Rads A True Story Of The End Of The Sixties:

New Left, New Right, and the Legacy of the Sixties Paul Lyons,1996 Lyons concludes that despite all of the progress initiated by the political momentum of the Sixties we as Americans are still plagued by debates about issues like multiculturalism Afrocentrism and affirmative action and in order to effectively address these issues today we must acknowledge and accept the contributions made by both movements

Days of Rage Bryan Burrough,2016-04-05 The Weathermen The Symbionese Liberation Army The FALN The Black Liberation Army The names seem quaint now but there was a stretch of time in America when there was on average more than one significant terrorist act in the U S every week The FBI combated these groups and others as nodes in a single revolutionary underground dedicated to the violent overthrow of the American government Thus began a decade long battle between the FBI and these homegrown terrorists compellingly and thrillingly documented in *Days of Rage* *Annual Report of the American Historical Association* American Historical Association,

A G-Man's Journal Oliver Revell,Dwight Williams,1999 From 1964 to 1994 Revell directed or participated in virtually every major FBI investigation including the JFK assassination Watergate the Iran hostage crisis and Gulf War antiterrorist operations Now he discloses why after Hoover s death in 1972 he and other reform minded agents moved to modernize the FBI and how he championed special FBI units such as Behavioral Sciences and Hostage Rescue He also divulges his role as the senior FBI representative to the National Security Council and his direction of all international operations including tracking the kidnappers and killers of hostages in Beirut international mafias weapons smuggling and French and Japanese industrial espionage More importantly Revell proposes drastic reforms for improving the current system of law enforcement and justice and bluntly analyzes what went wrong at incidents like the Branch Davidian tragedy in Waco and the World Trade Center and Oklahoma City bombings
