Reality Of The Cross Of Christ:

The Cross of Reality H. Gaylon Barker, 2015-09-01 The Cross of Reality investigates Bonhoeffer's interpretation and use of Luther's theology in shaping his Christology. In this essay H. Gaylon Barker uses the theology of the cross as a key to understanding the characteristic elements that make up Bonhoeffer's theology; he also shows how Bonhoeffer's conversation with his teachers and contemporaries Karl Holl and Karl Barth in particular develops Bonhoeffer's thought. What was indeed radical and revolutionary but it was so precisely because of its adherence to the classical traditions of the church, especially Luther's *theologia crucis*.

God Suffers for Us J.Y. Lee, 2012-12-06 Dietrich Bonhoeffer, writing in his cell in a Nazi prison, expressed a most remarkable idea: Men go to God in His need. This is the insight he observed which distinguishes the Christian faith from all other religions. It is a universal belief that God or the gods should come to help man in his mortal human need. But this is not the God and Father of Jesus Christ. Even as Jesus in Gethsemane chided his disciples for their sloth in not keeping watch with him during his agony, so God the Father must look to His creatures for their faith and sympathy. Therein lies the basis for the Christian answer to mankind's perennial complaint: Why do men suffer? Not all theologians believing Christians or believers in a personal God can share this idea. Traditionally the Eastern Orthodox thinkers have adhered to the rule of apophatic theology: that there are boundaries of knowledge about God which the human mind, even when enlightened by revelation, cannot cross. So who can say that God the Eternal One is susceptible to what we call suffering? It is better to hold one's silence on so deep a mystery. Still others are loathe to acknowledge God's passibility for varying reasons. God is ultimate and perfect; therefore he cannot know suffering or other emotions. God is impersonal; therefore it is meaningless to ascribe personal anthropopathic feelings to Him. Many angels may fear to tread on the ground of this most difficult question.

The Cross of Christ William H. Wetmore, 2015-06-10 The most momentous time in all of recorded history was when Jesus Christ, the Son of God, came into the world to proclaim the kingdom of God. Because He challenged the Jewish and Roman authorities with the Truth of God, He was arrested, condemned to death, nailed to the cross, died for the sins of the world, and rose from the grave. Therefore God has highly exalted Him. Christ fulfilled the reason for which the Father had sent Him into the world. On the cross, our sins were exchanged for Christ's righteousness. On the cross was Christ, the Righteousness of God, standing before the cross were we sinners in need of redemption. He died as the evidence of the love of God. The result of the cross is that we have been redeemed and reconciled to our Father and Creator. We have peace with God; we have become the children of God. He who knew no sin became sin for us. The Righteous for the unrighteous, the Sinless for the sinner. Therefore the cross of Christ symbolizes the glory of the Christian gospel. I Cor 1:17 the fact that through this cruel and inhuman death the debt of sin was nailed to the cross. Col 2:14 and we, having been crucified with Christ. Gal 2:20 have been freed from sin and death and made alive in God. Rom 6:6-11 The cross is the symbol of Christ's love, God's power to save, and our faith in Him who died for us.

The Cross of Christ Otto Zöckler, 1877 **Treasured Writings** H. Th. Lilipaly, Andre C. Aki, 2010-04-14 For

centuries Biblical scholars have attempted to prove statements of the Christian religion yet today there are still no definite answers in Christianity that provide us with confirmation of the true existence of the Trinity Treasured Writings shares a unique introduction to God the Father and Jesus Christ who H Th Lilipaly says he received at the foot of the Cross of Golgotha Calvary to confirm the absolute answer to the question Where might we find a degree of certainty and be inspired by the principles of a high standard of Christian thinking As Lilipaly explores questions about Christian Trinity the Father Son and Holy Spirit as well as God s word he also offers insight into how he came to an understanding as to why being a Christian and having Christian consciousness is entirely different than what Christ expects of us Throughout the ages Christian philosophers and theologians have tried to present to us the truth of the Trinity through formulas doctrines research and contemplations of the Bible without ever presenting an intrinsic truth Treasured Writings opens the door to the acceptance of principles that focus on the reality of God in the light of the Cross of Christ **Emmanuel Levinas'**

Conceptual Affinities with Liberation Theology Alain Mayama,2010 Emmanuel Levinas Conceptual Affinities with Liberation Theology analyzes Levinas work in relation to two important liberation theologians Gustavo Guti rrez and Jon Sobrino whose scholarship like his needs to be brought into greater contemporary debate about the subject s encounter with the other More specifically this book argues that for Levinas Guti rrez and Sobrino commitment to the neighbor is the necessary context for understanding God They posit the human other as the possibility of the subject s subjectivity To be human is to act with love toward one s neighbor Thus the author articulates the possibility of reading Levinas philosophy as a revalidation of one of the truths of Christianity the concern for the humanity of every human person as expressed in Christian theology in general and liberation theology in particular In order to show the relevance of Levinas philosophy for Christian theology in general the author discusses three Christian scholars Enrique Dussel Jean Luc Marion and Michael Purcell Although they challenge some aspects of Levinas philosophy they nevertheless see its significance for Christian theological anthropology The discussion concludes by proposing Levinas philosophy and liberation theology s turn to the neighbor as significant for addressing contemporary socio political and ethnic conflicts in sub Saharan Africa **The Truth About**

Jesus And The Story Of The Cross ,Cynthia,2019-08-27 This book gives a clear understanding of the cross and all that happened to the Lord Jesus Many misconceptions have risen about the true depth of the sufferings of Christ but the Spirit of God in his clear revelation through the use of the scriptures opened our eyes to the cross revealing all that truly happened to Jesus the Anointed One It was during these different steps of revelations that a clear understanding of the sufferings of Christ began to be revealed to us providing a different understanding about the sacrifice on the cross and the depth of the sufferings of Christ **The Power of the Cross** Ann Marie Alman,2014-11-18 The Power of the Cross reveals in a most simple yet compelling way the plan purpose and potential of Christs life and sacrifice as it relates to all believers Jesus died for much more than your sins Christ died for your physical and spiritual healing deliverance from bondage prosperity and

eternal security This book takes you on a journey through the Scriptures to show you all of the blessings and glorious inheritance you have in Christ and how it is all available to you by grace through faith in Jesus Christ The Cross Douglas Vickers, 2010-04-02 A question has challenged the human conscience for two thousand years How are we to explain the presence of Jesus Christ in this world Or who indeed was Jesus Christ A man like the rest of men Or was he a divine Person Why was it that well practiced soldiers who failed to fulfill their commission to arrest him said Never man spoke like this man The early church confirmed the apostles declaration that Jesus Christ was the eternal Son of God and that he came into the world to fulfill a messianic redemptive assignment Christ Jesus the apostle to the Gentiles explained came into the world to save sinners In The Cross Its Meaning and Message in a Postmodern World Douglas Vickers sees the cross as the watershed of history The divine objectives that the cross addressed bear vitally on the human condition vitiated as that is by the entailment of sin In an age in which postmodernist claims have rejected absolute criteria of truth and validity the Christ of the cross provides the only refuge for those burdened by the search for meaning The Cross explores the way of reconciliation between God and man It affirms the apostolic claim that In Christ are hid all the treasures of wisdom and knowledge **Get to the End** Michael Hickey, 2016-03-07 Get to the End is written about the end times i e the end of the world and history as we know it But it is written from a Catholic perspective There are many books on the market that speak to the end times however they are all written from a Protestant perspective and for the most part they are written by Christians from conservative churches who are generally Fundamentalist Christians There are virtually no books written about the end times from a Catholic perspective The few that have been written with a Catholic perspective of the end times have been written for the most part by Catholic priests and they are generally weighed down heavily in doctrine and dogma This will be one of the first on the subject written by a Catholic layman who has a broader perspective than Catholic Doctrine and Dogma and who views himself as uniquely in the world but not of the world *The Collected Works of Witness Lee, 1953, volume 1* Witness Lee, Brother Witness Lee traveled to Manila Philippines on December 10 1952 and stayed there until June 30 1953 During this time he released messages that compose the first six chapters of The Bridge and Channel of God which appears in volume 1 of this set A collection of his personal notes written in January is included in volume 1 of this set On June 1 through 14 he conducted a training on service in the mornings with brothers who attended from the Philippines as well as from other Southeast Asian countries The main subject of these meetings was on the conditions for God to use man and on the knowledge needed for those who serve the Lord In the evenings he spoke to the whole church on God s need for man and the life of service After this he conducted meetings in Baguio Philippines for three days beginning on June 15 with two meetings every day The subject of these meetings was on the life and living of the Lord s serving ones and the revelation and way for service These messages were originally published in The Ministry of the Word Issue Nos 27 and 28 and are included in volume 1 of this set under the title The Ministry of the Word Miscellaneous Messages 1953 After returning from Manila on

Roger Greene,2023-07-12 The legacy of Paul looms large in all Christian theology The New Testament and the Christian world itself would be a very different place apart from the impact of the apostle Paul The work Theology of Paul the Apostle is presented in two parts Attention is given in each volume to the foreground matrix of the place of Paul within historical Christian interpretation Part One Paul s Eschatological Gospel addresses matters relevant for Paul s appreciation of the gospel of God in the establishment of the eschatological community in Christ Part Two Cross and Atonement addresses the more specific and particular issues within Paul s gospel that have been a storm center within theological discussion The present writer finds Paul to be one who embraces the gospel of God in Christ the resurrection being the turning point of the ages that calls for a cruciform imperative of Christian identity and living in an eschatological age of fulfillment Paul s theology and cross imperative has continuing relevance within the very different matrix of a postmodern world **Truth and Reality** Douglas Dales,2021-01-28 This is a thorough study and exposition of the last work for which St Bonaventure was responsible before his death in 1274 The Collations on the Hexaemeron also called The Illuminations of the Church comprises lectures that he gave in Paris in 1273 to Franciscan and other students and masters in the university there They were recorded by two independent witnesses and one version the definitive one was prepared for publication and approved by Bonaventure This is one of the most interesting original and important texts of medieval theology and it has been well translated and edited in a new edition The purpose of this study is to examine the precise context for the approach that Bonaventure took to place this work as the culmination of his spiritual theology and to provide the reader with a lucid epitome of the contents of the text drawing out their significance for theology and prayer in the life of the Church today **The Cross of Christ** Andrew Murray,2017-03-03 These powerful words pierce straight to the heart of our deepest spiritual need What does it mean to embrace to live by and to daily bear the cross of Jesus Christ Why does God ask His children to bear this cross As our modern world shifts and shakes a generation of earnest believers is coming face to face with a deeper reality of our call to bear the cross of Jesus Christ Murray meets us where we are with gentleness and passion calming our quaking fears and guiding us into the mystery of the shadow of the cross **The Nonviolent Coming of God** James W. Douglass,2006-04-01 In this his most eloquent and far reaching book James Douglass explores the haunting parallels between the situation of Jesus and our situation today Jesus who lived in anticipation of the impending destruction

of Jerusalem by the Romans and suffered from this vision called urgently for a radical conversion to avert the tragedy. The choice then as now was between nonviolence and nonexistence. This choice is even more stark in the nuclear age. Whether describing the visions of Gandhi, Martin Luther King Jr., Archbishop Romero or the witness of his own community against the White Train carrying warheads across the country, Douglass can discern the signs of a second coming, a nonviolent coming of God. The possibility for a different future depends on a different kind of humanity renewed and transformed by the nonviolent cross of Christ.

The Theology of The Cross Daniel M. Deutschlander, 2008-01-01. What did Jesus mean when he said "Take up your cross and follow me"? The Bible teaches that Jesus Christ is the true center of our salvation. Through a deep and powerfully written examination of Scripture, author Daniel Deutschlander demonstrates that without Jesus' sacrifice on the cross, we would be lost. However, because of Jesus' death and resurrection, we now have the promise of eternal life in heaven with him. That changes everything for us. The Theology of the Cross will also remind you that since Jesus first loved you, it is now your joy to take up your own cross daily and follow him. What does that look like for you? This book answers that questions and points you to our Savior's cross, which empowers you to live each day for him. Here's what people are saying about this book: "The theology of the cross is a matter of urgent practical concern for every Christian. Beginning with the words of Jesus commanding us to deny ourselves and take up our cross and follow him, Professor Deutschlander shows how the path of self-denial, repentance, difficulty, and struggle is the only place where the gospel reveals its true glory and bears its fruit in our lives." Professor Joel D. Fredrich, Martin Luther College, New Ulm, Minnesota. This book warns us of Satan's efforts to turn us from Christ to ourselves. It comforts us with the assurance that the cross of Christ leads to heavenly glory.

Professor James F. Korthals, Wisconsin Lutheran Seminary, Mequon, Wisconsin. *Bonhoeffer's Theology of the Cross* J.I. de Keijzer, 2019-10-14. Back cover. Engaging Bonhoeffer's dialogues with Barth and Heidegger in *Act and Being*, J.I. de Keijzer shows how Bonhoeffer, both in his critical assessment of Barth's dialectic and his appropriation of Heidegger's ontology, articulates a contemporary *theologia crucis* that proves to be deeply influenced by Luther.
