Bolner, Gayle A. Poirier, 2004 **Unrevolutionary Mexico** Paul Gillingham, 2021-01-01 An essential history of how the Mexican Revolution gave way to a unique one party state In this book Paul Gillingham addresses how the Mexican Revolution 1910 1940 gave way to a capitalist dictatorship of exceptional resilience where a single party ruled for seventy one years Yet while soldiers seized power across the rest of Latin America in Mexico it was civilians who formed governments moving punctiliously in and out of office through uninterrupted elections Drawing on two decades of archival research Gillingham uses the political and social evolution of the states of Guerrero and Veracruz as starting points to explore this unique authoritarian state that thrived not despite but because of its contradictions Mexico during the pivotal decades of the mid twentieth century is revealed as a place where soldiers prevented military rule a single party lost its own rigged elections corruption fostered legitimacy violence was despised but decisive and a potentially suffocating propaganda coexisted with a critical press and a disbelieving public **Travel Resources** Stephen Walker, 2009-08-28 Written for the traveler who needs information beyond what is provided in a general guidebook Travel Resources An Annotated Guide introduces the reader to comprehensive and specialized travel literature and resources In this book author Stephen Walker offers practical and accessible direction for anyone seeking detailed and valuable information on travel while also instructing readers in ways to find information that may not be included in this guide Organized by topic each topic begins with information that is useful to new travelers so that anyone can begin with any topic without any previous knowledge of it However the book also goes further so as to provide information useful to the seasoned traveler The wide variety of topics related to travel provide many new and possibly overlooked opportunities even for veteran travelers and the works included have been selected because of the depth with which each treats its subject matter in order to ensure that each resource is of the quality that today s traveler demands **2004 Midsize Road Atlas** Rand McNally, 2003-08 Features include Individual maps of all 50 states
