

A serene sunset scene over the ocean. The sky is a warm, golden-orange color, transitioning into a darker blue as it meets the horizon. The ocean is filled with gentle waves, their crests catching the low light of the setting sun. In the foreground, dark, silhouetted rocks or a shoreline are visible, with waves breaking against them. The overall mood is peaceful and contemplative.

Reason, Truth and God Renford Bambrough, 1973 **Why Believe?** C. Stephen Evans, 1996 C Sephen Evans has written a pointed and personal book directed to those who want to have faith but whose thinking has been obscured by the static of prevailing philosophies illuminating the attraction and reasonableness of Christianity *50 Reasons Jesus Christ Is God* Charles Jesus Sanferrare, 2017-06-01 50 Reasons Jesus Christ Is God book is based on God s invitation Come let us reason together and offers 50 reasons from the Bible that the reader can use to understand or defend this important and mentally difficult truth Jesus Christ is God Love Your God with All Your Mind J.P. Moreland, 2014-03-14 We know that faith means being sure of what we hope for and certain of what we do not see Hebrews 11:1 NIV Love Your God with All Your Mind explains the importance of using your mind not only to win others to Christ but also to experience personal spiritual growth Author J P Moreland challenges you to use logic and reason to further God s kingdom through evangelism apologetics worship and vocation This revised edition includes expanded appendixes and three new chapters that outline how to reason

for the reality of God and the historicity of Jesus life teachings death and resurrection **The Reason for God** Timothy Keller, 2025-03-12 Traditional Chinese edition of The Reason for God Reason and God John E. Smith, 1967 The Reason God Made the World Jason Dollar, 2013-09 The Reason God Made the World is an intense and accessible view into the mind and heart of Jonathan Edwards 1703 1758 Edwards was one of America s most prolific thinkers and most cherished pastors However his writings are often difficult for modern readers to process In The Reason God Made the World Edwards language has been updated for modern English readers Included are three of Edwards most well known sermons and perhaps his most powerful theological work The End for Which God Created the World Updating the language to modern English allows readers to focus on the content of Edwards message without getting lost in a tangle of archaic sentences and paragraphs Readers will feel the weight of the glory of God on every page and will be moved to see Christ Jesus high and lifted up Worship will most likely be the result of soaking in these updated works *God, Reason, and Theistic Proofs* Stephen T. Davis, 1997 Wisely structured and clearly written God Reason and Theistic Proofs will make an excellent resource for those looking for an introduction to the debate surrounding the existence of God or for those seeking intellectual validation for their faith *The Clarity of God's Existence* Owen Anderson, 2008-07-23 The Clarity of God s Existence examines the need for theistic proofs within historic Christianity and the challenges to these since the Enlightenment Historically and scripturally Christianity has maintained that unbelief is inexcusable If failing to know God is a sin the implication is that humans can and should know God Humans should know God because his eternal power and divine nature are clearly revealed in the things that are made And yet Anderson argues more time is spent on avoiding the need for clarity to establish inexcusability than on actually providing an argument or proof Proofs that rely on Aristotle or Plato and that establish a Prime Mover or designer are thought to be sufficient But the adequacy of these not only to prove the God of theism but also to prove anything at all has been called into question by Enlightenment thinkers like David Hume After considering the traditional proofs and tracing the history of challenges to theistic proofs from Hume to Kant and down to the twentieth century Anderson argues that the standard methods of apologetics have failed to sufficiently respond Classical Apologetics Evidentialism Presuppositionalism Reformed Epistemology and others fail to adequately answer the challenges of the Enlightenment If this is the case what is the outcome for Christianity Anderson offers an explanation as to why traditional proofs have failed and for what is necessary to offer a proof that not only responds to Hume and Kant but also establishes the clarity of God s existence The traditional proofs failed precisely in not aiming at the clarity of God s existence and they failed in this because of a faulty view of the goal of Christian life If the blessed life is to be attained in a direct vision of God in heaven then there is little to no reason to ask for more than the bare minimum required to get into heaven justification Furthermore if the highest blessing is this direct vision then the glory of God revealed in his work is considered as less important and even set aside By way of contrast if God s eternal power and divine nature are clearly revealed in his works

and the blessing comes in knowing God then it is of the utmost importance for Christianity to demonstrate the clarity of God's existence

[The Philosophical Theology of St. Thomas Aquinas](#) Leo Elders, 1990-01-01 The philosophical theology of St Thomas Aquinas is the crowning piece of his metaphysics Leo J Elders studies it against the background of the attempts of the great philosophers of the past to penetrate deeper into the knowledge of God While the Introduction treats the nature of philosophical theology according to Aquinas Chapter One presents a concise history of the idea of God in Western philosophical thinking Chapters Two and Three deal with the question of the cognoscibility of God and the Five Ways of St Thomas New solutions are proposed of some difficulties in the Third and Fourth Ways The attributes of God are studied in the order of the Summa theologiae I Chapter Seven considers the grammar of God language The following chapters examine divine knowledge foreknowledge of future events divine will and providence as well as creation The last chapter deals with the problem of the co existence of God and finite creatures This study shows that the philosophical theology of St Thomas Aquinas is a coherent whole of impressive depth and beauty It has its basis in our daily experience of the world and the general principles of being but its conclusions reach the summits of negative theology

Farley,2015-09-04 There is a rich tradition of wonderful women and other contemplatives who are great resources for thinking differently about Christianity They emphasized divine love human compassion and the radical possibilities of contemplative practices They were not afraid to criticize the church and indeed thought of their challenge as crucial to their faith We do not have to lose faith with the beautiful wisdom of this story of intimate and compassionate love dwelling among us and within us if we do not want to from the acknowledgments and note to readers To those seeking a more open progressive approach to Christian faith the Christian past can sometimes seem like a desert an empty space devoid of encouragement or example Yet in the latter years of the Middle Ages a quiet flowering of a more accessible positive approach to Christian belief took place among a group of female mystics those who emphasized an immediate nonhierarchical experience of the divine In this enlightening volume Wendy Farley eloquently brings the work of three female mystics Marguerite Porete Mechthild of Magdeburg and Julian of Norwich into creative conversation with contemporary Christian life and thought From alternatives to the standard violent understandings of the atonement to new forms of contemplation and prayer these figures offer us relevant insights through a theology centered on God s love and compassion Farley demonstrates how these women can help to refresh and expand our awareness of the depth of divine love that encompasses all creation and dwells in the cavern of every human heart A Fundamental Practical Theology Don S.
