Recipes For Weight Loss The Johns Hopkins Cookbook Library:

The Automatic Diet Charles Platkin, 2010-04-29 In the book THE AUTOMATIC DIET readers discover how to harness the power of time tested behavior modification techniques and empower themselves to lose weight and keep it off automatically All successful dieters share a common secret to consistently maintain their weight The secret is that they do not have to think about what they are doing Their food choices are instinctual and they already know what to eat when faced with the disastrous dieting situations we all encounter in everyday life Whether it s a cocktail party on an airplane or at an Italian restaurant they know to react and choose wisely THE AUTOMATIC DIET takes you step by step through a process of self analysis as well as powerful techniques based on practical steps that you can put to work immediately This easy accessible process will lead you to an understanding of your own patterns of success and failure in managing your weight Platkin then guides you to understand your own motivations and how you can use this knowledge to overcome self defeating habits with positive behaviors you can sustain for a lifetime THE AUTOMATIC DIET is founded on the principle of automaticity Automaticity is a psychological term used to describe the unconscious way in which we make choices for our daily behaviors Activities like setting an alarm clock at night putting on shoes before you leave the house buckling your seat belt when you get in a car and remembering how to drive to the office these activities do not require much thought we just do them If we consciously thought about each decision that we make we would be exhausted at the end of a day Through automaticity we unconsciously automate some of our routine processes While automaticity has been working against you and your weight loss goals for years THE AUTOMATIC DIET will show you how to redirect your knee jerk impulses so they can work in your favor Library Journal Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E.
