Radical History Review Barbara Smith,1992-12-01 *Radical History Review* presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective **Radical History Review: Volume 70** ,1998-06-04 Feature articles in this issue include Women and Guilds in Bologna The Ambiguities of Marginality by Dora Dumont Unpacking the First Person Singular Negotiating Patriarchy in Nineteenth Century Chile by Andy Daitzman Culture Wars Won and Lost Part II Ethnic Museums on the Mall by Fath Davis Ruffins a continuation of an article published in RHR 68 and All the Intensity of My Nature Ida B Wells and African American Women s Anger in History by Patricia A Schechter **Radical History Review: Volume 52** Barbara Smith,1992-11-12 This is volume 52 of the *Radical History Review* series It deals specifically with new directions in gender history and the history of sexuality *Hate and Bias Crime* Barbara Perry,2012-11-12 Covering everything from hate groups and extremist exploits to Black church arsons and the fall out violence from 9 11 this is an important collection that sheds much needed light on this growing problem *From the Ashes of History* Carlos Aguirre,Javier Villa-Flores,2015-07-23 The formation organization and accessibility of archives and libraries are critical for the production of historical narratives They contain the materials with which historians and others reconstruct past events Archives and libraries however not only help produce history but also have a history of their own From the early colonial projects to the formation of nation states in Latin America archives and libraries had been at the center of power struggles and conflicting ideas over patrimony and document preservation that demand historical scrutiny Much of their collections have been lost on account of accidents or sheer negligence but there are also cases of recovery and reconstruction that have opened new windows to the past The essays in this volume explore several fascinating cases of destruction and recovery of archives and libraries and illuminate the ways in which those episodes help shape the writing of historical narratives and the making of collective memories 'Miserable Conflict and Confusion' Erin Kate Scheopner,2022-03-16 This book investigates the way the British national press covered Ireland and the Irish question from the aftermath of the Easter Rising in 1916 to the ratification of the Anglo Irish Treaty in 1922 Bridging the fields of history and media studies it seeks to add to our understanding of the complex relationship between the press and politics Using a case study of 11 newspapers Erin Kate Scheopner investigates daily press coverage from the formative 1916 22 period to offer broader contextualisation and critical analysis of what the press the reading public and the government recognised to be happening in Ireland The material examined includes articles dedicated series editorials cartoons letters to the editor and reports from outside journalists and foreign press outlets This research confirms that the British national press were not neutral bystanders in the Irish question debate but were active participants helping to shape and influence the course of events that led to the signing of the Anglo Irish Treaty Subversives Seth Rosenfeld,2024-03-26 *Subversives* traces the FBI s secret involvement with three iconic figures at Berkeley during the 1960s

the ambitious neophyte politician Ronald Reagan the fierce but fragile radical Mario Savio and the liberal university president Clark Kerr Through these converging narratives the award winning investigative reporter Seth Rosenfeld tells a dramatic and disturbing story of FBI surveillance illegal break ins infiltration planted news stories poison pen letters and secret detention lists He reveals how the FBI s covert operations led by Reagan s friend J Edgar Hoover helped ignite an era of protest undermine the Democrats and benefit Reagan personally and politically At the same time he vividly evokes the life of Berkeley in the early sixties and shows how the university community a site of the forward looking idealism of the period became a battleground in an epic struggle between the government and free citizens The FBI spent more than 1 million trying to block the release of the secret files on which Subversives is based but Rosenfeld compelled the bureau to release more than 250 000 pages providing an extraordinary view of what the government was up to during a turning point in our nation s history Part history part biography and part police procedural Subversives reads like a true crime mystery as it provides a fresh look at the legacy of the sixties sheds new light on one of America s most popular presidents and tells a cautionary tale about the dangers of secrecy and unchecked power We Specialize in the Wholly Impossible Darlene Clark Hine,Wilma King,Linda Reed,1995-04 Essays by 30 authors attempt to reclaim and to create heightened awareness about individuals contributions and struggles that have made African American women s survival and progress possible *A History of Disinformation in the U.S.* Joseph R. Hayden,2024-06-07 This volume recounts notable episodes of distortion throughout American media history It examines several of the lurid hoaxes and conspiracy theories that have inspired press coverage as well as some of the political lies promoted by partisan gladiators whether of the eighteenth century or today The book moves beyond the sensational stories to show the enduring and systemic nature of media manipulation that occurs on far more consequential issues It exposes persistent and deeply destructive falsehoods that have been told about women people of color immigrants the LGBTQ community unions commercial products highlighting how longstanding bipartisan myths have effectively marginalized certain groups of Americans Alongside these cases the author carefully dissects the changing nature of institutions technologies and practices of journalism in America Attention is given to the evolution of newspapers in the eighteenth and nineteenth centuries the role of broadcasting in the twentieth and the impact of the internet and social media at the dawn of the twenty first This book will appeal to readers interested in American history journalism communication studies political science and sociology **Understanding the British Empire** Ronald Hyam,2010-05-20 A study of key themes in the history of the British Empire by one of the senior figures in the field Cultures in Babylon Hazel V. Carby,2024-03-12 For a decade and a half since she first appeared in the Birmingham Centre s collective volume *The Empire Strikes Back* Hazel Carby has been on the frontline of the debate over multicultural education in Britain and the US This book brings together her most important and influential essays ranging over such topics as the necessity for racially diverse school curricula the construction of literary canons Zora Neale Hurston s portraits of the

Folk C L R James and Trinidadian nationalism and black women blues artists and the necessity for racially diverse school curricula Carby s analyses of diverse aspects of contemporary culture are invariably sharp and provocative her political insights shrewd and often against the grain A powerful intervention Culture in Babylon will become a standard reference point in future debates over race ethnicity and gender *Routledge Library Editions: Education Mini-Set H History of Education 24 vol set* Various,2021-07-14 Mini set H History of Education re issues 24 volumes which span a century of publishing 1900 1995 The volumes cover Education in Ancient Rome Irish education in the 19th century schools in Victorian Britain changing patterns in higher education secondary education in post war Britain education and the British colonial experience and the history of educational theory and reform **Homosexuality in Renaissance England** Alan Bray,1995 First published in 1982 by Gay Men s Press Reissued in 1995 with a new afterword and updated bibliography **The Search for Normality** Stefan Berger,2003-09-01 The Historikerstreit of the 1980s has ended inconclusively amidst heated debates on the nature and course of German national history The author follows the debates beyond the unexpected reunification of the country in 1990 and analyzes the most recent trends in German historiography Reunification he observes has brought in its wake an urgent search for the normality of the nation state For anyone interested in the development of the national master narrative in more recent German historiography this book will provide an essential guide through the multitude of historical debates surrounding the nation state History and Causality M. Hewitson,2014-01-22 This volume investigates the different attitudes of historians and other social scientists to questions of causality It argues that historical theorists after the linguistic turn have paid surprisingly little attention to causes in spite of the centrality of causation in many contemporary works of history **New Directions in African Military History** Timothy J. Stapleton,2025-06-02 New Directions in African Military History takes a thematic approach to the history of war and military structures in Africa and highlights the under researched areas African Military History represents a relatively new and fast growing sub field bridging the previously wide gap between the well established genres of African History and Military History Based on a synthesis of existing literature and aimed at a wide readership this book adopts a broad temporal range and uses select examples to highlight a series of points to cover the pre colonial to post colonial eras and offer examples from various parts of the continent This volume evaluates controversial academic debates examining evidence research methods approaches and changing historiographical contexts as well as pointing to potential new areas of research It comprises seven thematic chapters on ways of war weapons technology navies air power battles women combatants and genocide in African history This volume will be of value to students and scholars alike interested in Modern History Military History and African History **The Great Leveler** Brett Christophers,2016-01-04 Brett Christophers shows how laws help capitalism maintain a crucial balance between competition and monopoly When monopolistic forces dominate antitrust law discourages the growth of corporations and restores competitiveness When competition becomes dominant intellectual property law protects corporate

assets and encourages investment **The Invention of Heterosexuality** Jonathan Katz, 2007-06-15 Widely reviewed and praised in hardcover this work is the first book to study the social construction of heterosexuality This is a provocative re examination of the very definitions of sexual identity a valuable primer misses no significant twists in sexual politics the Village Voice **History Making and Present Day Politics** Hans Erik Stolten, 2007 In this collection some of South Africa's most distinguished historians and social scientists present their views on the importance of history and heritage for the transformation of the South African society Although popular use of history helped remove apartheid the study of history lost status during the transition process Some of the reasons for this like the nature of the negotiated revolution social demobilization and individualization are analyzed in this book The combination of scholarly work with an active role in changing society has been a central concern in South African history writing This book warns against the danger of history being caught between reconciliation commercialization and political correctness Some of the articles critically examine the role of historians in ideological debates on gender African agency Afrikaner anti communism early South African socialism and the role of the business world during late apartheid Other contributions explore continuing controversies on the politics of public history in post apartheid South Africa describe the implementation of new policies for history education or investigate the use of applied history in the land restitution process and in the TRC The authors also examine a range of new government and private initiatives in the practical use of history including the establishment of new historical entertainment parks and the conversion of museums and heritage sites For readers interested in nation building processes and identity politics this book provides valuable insight **A State-by-State History of Race and Racism in the United States** Patricia Reid-Merritt, 2018-12-07 Providing chronologies of important events historical narratives from the first settlement to the present and biographies of major figures this work offers readers an unseen look at the history of racism from the perspective of individual states From the initial impact of European settlement on indigenous populations to the racial divides caused by immigration and police shootings in the 21st century each American state has imposed some form of racial restriction on its residents The United States proclaims a belief in freedom and justice for all but members of various minority racial groups have often faced a different reality as seen in such examples as the forcible dispossession of indigenous peoples during the Trail of Tears Jim Crow laws crushing discrimination of blacks and the manifest unfairness of the Chinese Exclusion Act Including the District of Columbia the 51 entries in these two volumes cover the state specific histories of all of the major minority and immigrant groups in the United States including African Americans Hispanics Asian Americans and Native Americans Every state has had a unique experience in attempting to build a community comprising multiple racial groups and the chronologies narratives and biographies that compose the entries in this collection explore the consequences of racism from states perspectives revealing distinct new insights into their respective racial histories
