Radical Republicans In The North State Politics During Reconstruction:

Radical Republicans in the North James C. Mohr, 1976 The Radical Republicans and Reform in New York during **Reconstruction** James C. Mohr, 2019-06-30 New insights into the politics of the Reconstruction era are offered in this study Contending that the North as well as the South underwent reconstruction after the Civil War the author examines the kinds of legislation the Radical Republicans tried to enact when they gained control in New York Reform is the central theme of the book fire protection public health labor education and voting are some of the areas covered White reaction to black suffrage the author maintains brought dissension to and meant defeat for a political coalition that had begun to launch a reform program with profound implications Religion and the Radical Republican Movement Victor B. Howard, 2021-03-17 A distinctive contribution on the influence of Christians on Union politics during the Civil War era Ohio History Religion and the Radical Republican Movement 1860 1870 is a study of the interplay of religion and politics during the Civil War era More specifically it examines the extent to which religion set the moral tone of the North during the period of 1860 through 1870 Howard focuses on the growing influence of the evangelical and liberal churches during the period This influence was largely exerted through the agency of the radical Republicans a faction that took an extreme position on war measures and on reconstruction after the war This book examines the degree to which radicalism was inspired by moral motivation and the action that followed the moral commitment The author's prodigious research and stacks of quotations convincingly display the northern church's commitment to black suffrage and to the era's important congressional legislation bearing on black rights and other central Reconstruction issues Choice Washington during Civil War and Reconstruction Robert Harrison, 2011-08-15 In this provocative study Robert Harrison provides new insight into grassroots reconstruction after the Civil War and into the lives of those most deeply affected the newly emancipated African Americans Harrison argues that the District of Columbia far from being marginal to the Reconstruction story was central to Republican efforts to reshape civil and political relations with the capital a testing ground for Congressional policy makers. The study describes the ways in which federal agencies such as the Army and the Freedmen's Bureau attempted to assist Washington's freed population and shows how officials struggled to address the social problems resulting from large scale African American migration It also sheds new light on the political processes that led to the abandonment of Reconstruction and the onset of black disfranchisement Radical Republicans in the North James C. Mohr, 1976 **Reconstruction in the United States** David Lincove, 2000-01-30 The only comprehensive bibliography on Reconstruction this book provides the definitive guide to literature published from 1877 to 1998 In over 2 900 entries the work covers a broad range of topics including politics agriculture labor religion education race relations law family gender studies and local history. It encompasses the years of the Civil War through the conclusion of the 1876 election and the end of the federal government's official role in reforming the postwar South and protecting the rights of Black citizens In detailed annotations the book covers a range of literature from

scholarly and popular studies to published memoirs letters and documents as well as reference sources and teaching tools The issues of Reconstruction civil rights states rights and federal state relations racism nationalism government aid to individuals continue to be relevant today and the literature on Reconstruction is large This book provides a systematic and comprehensive bibliographic guide to that literature It is organized by topics and geographical regions and states thereby emphasizing the local diversity in the South In addition to a variety of literature it covers the relevant Supreme Court cases through 1883 provides full citations to federal acts and cases cited and includes the texts of the 13th 14th and 15th Amendments to the Constitution The book will be useful to scholars and students researching a wide range of topics in Southern history constitutional history and national politics in post Civil War United States The Reconstruction Presidents Brooks D. Simpson, 1998-07-28 During and after the Civil War four presidents faced the challenge of reuniting the nation and of providing justice for black Americans and of achieving a balance between those goals This first book to collectively examine the Reconstruction policies of Abraham Lincoln Andrew Johnson Ulysses S Grant and Rutherford B Hayes reveals how they confronted and responded to the complex issues presented during that contested era in American politics Brooks Simpson examines the policies of each administration in depth and evaluates them in terms of their political social and institutional contexts Simpson explains what was politically possible at a time when federal authority and presidential power were more limited than they are now He compares these four leaders handling of similar challenges such as the retention of political support and the need to build a Southern base for their policies in different ways and under different circumstances and he discusses both their use of executive power and the impact of their personal beliefs on their actions Although historians have disagreed on the extent to which these presidents were committed to helping blacks Simpson's sharply drawn assessments of presidential performance shows that previous scholars have overemphasized how the personal racial views of each man shaped his approach to Reconstruction Simpson counters much of the conventional wisdom about these leaders by persuasively demonstrating that considerable constraints to presidential power severely limited their efforts to achieve their ends The Reconstruction Presidents marks a return to understanding Reconstruction based upon national politics and offers an approach to presidential policy making that emphasizes the environment in which a president governs and the nature of the challenges facing him By showing that what these four leaders might have accomplished was limited by circumstances not easily altered it allows us to assess them in the context of their times and better understand an era too often measured by inappropriate standards Retreat from Reconstruction, 1869–1879 William Gillette, 1982-01-01 According to William Gillette recent reinterpretation of Reconstruction by revisionist historians has often tended to overemphasize idealistic motivations at the expense of assessing concrete achievements of the era Thus he maintains the failure of both the purpose and the promise of Reconstruction has not been deeply enough analyzed Retreat from Reconstruction is the first and most comprehensive analysis yet published on the course of the development decline and

disintegration of Reconstruction during the decade of the 1870s Gillette sets forth the idea that these years provided the true test of the effectiveness of Reconstruction By using the primary sources to back up and amplify his premise he offers a detailed thoroughly convincing study of Reconstruction and a significant interpretation of why the political programs of the Republicans ended in failure Focusing on Reconstruction as national policy and how it was made and administered Gillette s study interweaves local developments in the South with political developments in the North that resulted in the withdrawal of support of that policy His broadly based work includes an examination of federal election enforcement in the South the southern policies of the Grant and Hayes administrations the presidential elections of 1872 and 1876 the congressional election of 1874 and the Civil Rights Act of 1875 In addition to political developments Gillette touches on the social economic intellectual educational and racial facets of Reconstruction and by demonstrating how they bore on the political processes of the era he deepens our understanding of a crucial but controversial period in American history and the workings of the American political system The A to Z of the Civil War and Reconstruction William L. Richter, 2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North Following the end of the war the period of American history known as Reconstruction followed This was a period construed in many different ways While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history Reconstruction After the Civil War John Hope Franklin, 1994 Ever since its original publication in 1961 Reconstruction after the Civil War has been praised for cutting through the controversial scholarship and popular myths of the time to provide an accurate account of the role of former slaves during this period in American history Now Franklin has updated his work to acknowledge the enormous body of research and scholarship that followed in the wake of the first edition New are Franklin's references to important later texts that enrich the original narrative In addition the extensive bibliography has been thoroughly revised What has not changed however is the foundation Franklin has laid Still compelling are his arguments concerning the brevity of the North's military occupation of the South the limited amount of power wielded by former slaves the influence of moderate southerners the flaws of the constitutions drawn up by the Radical state governments and the reasons for the downfall of Reconstruction Black Judas John David Smith, 2019-11-15 William

Hannibal Thomas 1843 1935 served with distinction in the U S Colored Troops in the Civil War in which he lost an arm and was a preacher teacher lawyer state legislator and journalist following Appomattox In many publications up through the 1890s Thomas espoused a critical though optimistic black nationalist ideology After his mid twenties however Thomas began exhibiting a self destructive personality one that kept him in constant trouble with authorities and always on the run His book The American Negro 1901 was his final self destructive act Attacking African Americans in gross and insulting language in this utterly pessimistic book Thomas blamed them for the contemporary Negro problem and argued that the race required radical redemption based on improved character not changed color Vaque in his recommendations Thomas implied that blacks should model themselves after certain mulattoes most notably William Hannibal Thomas Black Judas is a biography of Thomas a publishing history of The American Negro and an analysis of that book s significance to American racial thought The book is based on fifteen years of research including research in postamputation trauma and psychoanalytic theory on selfhatred to assess Thomas s metamorphosis from a constructive race critic to a black Negrophobe John David Smith argues that his radical shift resulted from key emotional and physical traumas that mirrored Thomas s life history of exposure to white racism and intense physical pain A Companion to the Civil War and Reconstruction Lacy Ford, 2011-03-21 A Companion to the Civil War and Reconstruction addresses the key topics and themes of the Civil War era with 23 original essays by top scholars in the field An authoritative volume that surveys the history and historiography of the U S Civil War and Reconstruction Analyzes the major sources and the most influential books and articles in the field Includes discussions The Paradox of Progress Martin J. Hershock, 2003 Martin Hershock traces on scholarly advances in U S Civil War history the ways in which all classes in the state of Michigan found themselves simultaneously attracted to the enticements of the new world of the market and repulsed by its excess and instability The Paradox of Progress is a study of Michigan history and politics as well as an analysis of the factors underlying the history of the GOP and its evolution from the party that supported the antislavery movement free soil free labor and Lincoln the Rail Splitter into the party of Mark Hanna J P Morgan and William McKinley BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Michigan's War John W. Quist,2019-03-26 When it came to the Civil War Michiganians never spoke with one voice At the beginning of the conflict family farms defined the southern Lower Peninsula while a sparsely settled frontier characterized the state s north Although differing strategies for economic development initially divided Michigan s settlers by the 1850s Michiganians attention increasingly focused on slavery race and the future of the national union They exchanged charges of treason and political opportunism while wrestling with the meanings of secession the national union emancipation citizenship race and their changing economy Their actions launched transformations in their communities their state and their nation in ways that Americans still struggle to understand Building upon the current scholarship of the Civil War the Midwest and Michigan s role in the national experience Michigan s War is a documentary history of the Civil War era as told

by the state s residents and observers in private letters reminiscences newspapers and other contemporary sources Clear annotations and thoughtful editing allow teachers and students to delve into the political social and military context of the war making it ideal for classroom use The Political Education of Henry Adams Brooks D. Simpson, 1996 In this lively work of revisionism Brooks D Simpson offers a new understanding of Henry Adams s political career looking beyond the oft quoted Education of Henry Adams to discover the historian journalist and political gadfly as he truly was In doing so Simpson challenges portrayals presented by Adams s many biographers and reassesses positions of major historians He demonstrates the unreliability of The Education as a factual account of post Civil War American politics cautions those who represent Adams as a typical political reformer and discusses why Adams s fervent desire to achieve political success ended in abject failure Arguing that Adams sought political influence and power not office Simpson follows the young republican's struggle to reconcile the dictates of family heritage with his own personal inclinations by carving out a career as a political journalist and behind the scenes manipulator of reform politics But his arrogance and sarcasm according to Simpson doomed him to offend the very people he sought to influence and forced him to the margins of the reform movement Simpson contends that even as Adams wrote about his failure in The Education of Henry Adams he sought to conceal its true causes behind a facade of witty derisive remarks about American politics and politicians In contrast Simpson places the blame for Adams s failure squarely on Adams himself concluding that personality rather than politics thwarted his promising career Racism, and Reconstruction LaWanda C. Fenlason Cox, 1997 LaWanda Cox is widely regarded as one of the most influential historians of Reconstruction and nineteenth century race relations Imaginative in conception forcefully argued and elegantly written her work helped reshape historians understanding of the age of emancipation Freedom Racism and Reconstruction brings together Cox s most important writings spanning more than forty years including previously published essays excerpts from her books and an unpublished essay Now retired from Hunter College and the Graduate Center of the City University of New York Cox gave Donald G Nieman her full cooperation on this project The result is a cohesive book of refreshing and sophisticated analysis that illuminates a pivotal era in American history It not only serves as a lasting testament to a highly original scholar but also makes available to readers a remarkable body of scholarship that remains required reading for anyone who wishes to understand the age of emancipation and the historian s craft **The Sacred Cause of Union Thomas** R. Baker, 2016-11-15 The Sacred Causeof Union highlights Iowans important role in reuniting the nation when the battle over slavery tore it asunder In this first ever survey of the state s Civil War history Thomas Baker interweaves economics politics army recruitment battlefield performance and government administration Scattered across more than a dozen states and territories Iowa's fighting men marched long distances and won battles against larger rebel armies despite having little food or shelter and sometimes poor equipment On their own initiative the state s women ventured south to the battlefields to tend to the sick and injured and farm families produced mountains of food to feed hungry federal armies In the absence of a

coordinated military supply system women s volunteer organizations were instrumental in delivering food clothing medicines and other supplies to those who needed them All of these efforts contributed mightily to the Union victory and catapulted Iowa into the top circle of most influential states in the nation To shed light on how individual Iowans experienced the war the book profiles six state residents Three were well known Annie Wittenmyer a divorced woman with roots in Virginia led the state s efforts to ship clothing and food to the soldiers Alexander Clark a Muscatine businessman and the son of former slaves eloquently championed the rights of African Americans Cyrus Carpenter a Pennsylvania born land surveyor anxious to make his fortune served in the army and then headed the state's Radical Republican faction after the war ultimately being elected governor Three never became famous Ben Stevens a young unemployed carpenter fought in an Iowa regiment at Shiloh and then transferred to a Louisiana African American regiment so that he could lead the former slaves into battle Farm boy Abner Dunham defended the Sunken Road at the Battle of Shiloh before spending seven grim months in Confederate prison camps The young Charles Musser faced pressure from his neighbors to enlist and from his parents to remain at home to work on the farm Soon after he signed on to serve the Union he discovered that his older brother had joined the Confederate Army Through the letters and lives of these six Iowans Thomas Baker shows how the Civil War transformed the state at the same time that Iowans transformed the nation Securing the Fruits of Labor James L. Huston, 2015-05-11 In his comprehensive study of the economic ideology of the early republic James L Huston argues that Americans developed economic attitudes during the Revolutionary period that remained virtually unchanged until the close of the nineteenth century Viewing Europe's aristocratic system early Americans believed that the survival of their new republic depended on a fair distribution of wealth brought about through political and economic equality. The concepts of wealth distribution formulated in the Revolutionary period informed works on nineteenth century political economy and shaped the ideology of political parties Huston reveals how these ideas influenced debates over reform working class agitation political participation territorial expansion banking tariffs slavery public land disposition and corporate industrialism Securing the Fruits of Labor is a masterful study of American beliefs about wealth distribution over one and a The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive half centuries guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America Dubious <u>Victory</u> Robert D. Sawrey, 2021-12-14 To the victors belong the spoils is a time honored cliche When in 1865 northern armies defeated the greatest challenge ever posed to the Union issues of spoils and peace terms dominated public debate But precisely what did the victorious North want from the Reconstruction process Historians generally have shown far less interest in northern goals than in what terms southerners were willing to accept Robert Sawrey now seeks to redress the balance by examining the post Civil War attitudes of a representative northern state Ohio Sawrey's probing study explores

precisely what the key issues were for politically active Ohioans and what they sought in a Reconstruction policy Through extensive research in contemporary newspapers manuscripts legislative debates and diaries he offers the most complete picture ever presented of northern attitudes on the two crucial issues of Reconstruction the terms of readmission and the fate of the former slaves Ohioans struggle to find an equation for restoring a Union that now included nearly four million free blacks was complicated he finds by their prejudices and their belief in white superiority Because they regarded the planter conspiracy as a primary cause of the war they sought to assure future peace through control of the planters a position that compelled them to advocate basic rights for ex slaves At the same time they continued to support white supremacy throughout the nation To reconcile these contradictory positions was a daunt ing task Yet by 1870 Sawrey finds most politically involved Ohioans believed Reconstruction had secured their basic goals Dubious Victory offers a fresh approach to understanding the limits of what was achievable during Reconstruction It also explains why the achievements of the period now seem to have been so limited

This is likewise one of the factors by obtaining the soft documents of this **Radical Republicans In The North State Politics During Reconstruction** by online. You might not require more mature to spend to go to the books introduction as competently as search for them. Radical Republicans In The North State Politics During Reconstruction Introduction

In todays digital age, the availability of Radical Republicans In The North State Politics During Reconstruction books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Radical Republicans In The North State Politics During Reconstruction books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Radical Republicans In The North State Politics During Reconstruction books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Radical Republicans In The North State Politics During Reconstruction versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Radical Republicans In The North State Politics During Reconstruction books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Radical Republicans In The North State Politics During Reconstruction books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Radical Republicans In The North State Politics During Reconstruction books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Radical Republicans In The North State Politics During Reconstruction books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Radical Republicans In The North State Politics During Reconstruction books and manuals for download and embark on your journey of knowledge?

FAQs About Radical Republicans In The North State Politics During Reconstruction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Radical Republicans In The North

State Politics During Reconstruction is one of the best book in our library for free trial. We provide copy of Radical Republicans In The North State Politics During Reconstruction in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Radical Republicans In The North State Politics During Reconstruction. Where to download Radical Republicans In The North State Politics During Reconstruction online for free? Are you looking for Radical Republicans In The North State Politics During Reconstruction PDF? This is definitely going to save you time and cash in something you should think about.
