The Roller Coaster Rainbow Diana J.A Molyneaux,2014-04-18 Journey on a roller coaster ride with Mother Nature s friendly rainbow Watch as Elijah s rainbow pal comes alive and allows him to enjoy nature and friends from far above Elijah lives far away from everyone but on one rainy day he goes on an exciting journey with his new found pal Depending on the weather from that day onwards the Roller Coaster Rainbow takes him to play as often as he can Elijah never has another lonely day at his house on the steep hill again Rainbows & Roller Coasters Glenn Hass,1995 **Rosezinda** John F. Parker,2003-06-23 Rosezinda Riding Rainbows is a fanciful tale that literally starts out with a bang Within seconds of being struck by a speeding van Cora a plucky outspoken 13 year old is taken on the thrill ride of her young life Arriving in a new reality called E and renamed Rosezinda she encounters a collection of colorful individuals who take her on a series of hair raising adventures This quirky and somewhat edgy story had me hooked from its exciting beginning to the surprise ending I didn t want to put it down until I had read the last word even then I found myself turning the page wanting more The evocative imagery and eccentric characters are worthy of a Spielberg movie especially the wonderful basketball game which is unlike any basketball game the reader could ever imagine Though the story s intended audience is children who I believe will be entranced by it it may be enjoyed on multiple levels by older readers Parents may wish to read Rosezinda Riding Rainbows with their children and discuss some of the provocative questions it brings up I m anxious to read more of Rosezinda s adventures I applaud Parker on his originality and creativity Linda R Thompson Ed D Director of Student Support Services Harding University Arkansas John Parker s book is exciting because it includes the things that are important in life When I grow up I will make a movie out of it if there isn t one by then 12 year old Alex in grade six Vancouver BC Parker has created a wonderful magical world that is totally against the readers perception of reality but which seems entirely plausible Monique Trottier Raincoast Publishers I predict that Rosezinda will become a classic Dr Jennifer Hurd Senior Consultant Houghton Mifflin I can size Rosezinda up in one word BRILLIANT R Rudolph Harmony House Publishers More Praise for Rosezinda inside *Candy Crisis* Cavan Scott,2026-01-01 After agreeing to test out the new Rainbow Roller ride Emily Jacob and Frank find themselves in a land of sugary treats At first everything is wonderfully delicious and they gobble up all the sweets they can find But when an angry mob of talking gummy bears seeks revenge the friends must use their wits to escape a sticky trap Dancing in the Rainbow Stephen Preston,2014-10-23 The pages of this manuscript tell one man s personal story exploring the full range of human emotions that are symbolic of the masks of show business and depicting some classic and wonderful tales involving some legendary ladies from the world of entertainment Through the eyes and heart of Stephen Preston this lead dancer singer and actor makes the reader feel like they were there with Judy Garland at the Palace in New York the Palladium in London the Las Vegas stages with Betty Grable Debbie Reynolds some off the wall hilarious escapades with Tallulah Bankhead and an inside look at the social Me of Garland s

daughter Lisa Minnelli Mr Preston who performed with and became close friends with these major stars gives you a first hand look into the moments of joy laughter success and yes some tears and even failure Written in a light candid and sometimes almost campy kind of style this is the first time a book has come along that does not gossip about their failed marriages sex lives or prey upon their human weaknesses In fact we see a side of these bigger than life performers that in the past little has been written or talked about The reader will come along on train and plane trips be there backstage at Broadway television movie and night club performances They ll sit with the Royal Family at the Palladium in London and will party at the Beverly Hills private homes of Hollywood celebrities And the reader will even witness the final days of Betty Grable s long hard battle with cancer Dancing in the Rainbow is a fascinating account of some of the days of their lives including Stephen Preston s Those days are gone and so are some of the people but the time spent is what can make life on this planet so very interesting and worthwhile Mr Preston is retired from show business but is an active business man and lives in Palm Springs California
