Raising Cubby John Elder Robison,2013-03-12 The slyly funny sweetly moving memoir of an unconventional dad s relationship with his equally offbeat son complete with fast cars tall tales homemade explosives and a whole lot of fun and trouble John Robison was not your typical dad Diagnosed with Asperger s syndrome at the age of forty he approached fatherhood as a series of logic puzzles and practical jokes Instead of a speech about the birds and the bees he told his son Cubby that he d bought him at the Kid Store and that the salesman had cheated him by promising Cubby would do all chores While other parents played catch with their kids John taught Cubby to drive the family s antique Rolls Royce Still Cubby seemed to be turning out pretty well at least until school authorities decided that he was dumb and stubborn the very same thing John had been told as a child Did Cubby have Asperger s too The answer was unclear One thing was clear though By the time he turned seventeen Cubby had become a brilliant and curious chemist smart enough to make military grade explosives and bring federal agents calling With Cubby facing a felony trial and up to sixty years in prison both father and son were forced to take stock of their lives finally accepting that being on the spectrum is both a challenge and a unique gift

Red Mercury M.W. Fletcher,2016-05-25 What is Red Mercury and does it exist Up until now it has been looked at as mythical pure fusion bomb which the Russians may well have developed However should it truly exist and should it fall into the wrong hands it has the potential to cause destruction on an enormous scale A secret Russian weapons research facility has sent a clandestine cargo on a flight out of the USSR to London and then on a British Airways flight to New York The plane never makes it to the USA as it catches fire and goes down in the Atlantic with all lives lost Suspicions are raised about some of its cargo and MI5 hire an American salvage company to retrieve it However once on American soil it mysteriously disappears In several weeks time the Russian President will come to Washington to sign the SALT 1 agreement with the American President There are people from within both countries that do not want this to happen and they have devised a devastating plan the consequences that may well start WW3 The US President and the Russian Prime Minister both contact the British Prime Minister asking for her help in the form of Max Storm and the OSC working on the premise that they both have traitors amongst their respective communities and to utilise their own people would result in failure to stop the impending catastrophe The OSC arrive covertly on US soil in an attempt to avert WW3 On top of this a high profile IRA terrorist s escapes custody and begins a reign of terror in London Max Storm and the OSC are the UK s first and last line of offence
