**The Radical Jesus, the Bible, and the Great Transformation** Douglas E. Oakman, 2021-01-25 The Radical Jesus offers a companion to the author's previous article collection Jesus and the Peasants Even more than in Jesus and the Peasants these eleven chapters sharpen the focus on the political economic meaning of Jesus then and the deeper values embodied in him that perhaps are still pertinent for now Part One considers his activities and aims within the political economy of first century Galilee Part Two offers perspectives on the critical hermeneutical task of linking the values of Jesus and the Bible to a world that has undergone what Karl Polanyi called the Great Transformation Polanyi argued persuasively in his 1944 book that economy in the pre industrial age was embedded in social relations and served necessary social purposes while society after the Great Transformation became embedded within market capitalist economy to the detriment of social relations This book finds in sustained critical dialog with the Radical Jesus another transforming force and a guiding light toward a more humane economy and society that will serve human need rather than selfish greed

Vincent,2014-05-08 *Radical Jesus* by Dr John Vincent is a straightforward dramatic revelatory retelling of the story of Jesus in Mark's Gospel Jesus appears exactly as he appeared to his own contemporaries and to his first followers as an exceptional highly original champion of the values of the poor developing an alternative faith lifestyle at the bottom of society and forming a community of followers whom he taught to act with his own freedom and commitment which he called Kingdom of God Radical Jesus argues that Jesus still today represents a significant and potentially world changing style and method whereby real change can be pioneered by groups of committed entrepreneurial disciples following Jesus's Way Our twenty first century contexts of social cultural and political choices evoke Jesus as Alternative Guru Master Blasphemer Politician and Journey Downward *Radical like Jesus* Greg Stier,2024-08-20 You are meant for more God has called you to live a radical life for Him one that makes a lasting impact on this world Like Jesus did But how is this possible There's never been anyone in history as radical as Jesus From the way that He prayed to how He interacted with sinners to His sacrificial death on the cross Jesus was a revolutionary It's just who He was As His followers we are called to be like him It's not just something we should aspire to it's a reality that we must strive for every day We can live as Jesus did be radical like He was because as Christians Jesus lives in us and wants to live through us When Jesus lives his life through us we begin to do the things that He did And that's what Radical Like Jesus is all about putting into practice the rhythms activities and actions that Jesus modeled throughout His life Radical like Jesus is meant to challenge you with 21 chapters that reflect on the life and actions of Jesus 21 challenges that help you build Christ honoring routines 21 insights on how your everyday life can become revolutionary Every chapter ends with a Radical Like Jesus Challenge Some will truly stretch your faith and all of them will help you live like Jesus lived Take these challenges individually or do them as a group and you'll never be the same Live your life on mission Become radical like Jesus *Rediscovering Jesus* David B. Capes,Rodney Reeves,E. Randolph Richards,2015-07-08 Who is your Jesus This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture from the New Testament to the gnostic gospels historical Jesus studies Islam Mormonism Hollywood and Americana Follow the path to seeing Jesus truly and notice the difference it makes for faith and life **The Radical Jesus** Glenn Meldrum,2013-06-05 The Radical Jesus is a brief examination of Christ's life teaching death and resurrection Everything about Jesus is absolutely radical the One the Scriptures reveal as anything but tame Without a clear understanding of who Jesus is we can never hope to be the disciples we were meant to be in this fallen world The twofold purpose of this book is to exalt the radical Jesus by presenting a fresh glimpse of who He is and to reveal the high calling that true believers are to live *The Coming Jesus and the Anthropocene* Ryan LaMothe,2024-02-22 Melting glaciers and icecaps massive forest fires enormous storms extensive and prolonged flooding and desertification of large tracts of land are realities we currently face and will continue to struggle with as a result of climate change Our climate crisis invites if not demands a critical evaluation of our political religious economic and cultural narratives and rituals that give rise

to our ways of relating to one another to other species and to planet Earth This book argues that the climate emergency exposes deep problematic roots of Western religious and political paradigms and apparatuses that undergird ideas of and methods for human flourishing In particular Western religious and political philosophies have produced and maintained a radical rift between human beings and other species as well as beliefs about human dominion over other species and the earth These ideas and practices are responsible for the colonization of Nature and for climate change Understanding these sources invites a radical reimagining of our religious ideas and practices Specifically this book proposes a coming Jesus a form of life that traverses the rift while denying human and divine dominion for the sake of recognizing and respecting the singularities and flourishing of all species

*The Life and Death of the Radical Historical Jesus* David Burns, 2013-01-03 In this cultural and intellectual history David Burns contends that the influence of biblical criticism in America was more widespread than has been thought Burns proves this point by uncovering the hidden history of the radical historical Jesus a construct created and sustained by freethinkers feminists socialists and anarchists during the Gilded Age and Progressive Era The result of this exploration is a new narrative revealing that Cyrenus Ward Caroline Bartlett George Herron Bouck White and other radical religionists had an impact on the history of religion in America rivaling that of recognized religious intellectuals such as Shailer Mathews Charles Briggs Francis Peabody and Walter Rauschenbusch The methods utilized by radical religionists were different from those employed by elite liberal divines however and part of a larger struggle over the relationship between religion and civilization There were numerous reasons for this conflict but Burns argues that the primary cause was that key radical religionists used Ernest Renan's *The Life of Jesus* to create an imaginative brand of biblical criticism that struck a balance between the demands of reason and the doctrines of religion And this measured approach allowed Robert Ingersoll Elizabeth Cady Stanton Eugene Debs and other secular minded thinkers who sought to purge Christianity of its supernatural dimensions to still find something wonderful in the religious imagination and make common cause with an ancient peasant from Galilee This provocative blend of reason and religion produced a vibrant countercultural movement that spanned communities classes and creeds and makes *The Life and Death of the Radical Historical Jesus* a book that deserves a wide readership in an era when public intellectuals and politicians on both the left and right draw rigid lines between the secular and the sacred

**Jesus the Radical** R. T. France, 1989 Some sought his death Others left everything to follow him Who was this Jesus this son of a carpenter turned wandering teacher Why did he provoke such extreme reactions And why does he still do so today more than two thousand years after his death Jesus the Radical highlights the impact of Jesus against the backdrop of life in first century Judea with its customs its Messianic hopes its multi faceted Judaism and its Roman overlords Here are many fascinating insights into the story you thought you knew Sensitive and compelling it confronts the reader with Jesus and lets him decide what responses to make Christianity Today R T France has taught at London Bible College and was principal of Wycliffe Hall Oxford from 1989 to 1995 He is the author of

Matthew in the Tyndale New Testament Commentary series The Evidence for Jesus The Living God and Jesus and the Old Testament     **Undiluted** Benjamin L. Corey,2014-08-19 Are you ready to begin experiencing an undiluted Jesus Benjamin Corey confronts our vision of Jesus head on asking the hard question Is what we see and hear in the modern church all there is to the message of Jesus or is there a more radical side to Jesus than we have been led to believe Get ready to encounter a Jesus that is determined to turn over the tables of a stale ineffective and boring gospel that seeks to escape from the world instead of transforming it This radical Jesus and His message Invites us to reorient our lives not on Christian religion but on the person of Jesus Calls us to live out faith in the context of authentic community with others instead of isolation Includes the excluded and invites the outcast to have a seat at the table Responds to enemies with a radical unexplainable love Undiluted will invite you to step out of your comfort zone and into a process of rediscovering the radical counter cultural and life changing message of Jesus As you do you ll discover a more vibrant faith as you embrace an undiluted Jesus and His radical message     Jesus the Radical Raymond Angelo Belliotti,2013-10-22 Jesus the Radical The Parables and Modern Morality connects the lessons of six parables of the New Testament with philosophical issues structured around contemporary morality and the art of leading a good human life In this manner Raymond Angelo Belliotti highlights just how radical was the historical Jesus moral message and how enormous a challenge he raised to the conventional wisdom of his time More important this book demonstrates how deeply opposed is Jesus moral message to the dominant moral understandings of our time Although our conventional morality is generally profoundly influenced by Judeo Christianity several of Jesus revolutionary insights have been marginalized By imagining how our world would appear if those insights were highlighted we can perceive more clearly the people we are and the people we might become Belliotti s analysis of the parables will be of keen interest to professional philosophers theologians and educated lay people interested in the connections between religion and philosophy     **Sacred Anthropology** Tyshawn Gardner,2022-10-25 Pastors are often ill equipped in preparing churches to be sacred advocates and activists in the communities most affected by social injustice and neglect Sacred Anthropology aims to inform and equip pastors in discipling the body of Christ to effect social transformation in times of social crisis Tyshawn Gardner envisions the pastor as a sacred anthropologist as one who understands the cultures of other image bearers for the sake of promoting the justice of God in the world As a pastoral mandate the sacred anthropologist challenges churches to be engaged in the political and social transformation of their community The social anthropologist employs both secular and theological tools for an effective contextualized ministry This book posits prophetic radicalism as a pastoral theology and the pastoral office as the center of prophetic radicalism yet it does not limit prophetic radicalism to the pastoral office Sacred Anthropology is written with pastors and parishioners from any ethnic group in mind but draws heavily on the prophetic pastoral and preaching tradition of African American pastors and churches Using this foundation and tradition sacred anthropologists can lead their congregations in a way that challenges them to be involved

Bestselling author David Augsburger explains and advocates for a tri polar spirituality Christian life and energy centered on God care of neighbor and care of self      *The Gathering, A Womanist Church* Irie Lynne Session, Kamilah Hall Sharp, Jann Aldredge-Clanton, 2020-08-21 A womanist church has great power to transform church and society primarily because womanist theology centers the experiences of Black women while working for the survival and wholeness of all people and all creation Experiences of the triple oppression of racism sexism and classism give Black women an epistemological insight into recognizing injustice and creating solutions that benefit all The Gathering is unique the only church founded and identified as womanist applying womanist theology to the full life and worship of a church The Gathering a womanist faith community in Dallas Texas welcomes all people to partner in pursuing racial equity LGBTQ equality and dismantling PMS patriarchy misogyny and sexism following Jesus in liberating the oppressed and lifting up the marginalized The Gathering A Womanist Church tells the story of the birth and ongoing development of a womanist faith community This book includes personal narratives of people transformed in this community womanist co pastors sermons informed by their experiences and those of other Black women and litanies for womanist worship      **Jesus' Radical Message** Z. Holler, 2010-01-11 Traditional preaching along with the mainline churches in which it has been most prevalent over the years is losing its appeal for growing numbers of people who are caught up in the dangers and confusion of our fragmented world Many are hungering for a more powerful and challenging message rooted in Jesus life and teachings seeking clues about how to live faithfully amid the destructive social and personal pressures created by our nation's exploitation of its position of global dominance The sermons in this volume emerge from the conversion story of a Southern white Presbyterian pastor who was transformed by the civil rights struggle and who has chosen to live on the boundary between mainstream and marginalized people Rooted in an understanding that Jesus gospel message is subversive of many of the dominant values and practices of our culture and our world today they are intended to be disturbing sermons But they disturb for the sake of healing and hope always pointing to Jesus good news of the liberating possibility of beloved community inclusive of us all
