Burning Rainbow Farm Dean Kuipers, 2008-12-01 Visit www.burningrainbowfarm.com On a mission to build a peaceful pot friendly Shangri La Tom Crosslin and his lover Rollie Rohm founded Rainbow Farm a well appointed campground and concert venue tucked away in rural Southwest Michigan The farm quickly became the center of marijuana and environmental activism in Michigan drawing thousands of blue collar libertarians and hippie liberals evangelicals and militiamen to its annual hemp festivals People came from all over the country to support Tom and Rollie s libertarian brand of

patriotism They loved America but didn't like the War on Drugs As Rainbow Farm launched a popular statewide ballot initiative to change marijuana laws local authorities who had scarcely tolerated Rainbow Farm in the past began an all out campaign to shut the place down Finally in May 2001 Tom and Rollie were arrested for growing marijuana Rollie's 11 year old son who grew up on Rainbow Farm was placed in foster care Tom would never see him again Faced with mandatory jail terms and the loss of the farm Tom and Rollie never showed up for their August court date Instead the state's two best known pot advocates burned Rainbow Farm to the ground in protest County officials called the FBI and within five days Tom and Rollie were dead Obscured by the attacks of September 11 their stories will be told here for the first time **Finding the Rainbow** Traci Borum, 2015-03-10 Holly Newbury's life is on hold in the cozy English village of Chilton Crosse While her friends are marrying having children and embarking on successful careers Holly is raising her three younger sisters and working part time at the village art gallery Her life feels incomplete but family is more important to her than anything Then a film crew's arrival galvanizes the community and Holly becomes fast friends with Fletcher Hays the movie's love shy American writer The production of an Emma film isn't the only drama in town though Their father makes a choice that threatens everything she gave up her dreams for Holly's sisters endure growing pains And Fletcher plans to return to America as soon as filming is over ruining any chance of their relationship blossoming further After years of sacrificing for others Holly must find the courage to take a risk on a future she never dared to expect *The Third Rainbow Girl* Emma Copley Eisenberg, 2020-01-21 A NEW YORK TIMES 100 Notable Books of 2020 A stunning complex narrative about the fractured legacy of a decades old double murder in rural West Virginia and the writer determined to put the pieces back together In the early evening of June 25 1980 in Pocahontas County West Virginia two middle class outsiders named Vicki Durian 26 and Nancy Santomero 19 were murdered in an isolated clearing They were hitchhiking to a festival known as the Rainbow Gathering but never arrived For thirteen years no one was prosecuted for the Rainbow Murders though deep suspicion was cast on a succession of local residents in the community depicted as poor dangerous and backward In 1993 a local farmer was convicted only to be released when a known serial killer and diagnosed schizophrenic named Joseph Paul Franklin claimed responsibility As time passed the truth seemed to slip away and the investigation itself inflicted its own traumas turning neighbor against neighbor and confirming the fears of violence outsiders have done to this region for centuries In *The Third Rainbow Girl* Emma Copley Eisenberg uses the Rainbow Murders case as a starting point for a thought provoking tale of an Appalachian community bound by the false stories that have been told about Weaving in experiences from her own years spent living in Pocahontas County she follows the threads of this crime through the complex history of Appalachia revealing how this mysterious murder has loomed over all those affected for generations shaping their fears fates and desires Beautifully written and brutally honest *The Third Rainbow Girl* presents a searing and wide ranging portrait of America divided by gender and class and haunted by its own violence *The Rainbow*, a magazine of Christian
