Paul Jones,2016-10-31 Do you ever find yourself drowning in secularization and commercialization being pulled under as Halloween Thanksgiving and Christmas intermingle and fly by in a frantic blur Have you ever wondered if there is any way to reclaim the true meaning of such seasons as Advent and Lent and be helped to live more intentionally and meaningfully the other Christian celebrations Reasons for the Seasons makes that possible in a delightfully engaging manner With humor and rich illustrations this widely read spiritual author draws upon life experiences from childhood in Appalachia to his teaching at Princeton University and into his spiritual pilgrimage intent on uniting his Protestant mind with a Catholic heart Focus is given to the church's central seasons of Advent Christmas Epiphany and Lent Easter Pentecost Lesser known Christian celebrations are engaged such as Candlemas Trinity Sunday and the Feast of the Transfiguration Additionally illumination is provided for exploring such secular holidays as New Year's Mother's Day Memorial Day Independence Day Labor Day and Halloween This book will be informative and engaging not only for personal use but also in enabling families to deepen their celebrative time together

Groups will also find it helpful for study as will churches in giving depth to their liturgical planning

The Essentials of Suicide Prevention Karen Mason, 2023-01-24 Suicide is a growing tragedy in the US and in the church We can stop the climbing numbers of suicide deaths but it is going to take everyone working together including the church Without the church suicidal people may not hear the life affirming messages they need to hear Without an informed church people who have lost loved ones to suicide may leave the church Too often the church watches from the sidelines not knowing what to do Why is it that the wider secular culture is more engaged in suicide prevention than God's people especially given that Christians care deeply about the sanctity of life The apostle Paul modeled suicide prevention for the church when he stopped the suicide of the Philippian jailer But pastors and congregants may not know how to follow his example The result is that people who struggle with suicide or who have lost loved ones to suicide wonder if the Bible or their church have anything relevant to say about suicide This book will provide the resources needed to help prevent suicide in a church even when a church does not want to start one more program
