Reappearance Of The Christ:

The Reappearance of the Christ Alice Bailey, Djwhal Khul, 2012-03-13 Many religions today expect the coming of an Avatar or Saviour The second coming of the Christ as the world Teacher for the age of Aquarius is presented in this book as an imminent event a continuity of divine revelation throughout the ages The Christ belongs to all mankind and can be known and understood as the same great Identity in all the world religions **The Reappearance of the Christ** Alice Anne LaTrobe-Bateman Bailey, 1981 *The Reappearance of the Christ* Alice Bailey, 1948 In every age I come back to deliver the holy to destroy the sin of the sinner to establish righteousness So runs the well known passage in the Bhagavad Gita translation by Prabhavananda and Isherwood giving works to an eternal hope in the human heart In this book the reappearance of the Christ is recognised as inevitable within the continuity of divine revelation Not only has God never left Himself without witness but at definite periods in the history of human evolution the word of God the projected potency of His vital life has manifested in form in order to establish the principles to be demonstrated during the coming cycle There have been many such messengers over the ages manifesting through one or another of the great world religions or followed by a new form of religion based on the new revelation Divine revelation and the periodic appearance of messengers or Avatars occur however according to cosmic law when certain conditions exist within the whole scheme affected by and affecting every part large and small Then a chain of events is set in motion which under law must eventually work out functioning system of inter relationships seems to be of vital importance at this time The esoteric and planetary significances of the reappearance of the Christ are suggested in this book as underlying causes for His Aquarian service to humanity This is the beginning and end of an age the beginning of Aquarius and the end of Pisces marking also a major turning point in the evolution of human consciousness from individual need to the needs of humanity as a whole from personal salvation to world service and from materiality to spirituality It seems that this climaxing transition must be marked in both its stages beginning and end by the Christ Himself and a principle anchored in human consciousness which embodies not only the love of God established for the age of Pisces but also the new potency for the future the Will of God into which only the Christ is as yet fully and perfectly absorbed The imminence of the reappearance of the Christ is sensed and expected by many belonging as He does to all humanity irrespective of differing religious dogma and doctrine of His appearance and the area of His work in a way which creates no divisions or separations between men either religious social or ideological Not only does He come as the first Son of God but as Head of the spiritual Hierarchy the inner government of the planet He is therefore a great world executive representing the Kingdom of God and fulfilling a definite function in the world of men He is coming to establish through precept and example in world service the principles on which a united interdependent and interactive world may create its new material systems and spiritual institutions for the new civilisation Preparation for the second coming is the responsibility of humanity it is for those who know and accept the imminent return of the Christ to prepare men s minds and

hearts to recognise and receive Him and to create those conditions of balance and spiritual alignment which will ultimately draw Him forth into our midst no matter what principle or energy He may anchor on Earth for human use He is not coming to save humanity from the results of its own sins but once more to show humanity how to save itself in the new conditions and new opportunities with which the world is faced The reappearance of the Christ Alice Anne Bailey,1984 **The Reappearance of the Christ** Alice Bailey,1970 *The Reappearance of the Christ* Alice Anne Bailey (Theosophin),1948
The Reappearance of the Christ and the Masters of Wisdom Benjamin Creme,1979 **The Reappearance of Christ in the Etheric** Rudolf Steiner,2022-03-01 Since the coming of Gautama Buddha Eastern mystics have spoken especially about a future condition when earth will be bathed in a moral etheric atmosphere Ever since the time of the ancient rishis they had hoped that this moral impulse would come to earth from Vishva Karman or from Ahura Mazda as Zarathustra proclaimed Eastern mysticism foresaw that this moral atmosphere would come to earth from the being we call the Christ Eastern mystics had set their hopes on the being of Christ Rudolf Steiner p 125 The first chapter of the Acts of the Apostles describes Christ s Ascension and a cloud received him out of their sight As the disciples were looking up two angels appeared and said the same Jesus taken up from you into heaven shall come again in the same way as you have seen him go Starting in 1910 Rudolf Steiner initiated a series of lectures announcing the advent of Christ s appearance in the sphere of the earth s etheric or life body This he said would begin between 1930 and 1940 but at first only a few people would be aware of it In time more and more people regardless of their religious affiliation would be infused by Christ s living presence Such Damascus experiences bespeaking a new natural clairvoyance Steiner said would become increasingly common The Christ will become a living comforter Though it may seem strange now it is nevertheless true that even large numbers of people sitting together and wondering what to do will see the etheric Christ He will be there and confer with them he will cast his word into their gathering We are approaching these times when this positive constructive element will take hold of human evolution Rudolf Steiner p 122 The lectures collected here on the second coming of Christ also contain significant related issues such as spiritual science and etheric vision the etheric vision of the future the Sermon on the Mount and the land of Shambhala the etherization of the blood the mysteries of comets and the moon Buddhism and Pauline Christianity and the three realms between death and rebirth Preparation for the Reappearance of the Christ World Goodwill,19?? *The Reappearance of the Christ* Alice Bailey,1999 The Compass of Light Volume 1 Starling David Hunter, 3rd,2006-04-10 *In the Name of Purpose* Tamara Hartzell,2007-01-23 **The Encyclopedic Sourcebook of New Age Religions** James R. Lewis,2004-08-30 In the late 1980s the New Age movement became the focus of both media attention and widespread ridicule as some of the more outlandish aspects of the movement such as channeling and the use of crystals for healing briefly piqued the public s curiosity While the movement was at its height scholars of religion generally sneered at what was perceived to be a daffy shallow craze and ignored it as a subject of serious study Professor James R Lewis was among the

first to examine this growing religious phenomenon scientifically In previous books he has investigated the New Age as the most visible manifestation of a significant spiritual subculture the roots of which reach back to Theosophy Spiritualism and New Thought The present collection pursues this theme bringing together some of the best recent scholarship on new religions Since the height of its popular influence the New Age has declined in strength but has given rise to a plethora of new denominations all shaped by New Age ideas and spirituality Reflecting the emergence of this new denominational structure the core chapters of this book focus on specific groups Other chapters examine the movement's historical roots A unique feature of Dr Lewis's work is his inclusion of extensive selections from New Age literature thus allowing readers to experience firsthand the unusual perspectives of the various groups This is a fascinating examination of a significant and persistent religious and social phenomenon
