*Insights on the Book of Daniel* Alan B.

Stringfellow, 2020-12-01 For more than four decades the Bible studies taught by Dr Alan B Stringfellow 1922 1993 brought greater insight into God's Word to thousands of believers Now the author of *Through the Bible in One Year* and *Great Characters of the Bible* leads readers on a verse by verse study of the book of Daniel Stringfellow's in depth teaching will bring clarity and understanding to one of the most misunderstood books in Scripture With this study readers will learn How to identify the major themes How to memorize key verses How to recognize God's central message An overview of various interpretations of the book's imagery The role Daniel's prophecies play in the entire biblical story By embarking on this journey believers will discover the influence that the book of Daniel had on the life and literature of the Jewish people throughout the biblical period and all the way to the writers of the New Testament including Jesus Christ Himself who often quoted from it But nowhere is that influence seen as thoroughly as in the writings of the apostle John and parallels that exist with the book of Revelation As in John's prophetic work the book of Daniel describes in beautiful and marvelous language the glorious coming of our Lord Jesus Christ Like John Daniel was sure and certain about the final triumph of the kingdom of God

**Commentary on the Sutra of Infinite Meanings**(無量義經) 釋尊, 2021-08-01

Teachings and Commentary on the Sutra of Infinite Meanings is compiled from the teachings expounded during the seven day Buddhist retreats in 1972 and 1973

Master Cheng Yen explained the sutra word by word verse by verse and complemented it with many analogies and real life stories connecting matters to principles The book is organized as follows The first volume includes the Preface which describes the background of the teachings and Master Cheng Yen's karmic affinity with the Sutra of Infinite Meanings as well as her commentary on the first chapter of the sutra Chapter on Virtues The second volume includes the commentary on

the second and third chapters of the sutra Chapter on Expounding the Dharma and Chapter on the Ten Merits As for the last passage in the Chapter on the Ten Merits At this time Great Magnificent Bodhisattva Mahasattva and the eighty thousand bodhisattva mahasattvas then rose from their seats to At this time all in the assembly rejoiced They paid their respects to the Buddha and accepted and upheld the teachings as they departed the audio tape of Master Cheng Yen s teaching on this section has been lost Therefore only the sutra passages have been kept without any additions The Storm-god in the Ancient Near East Alberto Ravinell Whitney Green,2003 Green traces these motifs through the Mesopotamian Anatolian Syrian and Levantine regions he argues that in the end Yahweh of the Bible can be identified as a storm god though certain unique characteristics came to be associated with him he was the creator of all that is created and the self existing god who needs no other BOOK JACKET The Works of the English Poets, from Chaucer to Cowper Alexander Chalmers,1810
