Glenn Rowe, 2007-05-09 *Cases in Leadership* is a unique collection of 30 real world leadership cases from Ivey Publishing plus fourteen practitioner readings from the Ivey Business Journal This casebook helps business students gain a better understanding of leadership and enables them to be more effective leaders through their careers The selected cases are about complex leadership issues that require the attention of the decision maker in each case Key Features Presents real world cases related to leadership Cases illustrate the complex nature of leadership in organizations from around the world Provides an entire chapter on Strategic Leadership This chapter introduces students to a concise description of leading edge thinking on Strategic Leadership Generates classroom discussion Cases let students grapple with actual decisions that real world managers have faced Offers much more than a packet of cases The author provides summaries of concepts helpful discussion questions and readings for each chapter Accompanied by High Quality Ancillaries Additional instructor material including cases notes preparation questions discussion questions and suggested further readings are available on CD Leadership in Health and Social Care Louise Jones, Clare L. Bennett, 2012-09-01 From reviews I found this book to be an excellent read My favourite part is at the end of each chapter where the authors very kindly give a chapter summary I would say this with learning outcomes for each chapter is the reader s pot of gold and an excellent resource for students The social and political stance of this text is sensitively weaved throughout encouraging the wider thought processes of the reader Images and illustrations provide a welcome and useful change to the traditional academic text and I would recommend the book as an important reference resource for those starting on their leadership journey or for those wanting to update A well informed easy read that I will be recommending to our students to support their studies *The Biomedical Scientist* 2013 70 4 This is an excellent book for anyone who is starting to take an interest in

Leadership within their health or social care role Overall the book is clearly aimed at practitioners and should be a must read for those who wish to understand more about practical leadership and who aspire to more senior positions within their field of practice Lecturer Staffordshire University Faculty of Health Sciences Leadership in Health and Social Care is an accessible text for students and practitioners seeking to develop their leadership skills I commend this book to you as a way in to the leadership world for anyone working in health and social care It treats you like an adult and expects you to take responsibility for your own leadership development We now know that good leadership has a direct relationship with good services and we can certainly no longer afford mediocrity We need leaders to enable the disruptive innovation that will be required to improve the quality of care with less resource to do so From the Foreword by Karen Middleton Chief Health Professions Officer for England Key features Introduces the concept of leadership and its importance in health and social care Discusses the skills and qualities that make for effective leadership Analyses the role of the leader as a catalyst for change Helps readers to explore their own perceptions of leadership through activities and scenarios

The Military and Negotiation Deborah Goodwin,2004-11-23 A new investigation of the role of the modern soldier diplomat and the nature of military negotiation in comparison with negotiation in other key contexts This new book presents a detailed analysis of the role of the military in current operations as negotiators and liaison workers in the field It shows how very few in the academic world are writing on this specific role of the military and the nature of negotiation in this situation and such a volatile context This publication is a first in this context and has a keen audience in light of the current world order This study breaks new ground in analyzing the nature of military negotiation in relation to more generic forms of negotiation and assessing the role of the modern soldier diplomat in recent deployments around the world The author is an academic working within the military environment very few people have the same capacity and accessibility to firsthand evidence and observation Whilst peacekeeping has grown in the last decade or so no one has successfully investigated the role of the military and their approach to non violent conflict resolution on the ground as few have access to such work to make a viable detailed assessment of the nature of negotiation in a violent context but Dr Goodwin is able to do so

Cults, Religion, and Violence David G. Bromley,J. Gordon Melton,2002-05-13 This explores the question of when and why violence by and against new religious cults erupts and whether and how such dramatic conflicts can be foreseen managed and averted The authors leading international experts on religious movements and violent behavior focus on the four major episodes of cult violence during the last decade the tragic conflagration that engulfed the Branch Davidians in Waco Texas the deadly sarin gas attack by the Aum Shinrikyo in Tokyo the murder suicides by the Solar Temple in Switzerland and Canada and the collective suicide by the members of Heaven s Gate They explore the dynamics leading to these dramatic episodes in North America Europe and Asia and offer insights into the general relationship between violence and religious cults in contemporary society The authors conclude that these events usually involve some combination of internal and external

dynamics through which a new religious movement and society become polarized *Exploring Education at Postgraduate Level* Anne O'Grady, Vanessa Cottle, 2015-09-25 There is a growing demand for educational professionals to develop a more critical understanding of the key and emerging debates in education so that they can better meet the challenges and demands placed upon them *Exploring Education at Postgraduate Level* represents a range of perspectives from educational experts to academic researchers and highlights the key issues surrounding contemporary education Organised into three parts and drawing on key issues in education theory policy and practice the book considers areas such as SEN evaluating learning ESOL and gender Featuring reflective questions case studies and summaries of core ideas the chapters include Troublesome learning journey Applying educational thinkers to contemporary educational practice Values production through social and emotional learning Policy research In defence ad hocery We are all critically reflective now The politics of critical reflection in higher education and in the work place Developing critical thought about SEN The refuge of relativism Aimed at supporting students on Masters level courses this accessible but critically provocative text is an essential resource for those wishing to develop a more critical understanding of the role purpose and function of educational systems and practices **1974 Annual Supplement** Joan Schmitz Bergholt, 2013-12-21
