion of all of the main areas of interest and debate in business ethics Features all original contributions by distinguished authors in business ethics Includes an annotated table of contents bibliographies of the relevant literature and a list of internet sources of material on business ethics Perfect comprehensive book for use in business ethics courses

Responsible Professionalism Herman Siebens, 2019-05-29 Thinking about responsible behaviour in the professional and business world but also as a citizen in its current form may only be fashionable recently it is of all times And it apparently belongs to everyone everyone thinks they can form an opinion about everything and also thinks that their opinion is well founded We risk falling into ethical relativism everything is possible because ultimately all opinions seem equally correct incorrect Facts free opinions alternative facts and fake news then suddenly become acceptable opinions This book offers business leaders and employees but also teachers and students the necessary insights a framework and a step by step plan to efficiently and thoughtfully tackle ethical dilemmas in the daily civilian professional and business world by a full fledged reflection analytical methodical clearly argued This as an impetus to a more conscious and lived ethical attitude integrity and spirituality and to a structural embedding of responsible action in the strategy and policy of the organization This book is aimed at all readers who are interested in the phenomenon of acting responsibly including corporate responsibility and are looking for a not too extensive pleasant to read but still thorough introduction to the theme *Perspectives on Philosophy of Management and Business Ethics* Jacob Dahl Rendtorff, 2017-01-05 This book presents a selection of articles with focus on the theoretical foundations of business ethics and in particular on the philosophy of management and on human rights and business This implies identifying and discussing conflicts as well as agreement with regard to the philosophical and other foundations of business and management Despite the general interest in corporate social responsibility and business ethics the contemporary discussion rarely touches upon the normative core and philosophical foundations of business There is a need to discuss the theoretical basis of business ethics and of business and human rights Even though the actions and activities of business may be discussed from a moral perspective not least in the media the judgments and opinions relating to business and management often lack deeper moral reflection and consistency Partly for this reason business ethicists are constantly challenged to provide such moral and philosophical foundations for business ethics and for business and human rights and to communicate them in an understandable manner Such a challenge is also of scientific kind Positions and opinions in the academic field need to be substantiated by thorough moral and theoretical reflection to underpin normative

approaches Far too often business ethicists may agree on matters which they approach from different and sometimes irreconcilable philosophical standpoints resulting in superficial agreement but deeper lying disagreement In other cases it may be of high relevance to identify philosophical standpoints that despite conflicting fundamentals may arrive at conclusions acceptable to everyone **The SAGE Encyclopedia of Business Ethics and Society** Robert W.

Kolb,2018-03-27 Spans the relationships among business ethics and society by including numerous entries that feature broad coverage of corporate social responsibility the obligation of companies to various stakeholder groups the contribution of business to society and culture and the relationship between organizations and the quality of the environment

Encyclopedia of Business Ethics and Society Robert W. Kolb,2008 This encyclopedia spans the relationships among business ethics and society with an emphasis on business ethics and the role of business in society *Special Issue: Dissensus!* Carl Rhodes,Iain Munro,Torkild Thanem,Alison Pullen,2020

Unveiling the Power of Verbal Art: An Psychological Sojourn through **Radical Business Ethics**

In a global inundated with screens and the cacophony of quick connection, the profound power and mental resonance of verbal beauty frequently diminish into obscurity, eclipsed by the constant assault of sound and distractions. However, nestled within the musical pages of **Radical Business Ethics**, a fascinating work of fictional brilliance that impulses with organic emotions, lies an wonderful trip waiting to be embarked upon. Penned with a virtuoso wordsmith, that mesmerizing opus courses viewers on an emotional odyssey, lightly revealing the latent possible and profound affect stuck within the elaborate internet of language. Within the heart-wrenching expanse of this evocative analysis, we can embark upon an introspective exploration of the book is key subjects, dissect their charming publishing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
