dedication, and a new direction can begin anew what you once enjoyed.

22. **Make a plan together.** You must decide how your relationship will proceed from here. Use every opportunity available to you to begin the process of rebuilding. Just like rebuilding a house after a terrible storm destroys it, you must begin at the foundation and work your way up to the concepts that have been damaged in your relationship.
23. **Laugh and have fun with each other.** You need to share a hobby or find an activity that interests both of you and have fun with it. This might be a time to try something new that you both have discussed in the past but never made time to do. Now is the time to make time! Laughter is medicine for the soul. Give your souls a good dose of laughter as often as possible.
24. **Understand that you will rebuild a new relationship.** The rebuilding process is not to recapture the relationship you had. This crisis was caused by whatever was wrong in the old relationship; this is the time for a new direction. Use different approaches and strategies to form a relationship that is much stronger and healthier than the old one was.
25. **Begin to think like a couple thinks.** You want to be an effective team during this rebuilding process so you must begin to think like an efficient team. You can't be selfish nor can you be so independent that you won't give up ideas that an individual would use in problem solving or other situations that might arise. You want to approach everything as a couple so together you can reap double the rewards.
