Rebels Passion:

The Rebel Passion Vera Brittain, 2019-07-08 Originally published in 1964 The Rebel Passion endeavours to tell the continuous story in terms of their ideas and personalities and the vital flame that inspired them of a group of very different yet spiritually related Christians who sought to confront a world involved in deeper conflict than any could fully realize with the basic essentials of peace Individual and corporate witness beginning even before 1914 is presented against the dark background of many countries involved directly or indirectly in war and illustrates the international scene dangerous and tragic yet revolutionary and apocalyptic over the tremendous half century through which the older generation had lived and which shaped the lives of their juniors In 1941 the last revised edition was issued of a factual historic record of the work of the I F o R up to twenty years ago The present book aims at a different treatment which instead of mainly summarizing missions conferences and committees seeks to interpret persons and events rather than merely describe them It tries above all to indicate how the philosophy and example of prophetic personalities influenced their various communities in spite of totally different official values and the consistent opposition of establishments to minority opinions based on insight and inspiration It suggests that the thinking of ordinary individuals with distinguished minds without the advantage of conspicuous social labels or the opportunity to stand on political pedestals actually operates as a leaven which changes the thought of a generation The fact that such a result had been achieved within measurable time should have encouraged those who worked on the contemporary scene to create spiritual foundations for the labours of future man and women This book was published to commemorate the fiftieth anniversary of the Fellowship of Reconciliation founded at Cambridge in December 1914 and followed by the International Fellowship in 1919 **Diego Maradona: Passion and Rebellion**

Fabricio Sales Silva, In the vibrant pulse of the crowds in the eternity of a goal in the incendiary passion of a nation lies the spirit of Diego Armando Maradona This work is not just a biography It s an odyssey a journey through time and the heart of a man who was so much more than a footballer He was an artist whose canvas was the green field a conductor whose baton was the ball In these pages you will be taken on an exciting journey one that goes beyond the luminous lawns and the ovations from the stands You will get to know Fiorito s Maradona his humble origins his childhood dreams and how he became the world s icon adored and debated by millions You will witness the ups and downs of his career his moments of glory and the struggles with his addictions This book is a celebration of his genius and an intimate look at his vulnerabilities Diego Maradona Passion and Rebellion is a must read not only for football fans but for all those who are inspired by stories of perseverance passion and humanity Each chapter is a piece in the mosaic of Maradona s life revealing a man who lived intensely fought bravely and left an unforgettable legacy Rebel Leadership Luis Urdaneta, 2023-04-11 A rags to riches story about a young Venezuelan boy who chased his dreams and rose to success founding a near billion dollar company Having grown up poor in Venezuela and without a high school diploma Luis Urdaneta s future did not look big or bright Yet a

rebel since childhood he did not let his circumstances define him and decided he would change his life for the better He received his first taste of success as a direct salesperson for Tupperware where he met mentors who taught him what it took to make it to the top That combined with his belief in himself helped him achieve great success Then at only thirty nine he lost everything when he turned away from direct sales his true passion However he reset his focus returning to direct sales and launching his own direct sales company in Venezuela He soon realized he needed to push for new levels so surrounded with trusted teammates and family he began chasing the American Dream The MONAT brand was introduced to market selling high end beauty products and has since become a near billion dollar company In Rebel Leadership Urdaneta shares the key character traits required to achieve your dreams and goals You ll learn how he developed his rebel leadership style and why he believes that just like him you can become successful by dreaming big Hint it takes a lot of hard work discipline and never giving up You ll be inspired by his rags to riches story and learn what makes a true rebel leader in life and in business As Luis says If you behave like a leader act every day with faith believe in yourself and have a clear true north you will achieve success Talents & Rebels Matteo Rizzi,2019-10-25T00:00:00+02:00 Any business needs Innovators to stay competitive and Rebels to survive That s the thesis of the book written by Matteo Rizzi and based on 20 years of lateral thinking and a rather unusual corporate and entrepreneurship experience With author s background in financial services and using concrete examples of disruptive innovation as one of the biggest opportunities that everyone should be taking into consideration this is an inspirational journey where hopefully misfits get a spot to be heard and everyone gets an opportunity to understand a different innovation perspective Rebel's Passion Andrea Layton,1982 A Passionate Rebel Pamela Wynne,1927 The Rebel Albert Camus,2012-09-19 By one of the most profoundly influential thinkers of our century The Rebel is a classic essay on revolution that resonates as an ardent eloquent and supremely rational voice of conscience for our tumultuous times For Albert Camus the urge to revolt is one of the essential dimensions of human nature manifested in man s timeless Promethean struggle against the conditions of his existence as well as the popular uprisings against established orders throughout history And yet with an eye toward the French Revolution and its regicides and deicides he shows how inevitably the course of revolution leads to tyranny Translated from the French by Anthony Bower The Last Viking Don Hollway,2021-09-02 The Last Viking is a masterful and pulse pounding narrative that transports the reader into the middle of the action Carl Gnam Military Heritage Harald Sigurdsson burst into history as a teenaged youth in a Viking battle from which he escaped with little more than his life and a thirst for vengeance But from these humble origins he became one of Norway s most legendary kings The Last Viking is a fast moving narrative account of the life of King Harald Hardrada as he journeyed across the medieval world from the frozen wastelands of the North to the glittering towers of Byzantium and the passions of the Holy Land until his warrior death on the battlefield in England Combining Norse sagas Byzantine accounts Anglo Saxon chronicles and even King Harald s own verse and prose into a single compelling story Don Hollway vividly

depicts the violence and spectacle of the late Viking era and delves into the dramatic events that brought an end to almost three centuries of Norse conquest and expansion Rebels Leerom Medovoi, 2005-11-23 A cultural history of the political legitimization of youth rebellion during the Cold War era *Rebel Daughters* Sara E. Melzer, Leslie W. Rabine, 1992-05-21 This interdisciplinary collection of essays examines the important and paradoxical relation between women and the French Revolution Although the male leaders of the Revolution depended on the women's active militant participation they denied to women the rights they helped to establish At the same time that women were banned from the political sphere woman was transformed into an allegorical figure which became the very symbol of masculine Liberty and Equality This volume analyzes how the revolutionary process constructed a new gender system at the foundation of modern liberal culture
