reference work for this important popular form of music that flourished from the 1890s through the 1920s and was one of the key predecessors of jazz. It collects for the first time entries on all the important composers and performers and descriptions of their works, a complete listing of all known published ragtime compositions, even those self-published and known only in single copies, and a complete discography from the cylinder era to today. It also represents the culmination of a lifetime's research for its author, considered to be the foremost scholar of ragtime and early twentieth-century popular music. Rare photographs accompany most entries taken from the original sheet newspapers and other archival sources. **Ragtime for the Rockies** Karl A. Lamb, 2012-10. This tragic love story unfolds in and around the town of Platteville, Colorado, in 1925 and 1926. In the Roaring Twenties, young women challenge their elders by dancing to jazz music, wearing abbreviated clothing, and drinking prohibited alcohol. Some men express their opposition in church. Others join the Klux Klan, which expands into the Northern States, promising violent resistance to social change. OWEN MATTISON comes to Platteville High School as athletics coach and science teacher, including Vocational Agriculture. Owen's bride, RUBY, a Home Economics graduate, is an accomplished pianist and jazz fan whose clothes and bobbed hair show the triumph of flapper fashion. We meet Owen and Ruby married for six weeks, sharing a picnic on the LYDELL farm overlooking the river. Inspired by natural beauty, Owen sings a favorite hymn, and Ruby harmonizes. Returning to their tiny rented home, Owen receives a telephone call from ARTHUR STARK, a School Board member. Stark's son later says Stark dislikes the twentieth century and wants to hold it back. Stark changes a meeting date with Owen to attend a luncheon where he joins the Ku Klux Klan with OLIVER SCOTT, the Platteville barber. Both men participate in the next Klan raid on a dancehall. Eager to teach moral values, the School Board votes to require readings of the King James Bible as part of classroom opening ceremonies. This distresses Catholic parents whose children will be required to hear a proscribed text. FREDERICK KOBLLENZ, owner of the Platteville Mercantile store, organizes a protest student walkout. FRANCIS FRAIER KOBLLENZ, Frederick's son, leads the walkout from Owen's classroom. The School Board soon writes to all parents, requiring all students to remain for the Bible readings. **Krino**, 1986. Talking Verse, 1993. *The Poetics of Noise from Dada to Punk* John Melillo, 2020-09-03. By reinterpreting 20th-century poetry as a listening to and writing through noise, *The Poetics of Noise from Dada to Punk* constructs a literary history of noise through poetic sound and performance. This book traces how poets figure noise in the disfiguration of poetic voice. Materializing in the threshold between the heard and the unheard, noise emerges in the differentiation and otherness of sound. It arises in the folding of an outside into the inside of poetic performance, both on and off the page. Through a series of case studies ranging from verse by ear witnesses to the First World War Dadaist provocations, jazz, modernist song, and poetry, early New York City punk rock, contemporary sound poetry, and noise music, *The Poetics of Noise from Dada to Punk* describes productive failures of communication that theorize listening against the grain of sound's sense. **Prizewinning Literature** Anne Strachan, 1989. *At the End of the Broken Bridge* István Turczi, 2005.
