## **Radically Unchurched Who They Are And How To Reach Them:**

Radically Unchurched Alvin L. Reid, This book is an alarming look at today's church and how it must reverse its failure to reach an unchurched culture Alvin L Reid examines the causes behind the change from America's Christian identity and the resulting failure of the American church to understand and utilize the New Testament pattern of penetrating an indifferent culture with the gospel

*Evangelism Handbook* Alvin Reid, 2009 A thoroughly updated overview of how evangelism should happen detailing the work of the Great Commission in four key categories biblical spiritual intentional missional

*Raising the Bar* Alvin L. Reid, 2002 Two thirds of today's teens are interested in having a meaningful relationship with God yet less than one third of them are active in a local church These statistics indicate that it is time to change how the church does youth ministry and this compelling book provides an impassioned plea for the church to set higher standards for ministry to teens and their families

**THE EVANGELISM HANDBOOK** Edward D. Andrews, 2017-01-07

**Education Is Discipleship: So Who's Really Discipling Your Kids?** Dr. Christy Anderson, 2016-06-05 This book demonstrates how and why biblical discipleship has been abandoned by a significant majority of Christian parents and church leaders A catastrophic failure to fulfill the Great Commission to make disciples who can effectively pass on the Good News sound doctrine and a biblical worldview to future generations is the result The adoption of secular philosophies of education age segregation the creation of adolescence the formation of youth ministry the adoption of a teen subculture and a fundamental rejection of practical aspects of the doctrine of sola Scriptura are at the heart of the problem Warnings from Christians who wrote on this topic over the past 150 years have now become a manifest reality with devastating results The only way to overcome this discipleship cataclysm is to go back to a biblical philosophy of education both in the home and in the church

*The Complete Evangelism Guidebook* Scott Dawson, 2008-06 This comprehensive resource includes contributions from well known evangelists such as Rick Warren Josh McDowell and Luis Palau on everything a person needs to know about sharing his or her faith

*Join the Movement* Alvin L. Reid, Many of history's greatest movements of spiritual renewal have been based in radical Christian obedience And while generally overlooked the truth is that many of history's great awakenings started with young adults Written by youth expert Alvin Reid Join the Movement is an invitation and a challenge to young adults to wholeheartedly commit to seeing God change the world through them

**THE FUNDAMENTALS OF THE CHRISTIAN FAITH** Edward D. Andrews, Reuben Archer Torrey, 2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just

wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God s Word Herein **THE FUNDAMENTALS OF THE CHRISTIAN FAITH** puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies *BIBLICAL CRITICISM* Edward D. Marks of a Movement Winfield Bevins, 2019-09-10 Marks of a Movement calls us back to the disciple making mandate of the church through the timeless wisdom of John Wesley and the Methodist movement With a love for history and a passion for today's church Winfield helps us reimagine church multiplication in a way that focuses on making and multiplying disciples for the twenty first century Winfield Bevins reminds us of the vital multiplication lessons from the Wesleyan movement one of the greatest missional movements the world has ever known He highlights the necessity of discipleship as the starting point and the abiding strategic practice that is key to all lasting missional impact in and through movements The Methodist movement is an example of the power of multiplying movements that utilize the strategy of discipleship Within a generation one in thirty people who were living in Britain had become Methodists and the movement soon became a worldwide phenomenon We in the Western Church need a movement of historic proportions once again What would such a multiplication movement look like for us today We must look to the past to gain wisdom for the future And as we look at the pages of church history there is no better example of a multiplication movement in the West than the Methodist movement of the eighteenth and nineteenth centuries Marks of a Movement highlights the lessons and key insights that enable us to learn from the past and reapply this timeless biblical wisdom for today

The Merging of Theology and Spirituality Larry S. McDonald, 2006-07-29 While acknowledging the inherent tension between evangelicals

who emphasize theological propositions and those who emphasize personal experience Alister McGrath believes that spirituality represents the interface between ideas and life between Christian theology and human existence The book explores the centrality of McGrath's theology in the development of his views on spirituality McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation Through detailed examination of McGrath's previous work and the writing of other evangelicals *The Merging of Theology and Spirituality* offers an overview of a unique thinker's contributions and a guide for future theological and spiritual exploration **Satan and His Kingdom** Dennis McCallum, 2009-06-01 This highly readable and useful examination of Satan and spiritual warfare was written out of necessity In recent years pastor and teacher Dennis McCallum found himself fielding more and more questions about Satan He wanted to recommend a book on the subject but those he found either reflected extreme beliefs contained little biblical instruction used fear tactics or were poorly written In *Satan and His Kingdom* McCallum clarifies what is true and what is false about Satan demons and demonic control both historically and today He shows readers how to effectively battle the enemy individually and corporately all the while keeping their focus on Christ not Satan A reliable resource for pastors lay leaders and any Christian wanting to know more about evil in the world *The Reality of Christianity: Being a Christian-Believer* Lida, 2019-04-17 What The What Is Going On At Church Have you ever been in a room and everyone is smiling but you're not You feel as though something is missing and wrong Today people are esteeming culture tradition and ethnicity above the Church with lukewarm standards and dismissal of any Scripture that requires humility meekness and change in character and behavior The Church is missing accountability for Righteous living You know there is confusion when people try to make Christianity synonymous with other religions People are trying to merge Christianity with other ideologies and beliefs in order to substantiate lifestyle choices root comes from the pit of Hell Christianity is unique and set apart from all other faiths and religions Christianity has the GODhead a personal Saviour Jesus Christ fully GOD and fully human the indwelling power of the Holy Spirit inside of Christian Believers and GOD the Father who is the mastermind over all things living and non living The GODhead is all power all present and all knowing As Christian Believers we must come out of complacency to be an example of Jesus Christ to the world because people are lost They need to know about the path of Christianity to the GODhead Christianity is the way to bring order to all of this chaos and show the right path to everlasting life I pray that this book will bring you to the Cross and strengthen your walk in Christianity Motivate yourself to put Faith N Motion and begin to show What The What you are doing by Faith because without Faith it is impossible to please GOD This book is written by Faith *Scholarship on Fire* Beau K.
