Rain Of Death:

Arrows of Rain Okey Ndibe, 2000 Annotation Both humorous and poignant *Arrows of Rain* dramatises the relationship between an individual and the modern African state **Tears Of Rain - Ethnicity & Hist** Van, 2016-05-06 First published in 1992 This is a book about ethnicity among the Nkoya people in central western Zambia and about the historical background out of which that ethnicity is made It studies in detail the fascinating ways in which ethnicity both creates and feeds upon ethno history At the same time it assesses the possibility of reconstructing objective historical processes in that region since the sixteenth century on the basis primarily of one very extensive source Rev Johasaphat Malasha Shimunika s Likota Iya Bankoya whose production as a compilation and processing of local oral traditions is intimately related to contemporary ethnicity But most of all this is a book about that fundamental and humble condition of scholarship reading

E. A. van Beek, 2012-06-05 Walter E A van Beek draws on over four decades of extensive fieldwork to offer an in depth study of the religion of the Kapsiki Higi who live in the Mandara Mountains on the border between North Cameroon and Northeast Nigeria Concentrating on ritual as the core of traditional religion van Beek shows how Kapsiki Higi practices have endured through the long and turbulent history of the region Kapsiki rituals reveal a focus on two fundamental concepts dwelling and belonging Van Beek examines their sacrificial practices through which the Kapsiki show a complex and pervasive connection with the Mandara Mountains as well as the character of their relationships among themselves and with outsiders Van Beek also explores their rituals of belonging rites of passage which take place from birth through initiation and marriage and even death with the tradition of the dancing dead

when a fully decorated corpse on the shoulders of a smith dances with his mourning kinsmen The Dancing Dead is the result of the author's lifelong study of the Kapsiki Higi It gives a unique description of the rituals in an African traditional religion based not upon ancestors but on a completely relational thought system where in the end all rituals are integrated into one major cycle *The Woman in the Rain* Arthur Stringer,1907 *The Day of the Dead* Maurizio de Giovanni,2014-03-05 The fourth Commissario Ricciardi historical mystery following *Everyone in Their Place* is a superb novel for fans of Italian noir Library Journal starred review Commissario Ricciardi has visions He sees and hears the final moments in the lives of those who have suffered violent deaths It may be a talent or it may be a curse but it has helped him become one of the most successful homicide detectives in the Naples police force It's a rainy autumn in 1930s Naples as its inhabitants celebrate the week of the dead Ricciardi's instincts tell him that the death of a street urchin is actually murder but investigating the homicide is not going to be easy The authorities want to avoid any sign that things are not as they ought to be in Naples for they are preparing for the state visit of Benito Mussolini Ricciardi will have to conduct his investigation hidden from the eyes of his superiors What's worse his sixth sense is no help to him this time the scene of the crime is silent still not a word or a sign or even a scream from the dead Has his unwelcome gift finally faded Or is something more sinister at work De Giovanni's slashing wit cuts deeply into his cameo portraits of the high and mighty even as his elegant style ennobles the wretched lives he views with such compassion The New York Times Book Review De Giovanni is a masterful plotter and sub plotter it's a joy to ease into his complete command of his craft These are murder mysteries raised to a brilliant level Open Letters Monthly *The Latter Rain* David Nix,2010-02 My mercy is upon you For in my mercy In my love I am bringing man's rule to an end My Son shall return to establish a kingdom of light a world where innocent children shall prosper and run with laughter This is a quote from one of the messages contained in the Latter Rain Book II This book is full of messages of light from the Almighty God and his Son For they desire man to walk in the fullness of the glorious light of heaven The Latter Rain is a comprehensive guide that can be used in everyday study offering readers Messages of Light unto a World in Darkness These daily insights will help to structure a deep personal walk with the Lord Jesus Every believer whether young or old must seek personal intimacy with God The true light of the world A daily dose of light in this dark world is good For The soul
