Journalism Beyond Orwell Richard Keeble,2020-01-31 Journalism Beyond Orwell adapts and updates pioneering work by Richard Lance Keeble to explore George Orwell s legacy as a journalist in original critical and often controversial ways Though best known as the author of Animal Farm and Nineteen Eighty Four Orwell was throughout his career a journalist The essays in this collection explore Orwell s important legacy as a practising activist journalist critical of the dominant media as a polemicist essayist and novelist constantly concerned with issues relating to war and peace as a literary journalist determined to make political writing an art and as a writer who warned of the growing powers of the secret state Through this highly individualistic essay collection that connects Orwellian themes to modern journalism Richard Lance Keeble explores key topics including Orwell the proto blogger How Orwell put his political economy critique of the corporate press into practice Information warfare in an age of hyper militarism The manufacture of the myth of heroic warfare in the reporting of the Afghan conflict The debates over the theory and practice of peace journalism The ethical challenges for journalists reporting on conflict The crucial role of the alternative media The pleasures and pitfalls of the celebrity profile This collection will be of particular interest to students and researchers in journalism studies English literature media intelligence studies and international relations

Taking the Square Maria Rovisco,, Jonathan Corpus Ong,2016-06-10 From the Arab uprisings to the indignados movement and the global Occupy sit ins recent protests and civil unrest have sparked new debates about political organisation media representation and the nature of contemporary citizenship But is there anything new about these occupations of public space How are these protests legitimised or undermined by the intense

mediation of streets and squares And how are these different from expressions of dissent in other contexts including those of ethnic minorities in the New Orleans mardi gras and survivors of natural disaster in the Philippines This book challenges the notion of a disappearance of public space by reconsidering the significance of physical space and embodiment in the conduct and consequences of protest events Looking at a range of assemblies sustained and fleeting spectacular and ordinary this volume illuminates how square and street politics and their mediation become vehicles for new ideas of community citizenship and public life *Alternative Media Meets Mainstream Politics* Joshua D. Atkinson, Linda Kenix, 2019-05-20

Alternative Media Meets Mainstream Politics Activist Nation Rising demonstrates the rising role that alternative media play in contemporary mainstream political communication The rise of the modern Internet and social media platforms have allowed for the proliferation of alternative media across society in ways that were not possible twenty years ago Today alternative media have become more intertwined with mainstream media and have become increasingly relevant in mainstream political communication Contributors focus on three primary sites where such media seem to have established growing influence in recent years political parties mainstream political news and the production of participatory media that allow for engagement Scholars of communication political science sociology and media studies will find this collection useful

Journey into Social Activism Joshua D. Atkinson, 2017-02-01 Academic study of social activism and social movements has become increasingly prevalent over the years this is due in large part to the fact that activists have captured public imagination and gained substantial influence in political discourse For instance Occupy Wall Street activists Tea Party activists and activists affiliated with the Arab Spring have transformed political debates and have become the focus of mainstream news media coverage about a variety of different political topics *Journey into Social Activism* explicates the philosophical foundations of the study of activism and illustrates four different research sites in which activism can be observed and studied organizations networks events and alternative media The book will introduce students and scholars to important qualitative approaches to the study of social activism within these four research sites which is based entirely on successful research projects that have been conducted and published in recent years Ultimately this book will prove integral to any students and scholars who wish to use qualitative methods for their research endeavors concerning social activism in contemporary society *The Politics of Iranian Cinema* Saeed Zeydabadi-Nejad, 2009-12-04 Iran has undergone considerable social upheaval since the revolution and this has been reflected in its cinema Drawing on first hand interviews and detailed ethnographic research this book explores how cinema is engaged in the dynamics of social change in contemporary Iran The author not only discusses the practices of regulation and reception of films from major award winning directors but also important mainstream filmmakers such as Hatamikia and Tabizi Contributing to ethnographic accounts of Iranian governance in the field of culture the book reveals the complex behind the scenes negotiations between filmmakers and the authorities which constitute a major part of the workings of film censorship The author traces the relationship of

Iranian cinema to recent social political movements in Iran namely reformism and women s movement and shows how international acclaim has been instrumental in filmmakers engagement with matters of political importance in Iran This book will be a valuable tool for courses on film and media studies and will provide a significant insight into Iranian cultural politics for students of cultural studies and anthropology Middle Eastern and Iranian studies **The Lebanon Uprising of 2019**
