Cameron,2021-09-09 *Open Your Heart to Nature and Beyond* maintains there is one problem separation from the Divine and one solution applying some form of forgiveness It details the holding relationships that actually separate us from the Divine and how to use the Law of Forgiveness to let them go and open our hearts to God's presence Like a computer delete key the activity of forgiveness allows us to let go physically emotionally and mentally until we join Universal Being This Divine encounter is divided into 7 distinct stages with descriptions based on experiences of the author as well as poets and individuals from other major religions This book also suggests that a religious experience is simply having an experience of the Zero Energy Field as defined in quantum physics The Zero Energy Field is defined as the activity of subatomic particles such as photons electrons and other quantum particles in space at temperatures of absolute zero Research indicates that humans can affect this field with pray which is the mental activity of calling these energy particles to organize and outpicture as manifestations in nature We also have the ability to apply the Law of Forgiveness that Jesus introduced and release the electrons neutrons and protons forming something in the world and in our minds and thereby causing them to disorganize them and return to the Zero Energy Field The human activity of forgiving or letting things thoughts and emotions go shows that we have the mental ability to apply the Law of Entropy and disorganized manifested things and release them back into subatomic particles in the Zero Energy Field      *Waking The Warrior Goddess (Volume 2 of 2) (EasyRead Super Large 18pt Edition)* ,      **Subtle Energy Work** Synthia Andrews,2022 Learning to consciously interact in the domain of subtle energy is the next step in personal and planetary transformation Subtle energy is more than life force it is the substance of reality and the vehicle of consciousness Your body is wired to navigate this domain This book is a unique guide of principles practices and exercises to help you access your energy awareness and live a more empowered life      *Waking the Warrior Goddess* ,

**I Painted the Light** Jeanne Grimes,2013-05-02 When I was five years old I painted the Light I painted the happy space I went to while being sexually abused by my father When the abuse would start two adorable cherubs would appear and take me by the hands Off we would go into the Light We would fly about and tumble laugh and be filled with joy It was a glorious fun and safe place to be The Light saved me So when I was given the chance to create my first ever painting in kindergarten I naturally wanted to paint this beautiful glowing space I painted the Light I covered every square inch of my flip chart paper with bright yellow paint I was so happy to recreate this space and share it with my dad But my joy was short lived once I actually unrolled my painting at home and explained my bright yellow space to my father His violent reaction became one more incident that further buried the memories of the abuse I tell my story here to help those of you who have also been sexually abused I went beyond the counseling and cognitive therapies and found other spiritual and experiential techniques

that brought me to a place of peace and wholeness These practices helped heal my mind my body and my spirit I offer my experiences here so that you may apply them to your own healing journey My goal is to help you see the Light within you to find the peace within you as I have finally found in me May Divine Love be with us on our journey     Waking the Warrior Goddess Christine Horner,2007 Provides information on ways women can protect themselves and fight breast cancer covering such topics as healthy eating supplements exercise medications meditation and emotional healing     **The Path of Energy** Synthia Andrews,2011-06-15 Publisher s Note A new edition has replaced this book under the title Subtle Energy Work ISBN 9781637480083 A unique guide to principles practices and exercises that help you access your energy awareness and live a more empowered life Learning to consciously interact in the domain of subtle energy is the next step in personal and planetary transformation The Path of Energy is a unique handbook of principles practices and exercises to help you access your energy awareness and live a more empowered life In the book are 13 meditations that activate patterns of light within your energy body to awaken specific abilities and levels of awareness Each meditation includes benefits and purpose step by step written directions augmented with line drawings and an interpretive illustration of the completed energy pattern Subtle energy is more than life force it is the substance of reality and the vehicle of consciousness Your body is wired to navigate this domain You are equipped with everything needed to engage the world of energy and creatively change your life You simply need to remember how The Path of Energy is a guide to living with expanded consciousness Included are techniques that build energy awareness and use this skill to deepen your spiritual path intimacy in relationships align with earth energy clear space create protection manifest goals facilitate healing and more     *Innocence Remembered, a Path to Personal and Global Healing* Doris Ehrlert,2009-09-01 INNOCENCE REMEMBERED takes you on a journey through the mysteries of human nature and discusses the key aspects of good health and healing The main objective is to point out how beliefs of right and wrong and guilt and innocence affect our everyday lives on a personal as well as on a global level After completing this journey you will understand why we continue to create dis ease and suffering and how we can change course You will feel more compassionate with yourself and others have more trust in the benevolence of the universal forces and create your experiences from a heightened sense of peace INNOCENCE REMEMBERED is filled with invaluable information for anyone who is interested in personal healing spiritual growth ecological and economical balance and global peace

*Holistic Creation and Focus Zone Chi Gong* Aleksander Kupisz,2010-12 Your body is like a hard drive Every event that you have ever experienced to which you have not surrendered or made peace with either by gratitude or by forgiveness remains stuck in your body This stagnant energy hinders all attempts at life change as it is not in the mind but in the body and is connected to the subconscious on a deep cellular level This book shows you a surprising easy way to go into the body and allow all stored energy to pass eventually reaching states on non duality forgiveness gratitude and surrender The book is designed as a course which when completed sets in motion our natural ability to surrender and allow responses of

attachment and aversion to pass automatically without any effort the Holistic Creation and Focus Zone Chi Gong System is for those more interested in living life to the fullest than for those who want to live their stories      **Stepping into Presence** Sydney Platt, 2016-06-24 What does it take to be Present Sydney Platt takes us on an inner journey exploring the many facets of Presence with one goal in mind Reconnecting with the Essence of Who You Truly Are Stepping Into Presence is an experiential guide not just a book for the mind From its premise that the main obstacle to Being Present is a deep sense of Disconnection from the soul what it takes to live in presence is explored from many perspectives This involves delving into all the dimensions of human existence Spirit Thought Emotion and Physical senses STEP If you wholeheartedly engage yourself in its pages it is expected that you will Understand how your deepest fears originate and function under the radar to keep you out of the present Discover why the Personality is the most powerful force that blocks the full expression of who you truly are Get savvy to the hidden agenda of your personality and learn to sidestep its unconscious motives and unproductive directives Become more aware of how you disconnect from the flow of Life and all its dimensions Explore ways to resonate with the qualities of Presence so you can be happier calmer and more fully present Calm allows us to process our experience completely and helps us access the resources present within the well of our soul from Chapter 21 Sydney Platt has written a remarkably thorough guide to personal transformation weaving together many systems of consciousness At the completion of each section she provides lovely meditations and prayers to help manifest the transformations Even advanced students of consciousness will find Sydneys book a valuable resource for deeper transformation Sandra Zimmer founder of the Self Expression Center and author of Its Your Time to Shine How to Overcome Fear of Public Speaking Develop Authentic Presence and Speak from Your Heart      *Waking The Warrior Goddess (EasyRead Edition)* Christine Horner, 2007
