Realizing Human Rights Samantha Power, Graham Allison, 2000-09-30 At the dawn of a new era this book brings together leading activists policy makers and critics to reflect upon fifty years of attempts to improve respect for human rights Authors include President Jimmy Carter who helped inject human rights concerns into US policy Wei Jingsheng who struggled to do so in China Louis Henkin the modern father of international law and Richard Goldstone the former chief prosecutor for the Yugoslav and Rwandan war crimes tribunals A half century since the adoption of the Universal Declaration of Human Rights the time is right to assess how policies and actions effect the realization of human rights and to point to new directions and challenges that lie ahead A must have for everyone in the human rights community and the broader foreign policy community as well as the reader who is increasingly aware of the visibility of human rights concerns on the public stage

Realizing Human Rights NA NA, 2016-09-27 At the dawn of a new era this book brings together leading activists policy makers and critics to reflect upon fifty years of attempts to improve respect for human rights Authors include President Jimmy Carter who helped inject human rights concerns into US policy Wei Jingsheng who struggled to do so in China Louis Henkin the modern father of international law and Richard Goldstone the former chief prosecutor for the Yugoslav and Rwandan war crimes tribunals A half century since the adoption of the Universal Declaration of Human Rights the time is right to assess how policies and actions effect the realization of human rights and to point to new directions and challenges that lie ahead A must have for everyone in the human rights community and the broader foreign policy community as well as the reader who is increasingly aware of the visibility of human rights concerns on the public stage *Inventing the Potential of Rhetorical Culture* Erik Doxtader, 2009-01-01 Examines Thomas Farrell s provocative defense of rhetoric and argues for the contemporary importance of rhetorical theory and practice Provided by publisher Global Governance, Human Rights and International Law

Human Rights and International Law Errol P. Mendes, 2014-02-05 This book offers a stimulating introduction to the links between areas of global governance human rights global economy and international law By drawing on a range of diverse subject areas Errol P Mendes argues that the foundations of global governance human rights and international law are undermined by a conflict or tragic flaw where insistence on absolute conceptions of state sovereignty are pitted against universally accepted principles of justice and human rights resulting in destructive self interest for both the state and the global community The book explores how human rights and international law are applied in some of the critical institutions of global governance and in the operations of the global private sector and how States institutions and global civil society struggle to fight this tragic flaw The book is brought up to date by considering developments in the role of the IMF the World Bank bilateral investment treaties the likely failure of the Doha round of WTO negotiations the legacy of the 2008 financial crisis and the role of the International Criminal Court and the evolving Responsibility to Protect doctrine in international peace and security crises in the Middle East Central and West Africa among other regions of the world With its intensely

interdisciplinary approach this book motivates new thinking in the realm of global governance and international law and promotes the development of new strategies for negotiating between conflicting leadership and organisational values within global institutions The book will be of great interest and use to students and researchers of public international law international relations and political science business and human rights global governance and international trade and economic law

Navigating the Tension Between Sovereignty and Self-Determination in Postcolonial Africa Philip C. Aka, 2024-01-16 This book addresses the unique challenges faced by Africa regarding peaceful self determination Unlike other regions Africa has seen limited success in nonviolent self determination campaigns Since 1989 only three African nations Namibia Eritrea and South Sudan have joined the UN after enduring prolonged and violent struggles for independence In a world characterized by constant change border alterations typically require armed conflicts in postcolonial Africa In response to this disconcerting trend the book offers pragmatic blueprints for achieving peace emphasizing constitutional approaches to navigate the delicate balance between sovereignty and self determination The work delves into the complexities of five self determination struggles spanning three African countries providing valuable insights into the challenges faced It distils six critical lessons from these case studies and presents fourteen blueprint proposals tailored to address the unique dynamics of postcolonial Africa where reconciling sovereignty and self determination remains a pressing concern

Philosophical Dimensions of Human Rights Claudio Corradetti, 2011-10-29 This book presents a unique collection of the most relevant perspectives in contemporary human rights philosophy Different intellectual traditions are brought together to explore some of the core postmodern issues challenging standard justifications Widely accessible also to non experts contributions aim at opening new perspectives on the state of the art of the philosophy of human rights This makes this book particularly suitable to human rights experts as well as master and doctoral students Further while conceived in a uniform and homogeneous way the book is internally organized around three central themes an introduction to theories of rights and their relation to values a set of contributions presenting some of the most influential contemporary strategies and finally a number of articles evaluating those empirical challenges springing from the implementation of human rights This specific set up of the book provides readers with a stimulating presentation of a growing and interconnecting number of problems that post natural law theories face today While most of the contributions are new and specifically conceived for the present occasion the volume includes also some recently published influential essays on rights democracy and their political implementation

Human Rights in Nigeria's External Relations in the Age of General Muhammadu Buhari and His Successors Philip C. Aka, 2024-07-17 Under the Fourth Republic since 1999 the challenge Nigerian leaders face like never before is how to create a state that matches the expectations of their diverse peoples at home and abroad Taking this proposition as starting point this book advances proposals for a human right policy referred to alternately in the work as principled foreign policy for Nigeria under the Fourth Republic taking advantage of the inestimable opportunity

afforded by General Muhammadu Buhari's departure from the political scene on May 29 2023 after the famine domestically and externally wrought by his two terms of office as President It is a broad ranging argument draped in the less arcane constitutional vocabulary and material of human rights for thoroughgoing reforms at home and abroad as the only antidote to the nation building dilemmas Nigeria confronts in the first quarter of the twenty first century Buhari's departure marks the end of military teleguidance of Nigerian politics under the Fourth Republic in the camouflage of democratic rule a birthmark of remote control dating back to the first military intervention in the country in January 1966 These momentous events within Nigeria coincide with equally epoch making developments in the UK Nigeria's former colonial overlord with ripple effects in Nigeria signified by the death of Queen Elizabeth II after seven decades on the throne and the emergence of Prince Charles as King of England A new monarch in Britain adds to the opportunity that falls open for the reconfiguration of Nigeria's external relations with ramifications for the application of human rights in those relations Despite its known disabilities Nigeria has the potential infrastructure including its sizable population to conduct a human right policy if its leaders rationalize the country's resources more wisely
