Railhead Thunder:

Railhead Thunder Edgar Garrett, 1964 Rail-head Gilbert Waterhouse, 1916 Van Horne's Road Omer Lavallée, 2007
William Cornelius Van Horne and the building of the Canadian Pacific Railway For armchair railroaders historians students anyone fascinated by Canadian history Van Horne's Road is a pictorial history of the railroad that forged a nation Widely hailed as one of the most informative and important histories of the construction and first years of operation of the Canadian Pacific Transcontinental Railway this vibrant new edition of Van Horne's Road has been reformatted and redesigned for a new generation of readers as a permanent tribute to the people responsible for the building of what has been called Canada's National Highway Containing more than 450 photographs illustrations and historic documents supplemented by 40 maps and diagrams designed by the author the book presents a coast to coast recreation of what indisputably stands as one of the most important and historic undertakings in the history of this nation The Ways of War Tom Kettle, 1918 *Interstate Commerce Commission Reports* United States. Interstate Commerce Commission, 1977 The Credit Monthly, 1927

Interstate Commerce Commission Reports, 1965-11 *The Ways of War: Idealism, Hope and Truth* Tom Kettle, Mary Sheehy Kettle, 2021-04-01 The Ways of War is Kettle's autobiographical work which is based on the letters he was sending from the battlefield to his wife Mary Kettle was one of the most brilliant figures both in the Young Ireland and Young Europe of his time Tom Kettle an Irish economist journalist barrister writer war poet soldier and Home Rule politician joined the Irish Volunteers in 1913 With the outbreak of World War I in 1914 Tom was enlisted for service in the British Army with which he was killed in action on the Western Front in the Autumn of 1916 The opening chapters of the book reveal him as a Nationalist concerned about the liberty not only of Ireland but of every nation small and great After the chapters describing the inevitable sympathy of an Irishman with Serbia and Belgium little nations attacked by two Imperial bullies comes an account of the tragic scenes Kettle himself witnessed in Belgium where he served as a war correspondent in the early days of the war The book closes with Trade or Honour an appeal to the Allies to preserve high and disinterested motives in ending the war as in beginning it and to turn a deaf ear to those political hucksters to whom gain means more than freedom Thus The Ways of War is a book not only of patriotism but of international idealism Above all it is a passionate human document the apologia pro vita sua of a soldier who died for freedom *Southern Idaho Ghost Towns* Wayne C. Sparling, 1974 Distributed by the University of Nebraska Press for Caxton Press When mineral riches were found in southern Idaho boomtowns arose across this rugged land When the mining activity ceased these towns were quickly abandoned yet they still stand a testimony to the vagaries of life in the frontier in pursuit of gold and silver **Thunder and White Lightning** Grace Hawthorne, 2018-06-05 The Scots Irish who settled in the North Georgia mountains were as Margaret Mitchell would say people with gumption In Thunder and White Lightning readers meet two families and a host of real life characters who face the world head on with a quirky sense of humor and a hankering for adventure They find that red clay is

only good for two things corn which they turn into moonshine to support their families and pay their taxes and dirt tracks which are perfect for racing hopped up whiskey cars stock cars and eventually for NASCAR The characters real and fictional are independent patriotic fractious funny and unpredictable but they are never boring They outrun revenueurs go to jail build new stills laugh and fall in love fight in WWII learn that prosperity isn't always easy bet their future on a second hand Plymouth and finally take the checkered flag with red dust flying In other words it's the Downton Abbey of North Georgia

Department of Printed Books, 1968 **A Collection of Columns** Rick T. Rae, 2022-11-02 Book contains columns and observations published in various newspapers managed by Rick Rae during the course of his half century career in the business Book Review by Alice Queen of

rockdalenewtoncitizen.com Rick Rae loves his family and loves his cars That much is clear from a reading of his second book A Collection of Columns a series of personal and observational essays the native of Canada whose newspaper management career spanned some 45 years has curated from a life well lived I've been writing columns here and there mostly internet stuff and a couple of folks noted that I've been writing them a long time and they're right I think I started back in 1974 said Rae 84 from his home in Loganville where he lives with Penny his wife of 62 years Several people suggested I package the best of them and put them in book form So I went ahead and did it Many of the pieces in Rae's new book detail his automotive obsession he bought the first of his 75 cars when he was 14 years old and a number of vacations taken by his family But the former publisher of the Rockdale Citizen Newton Citizen and Gwinnett Daily Post also delves into a host of other subjects including some inside baseball insights on the newspaper industry his thoughts on music and other significant and not so significant life moments Published by Indiana based AuthorHouse A Collection of Columns is Rae's follow up to his 2011 memoir Not Extinct Yet in which he details his many decades in newspapers Rae said he worried that the subject matter of some of the columns might seem a bit antiquated but he moved ahead with the project Unfortunately I've been at this so long that some of the columns are rather dated he said I love writing about personal experiences and the more I can get down on paper the better I'll like it although I'm getting kind of old I guess for personal experiences Two chapters particularly amusing to Rae were written in recent years for a Canadian publication for which he once worked One concerns teaming up with a co-worker who was a successful pool shark and the other involved meeting a young singer who became one of country music's most beloved stars I wrote two recollection columns for a former employer in Canada they were about getting in a pool tournament and making more money than I had selling newspaper ads and also my meeting with Harold Jenkins who would later change his name to Conway Twitty he said I love to do that kind of stuff I've got a few of those in my background The book's final chapter was a column published in the Rockdale Citizen which by then had a companion paper in Newton County and the Gwinnett Daily Post on June 28 2006 the day he retired When asked if he had plans for any more books Rae said he's got something on the back burner that he might want to release One of my buddies in Canada who I grew up with is an author and makes a lot of money ghostwriting for Canadian politicians it seems like everybody in Canada wants to have a book out he said He suggested that I combine my love of cars and my love of music and do some kind of book about cars and songs I've been thinking that might be a way to go It's been in the back of my mind One story that may well wind up in another book takes place during the time Rae managed a newspaper in the suburbs of Detroit and saw an up and coming performer that left an impression that remains today I've never written about my times with Bob Seger when I worked in Pontiac Mich he said When I worked there every Friday we'd go across the road to a bowling alley that had a lounge and the guy playing there was Bob Seger We'd listen to him until they shut the bar down at 2 in the morning the whole newspaper used to come over and hear him perform

Dream Pierre Berton, 2011-06-22 In 1871 a tiny nation just four years old its population well below the 4 million mark determined that it would build the world's longest railroad across empty country much of it unexplored This decision bold to the point of recklessness was to change the lives of every man woman and child in Canada and alter the shape of the nation Using primary sources diaries letters unpublished manuscripts public documents and newspapers Pierre Berton has reconstructed the incredible decade of the 1870s when Canadians of every stripe contractors politicians financiers surveyors workingmen journalists and entrepreneurs fought for the railway or against it The National Dream is above all else the story of people It is the story of George McMullen the brash young promoter who tried to blackmail the Prime Minister of Marcus Smith the crusty surveyor so suspicious of authority he thought the Governor General was speculating in railway lands of Sanford Fleming the great engineer who invented Standard Time but who couldn't make up his mind about the best route for the railway All these figures and dozens more including the political leaders of the era come to life with all their human ambitions and failings *Canada 2012* Wayne C. Thompson, 2012-08-10 This is an annually updated presentation of Canada past and present It is broken down into sections dealing with Canada's culture geography people history from New France to the constitutional debates in the late 20th century political system including the constitution monarchy executive parliament legal and court system federalism and the provinces provincial governments parties and elections defense economy future and bibliography *Jymmy's Space Cowboy* James Earle, 2021-12-02 The far flung imperial frontier is no place for greenhorns Two Toes the renegade Tigerillian war chief is off the reservation and slaughtering human settlers west of the Bloody Muddy Only a half grown boy with a heart full of vengeance and bottled lightning in both hands stands between the outlaw war chief and the rest of the western frontier But there are secrets about young Lightning Ryan Taylor that span the known universe Secrets that have long been kept from young Ryan and that are about to catch up with him whether he is ready for them or not Dogged by a native prophecy from the day of his birth and the hardness of his frontier home world Ryan must stop the renegade still the wildfire of racial war and reunite with the mother whom he thought long dead Beware the line where science crosses back into magic Symons's Monthly Meteorological Magazine ,1920
