Rage Of Innocents:

A Rage of Innocents Kay Mitchell, 1996-06 **American Awakening** Joshua Mitchell, 2022-12-13 America has always been committed to the idea that citizens can work together to build a common world Today three afflictions keep us from pursuing that noble ideal The first and most obvious affliction is identity politics which seeks to transform America by turning politics into a religious venue of sacrificial offering For now the sacrificial scapegoat is the white heterosexual man After he is humiliated and purged who will be the object of cathartic rage White women Black men Identity politics is the anti egalitarian spiritual eugenics of our age It demands that pure and innocent groups ascend and the stained transgressor groups be purged The second affliction is that citizens oscillate back and forth in bipolar fashion at one moment feeling invincible on their social media platforms and the next feeling impotent to face the everyday problems of life without the guidance of experts and global managers Third Americans are afflicted by a disease that cannot quite be named characterized by an addictive hope that they can find cheap shortcuts that bypass the difficult labors of everyday life Instead of real friendship we seek social media friends Instead of meals at home we order fast food Instead of real shopping we shop online Instead of counting on our families and neighbors to address our problems we look to the state to take care of us In its many forms this disease promises release from our labors yet impoverishes us all **American Awakening** chronicles all of these problems yet gives us hope for the future **Unsung Heroes of Jharkhand Movement** Anuj Kumar Sinha, 2021-01-01 The separate state of Jharkhand was a dream of all A layout had been made of how it would be How did this come about Who made the sacrifices Where were the people tortured How many lost their lives The reason for this book to be written was to document the sacrifices of these people who created Jharkhand It is a tribute to keep alive their memory and contribution The book deals with stories of these unsung heroes in six sections The first highlights the tragedy of those killed by the police Also those who were caught in cross firing The second section comprises stories of revolutionaries who became victims of the mafia and thugs The third section throws light on the role played by the non tribal revolutionaries In the fourth section the stories are dedicated to the role of women in the Jharkhand Movement The fifth section discusses about the Role of All Jharkhand Student Union AJSU The sixth section brings forth the plight of those who died due to lack of treatment of natural causes or in accidents They however played a major role in the Movement It also mentions those who are living and carrying on the good work *American Puritan Imagination* Sacvan Bercovitch, 1974-06-28 Over the last two decades a major revaluation has been taking place of the colonial Puritan imagination With the growth of interest in early American literature has come increasing recognition of its quality and a better understanding of its place in the continuity of American culture However much of the best critical work to date has been published as articles in scholarly journals and in bringing together for the first time the best work in this growing field the present anthology fills a number of important needs It is at once a valuable and accessible introduction for students a summing up of a new enterprise and a guide for further studies The
