**A Guide to Salat (Prayer) in Islam** Muhammad Abdul Karim Saqib, 2015-04-13 There are many books dealing with the Subject of Salat in both Arabic and Urdu Many of these books are well written and provide an informative and comprehensive view of how Salat should be performed according to the teachings of Prophet Muhammad S W S Unfortunately there are very few books in English which deal with the subject in the same informative and comprehensive way Because of these weaknesses in existing literature in English we felt that the need existed to produce a medium sized book on Salat which would approach the subject according to the teachings of the Prophet Muhammad S W S The Prophet himself said Pray as you have seen me praying During our research we sometimes found that differences occurred between established practices in various prayer books In these circumstances we referred to authentic hadiths of the Prophet Muhammad S W S so that the

points could be clarified as much as possible This was because for a true Muslim there is no greater proof for settling arguments than authentic hadiths and practices of Prophet Muhammad S W S We hope that Allah will accept this humble attempt because without His support and help we would never have been able to do this work Finally we ask all our Muslim brothers and sisters to study the text and to strive to pray according to it As you ll not aware that many sites are asking for money in I have made this book free to all countries and in return I m asking for you to remember me in your prayer It was also mentioned by Dr Zakir Naik in one of his speech that the best book to recommend is this book watch in video [http://www.youtube.com/watch?v=L\\_xTrig2XEE](http://www.youtube.com/watch?v=L_xTrig2XEE) Thanks to all for downloading and making better use of this book It gives immense pleasure to announce that A Guide to Salat Prayer in Islam is downloaded in most of country Presenting name of top 3 countries where this book is downloaded the most SG Singapore 5755 US United States 2112 GB United Kingdom 1026 Thanks to All Remember me and an author in your prayers *Library of Congress Subject Headings* Library of Congress. Dicks,2012 In this book Ian Dicks informs the reader about the ways in which the Yawo of Malawi view the world The Yawo are predominantly Muslim yet many maintain strong links with their traditional religion They are a largely oral society teaching and reinforcing their beliefs and practices using oral literature which includes myths proverbs proverbial stories songs of advice and prayers at various stages of the life cycle particularly during initiation events Ian Dicks describes in detail the Yawo s material world customs beliefs and rituals and juxtaposes these with Yawo oral literature He then examines them under six worldview categories the result being a rich description of the way in which the Yawo see the world This book is not an armchair study but has the feel of being written by an eyewitness by someone who has had first hand experience of the subject and who seeks to describe this in a manner which is sensitive to the Yawo and their culture
