Asylum for Sale Siobhán McGuirk,Adrienne Pine,2020-11-01 This explosive new volume brings together a lively cast of academics activists journalists artists and people directly impacted by asylum regimes to explain how current practices of asylum align with the neoliberal moment and to present their transformative visions for alternative systems and processes Through essays artworks photographs infographics and illustrations Asylum for Sale Profit and Protest in the Migration Industry regards the global asylum regime as an industry characterized by profit making activity brokers who facilitate border crossings for a fee contractors and firms that erect walls fences and watchtowers while lobbying governments for bigger security budgets corporations running private detention centers and managing deportations private lawyers charging exorbitant fees expert witnesses and NGO staff establishing careers while placing asylum seekers into new regimes of monitored vulnerability Asylum for Sale challenges readers to move beyond questions of legal moral and humanitarian obligations that dominate popular debates regarding asylum seekers Digging deeper the authors focus on processes and actors often overlooked in mainstream analyses and on the trends increasingly rendering asylum available only to people with financial and cultural capital Probing every aspect of the asylum process from crossings to aftermaths the book provides an in depth exploration of complex international networks policies and norms that impact people seeking asylum around the world In highlighting protest as well as profit Asylum for Sale presents both critical analyses and proposed solutions for resisting and reshaping current and emerging immigration norms **People of the Rainbow** Michael I. Niman,1997 Since 1972 the Rainbow Family of Living Light a loosely organized and anarchistic nomadic community has been holding large gatherings in remote forests to pray for world peace and create a model of a functioning utopian society Michael I Niman s People of the Rainbow originally published in 1997 was the first comprehensive study of this countercultural group and its eclectic philosophy of environmentalism feminism peace activism group sharing libertarianism and consensus government It is a book yet to be superseded This second edition of Niman s compelling and insightful work brings the Rainbow story up to date with a new introduction and two extensive new epilogues While the big annual Rainbow Gatherings have drawn fewer numbers in recent years Niman notes the Rainbow ethos has in many ways migrated to the mainstream as Rainbow notions about alternative medicine and environmental sustainability for example have gathered wider acceptance and influenced the national dialogue Meanwhile Rainbow movements in other regions from Eastern Europe and the Middle East to Asia and Australia are thriving In addition to addressing changes within the Rainbow Family and its complex relationship to Babylon

what Rainbows call mainstream culture the book's new material explores the growing harassment Rainbows now face from U S law enforcement agencies especially those associated with the National Forest Service As Niman contends this particular saga of a U S bureaucracy at war with its own citizens is a subplot in the larger and disturbing story of how the relationship between Americans and their government has changed during the first decade of the twenty first century In its nuanced portrait of an intriguing subculture its successes and its limitations *People of the Rainbow* remains a significant contribution to the study of utopian communities in the United States and their ongoing legacy Michael I Niman is a professor of journalism and media studies in the Communication Department at Buffalo State College in New York

Rainbow's End Maury Klein, 2003-05-01 *Rainbow's End* tells the story of the stock market collapse in a colorful swift moving narrative that blends a vivid portrait of the 1920s with an intensely gripping account of Wall Street's greatest catastrophe The book offers a vibrant picture of a world full of plungers powerful bankers corporate titans millionaire brokers and buoyantly optimistic stock market bulls We meet Sunshine Charley Mitchell head of the National City Bank powerful financiers Jack Morgan and Jacob Schiff Wall Street manipulators such as the legendary Jesse Livermore and the lavish living Billy Durant founder of General Motors As Klein follows the careers of these men he shows us how the financial house of cards gradually grew taller as the irrational exuberance of an earlier age gripped America and convinced us that the market would continue to rise forever Then in October 1929 came a perfect storm like convergence of factors that shook Wall Street to its foundations We relive Black Thursday when police lined Wall Street brokers grew hysterical customers bellowed like lunatics and the ticker tape fell hours behind This compelling history of the Crash the first to follow the market closely for the two years leading up to the disaster illuminates a major turning point in our history

Rainbow Warriors Awake!

Aleia N. O'Reilly, 1995-06 [A Midsummer's Nightmare](#) Garry Kilworth, 2011-09-29 Sherwood Forest home of Oberon Titania Puck Cobweb Peaseblossom and the rest of the mob has been whittled away by urban development It's time to move on the fairies decide Sid their captive a kindly if gruff young car mechanic teaches Titania to drive and on Midsummer's Eve the party sets off in a battered and smelly old bus They're bound for the New Forest where they hope to be able to regenerate their magic The fairies' journey is full of excitement At a village fair they show the morris dancers how to cut previously undreamt of capers Titania falls in love with a human baby and steals her from her pram starting a nationwide search for the missing infant The fairies then link up with a group of New Age travellers on their way to Stonehenge who befriend them almost without question Finally a fight to the death between Titania and the terrifying and sadistic Morgan le

Fey must take place before everyone can settle down into some form of harmony and peace *Rainbow Trap* Kevin Guyan,2025-06-12 *Rainbow Trap* reveals how the fight for LGBTQ equalities in the UK is shaped and constrained by the classifications we encounter every day Looking across six systems the police and the recording of hate crimes dating apps and digital desire outness in the film and television industry borders and LGBTQ asylum seekers health and fitness activities and DEI initiatives in the workplace *Rainbow Trap* documents how inclusive interventions such as new legislation revamped diversity policies and tech fixes have attempted to bring historically marginalized communities out of the shadows Yet as part of the bargain LGBTQ people need to locate themselves in an ever growing list of classifications categories and labels to make sense to the very systems they are seeking to access This requirement to be classified catches LGBTQ communities in a rainbow trap Because when we look beyond the welcoming veneer of inclusive interventions we uncover sorting processes that determine what LGBTQ lives are valued and what queer futures are possible **Native Americans in the Twentieth Century** James Stuart Olson,Raymond Wilson,1984 Written especially for the general reader and for college students *Native Americans in the Twentieth Century* makes available for the first time a concise yet comprehensive survey of Native American history from the 1890s to the present With clarity and balance the volume conveys the complex web of economic political and cultural forces that have characterized relations between Native and non Native Americans for the past century For anyone wanting a better understanding of the crucial issues and events that have led to the contemporary Indian Problem this is the best place to start *Madonna* J. Randy Taraborrelli,2001-09-27 *Madonna* Megastar Lover Mother Opportunist Chameleon Role model She s all of these things and more Yet who is she really In *Madonna An Intimate Biography* author J Randy Taraborrelli s scrupulously researched and completely balanced unauthorized biography of one of the world s most celebrated entertainers the reader is allowed to draw his or her own conclusions Indeed the portrait bestselling author Taraborrelli paints here is of a truly complex woman one who is driven and determined to succeed at any cost yet who displays remarkable vulnerability when it comes to matters of the heart It is significant that *Madonna An Intimate Biography* is the first such book written about the star in over a decade because in the past ten years the ever changing Madonna has gone through her biggest transformation yet from tempestuous sex goddess to happily married mother Amazingly as she launches her first worldwide tour in eight years she is now at forty something enjoying one of the most successful periods of her groundbreaking career Whereas other books about Madonna have been based on previously published material *Madonna An Intimate Biography* is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time including close friends business associates and even family members Since Taraborrelli interviewed the star herself early in her career he is now able to draw from such firsthand experiences to place her success story in perspective and provide new stunning insights The true Madonna as presented here is not merely a sensation seeking tabloid vixen but a flesh and blood woman with human foibles and weaknesses as well as great strengths

and ambitions For the first time the reader learns about the complex nature of her difficult relationship with her father and how the two finally found one another after years of estrangement how Warren Beatty broke her heart and why the two never wed how she and John Kennedy Jr became romantically involved his mother's reaction to the prospect of Madonna as a daughter in law and why it could never have worked out the truth of her relationships with the fathers of her two children and how as a loving and attentive mother she has evolved into a surprisingly different woman and what the future holds for her Madonna An Intimate Biography is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular trendsetting figures of our time Full of amazing disclosures about her private life and public career New York Times bestselling author J Randy Taraborrelli's latest work reveals Madonna in a new and surprisingly inspiring way Not only a feast for fans this book is great entertainment for anyone who enjoys a remarkable story stirring told

Stories from the Law of Attraction Judi Mason, 2018-04-19 Stories can make us laugh they can make us cry and they can inspire and teach us This book includes a collection of real life stories from people of all ages all over the world Their accounts are both funny and inspiring What would you like to create Better health Stronger relationships More wealth and abundance in your life The basic principle of The Law of Attraction is what we focus on we create Here you will find many examples of people manifesting what they wanted including money love jobs friends even a diamond and sometimes what wasn't wanted You know the old saying Be careful what you ask for you just may get it To help you to focus more clearly on what you want there is a section on inspired actions which talks about creating vision boards and books meditation visualization and more I have had many teachers and read numerous books Through all of the teachings one message is the same You are the Creator Read this book enjoy the stories and let yourself be reminded of your own stories and reawaken the belief and the certainty that yes I know this and yes it is possible Sometimes we just need to be reminded of our own power

Desert Dancing Len Wilcox, 2011-04-15 From the book's beginning She calls it desert dancing what we do out there It's a place some of us call home no matter where we live a place you go back to even when you've never been there before Deserts around the world may be different but the feeling is the same the hearts of prophets and devils alike beat stronger there A place you feel eternity Home for the spirit Forbidding to some Bleak and lonely No desert rat can deny these feelings at times That's part of it It's also the primordial challenge of surviving low tech life and death surrounded by a rugged powerful beauty and the wonderful adaptations of Mother Nature to the difficult dry world of the desert Animals that can live their entire lives without a drink of water Seeds that can lay dormant for years then germinate after a desert rainstorm that offers just enough water to bring them to life The more high tech my tools and toys the more I need my desert time my desert dancing Reviews goes beyond being a simple A to B guidebook Desert Dancing reads like the journal of a friend who in a highly readable style shares with you a wonderful trip Excellent research combined with an in person familiarity of the subject at hand makes this a necessary volume for anyone considering a trip into the desert or for the
