Realism And Hope

Angela Wilkinson, Betty Sue Flowers

Realism And Hope:

The Realist Hope Christopher J. Insole, 2016-02-24 Taking into consideration analytical continental historical post modern and contemporary thinkers Insole provides a powerful defence of a realist construal of religious discourse Insole argues that anti realism tends towards absolutism and hubris Where truth is exhausted by our beliefs about truth there is no conceptual space for doubting those beliefs only a conception of truth as absolute given and accessible can guarantee the very humility sense of fallibility and sensitivity to difference that the anti realist rightly values Cutting through some of the tired and well rehearsed debates in this area Insole provides a fresh perspective on approaches influenced by Wittgenstein Kant and apophatic theology The defence of realism offered is unusual in being both analytically precise and theologically sensitive with a view to some of the wider and less well explored cultural ethical and political implications of the debate

Realistic Hope Angela Wilkinson, Betty Sue Flowers, 2025-10-01 We are running out of water robots will take our jobs we are eating ourselves to an early death old age pension and health systems are bankrupting governments and an immigration crisis is unravelling the European integration project A growing number of nightmares perfect storms and global catastrophes create fear of the future One response is technocratic optimism we ll invent our way out of these impending crises Or we ll simply ignore them as politically too hot to handle too uncomfortable for experts denied until crisis hits History is littered with late lessons from early warnings Cynicism is an excuse for inaction Populism flourishes in the depths of despair Despite the gloom there is another way to look at the future We don t have to be pessimistic or optimistic we can find realistic hope This book is written by an international and influential collection of future shapers It is aimed at anyone who is interested in learning to refresh the present forge new common ground and redesign the future *Children of Hope*
