

REPORT.

To His Hon. J. J. Kilgus, Governor of Iowa.

I hereby submit my final Report as Commissioner of the Elliot Asylum Building, at Clinton.

At the date of my Report of Nov. 15th, 1881, the contract for erecting the Asylum Building had been fulfilled, with the exception of building the partition walls in the third story, and this had not been done, owing to the failure of the party who had contracted to furnish the brick to the State, to fulfill his agreement. This contract (with Mr. Sewing for the furnishing of brick, was made by the former Commissioners, and the contractor had, as shown in my former report, been very faithful and trustworthy, and I was unable to get all the brick until in October, 1882, thereby delaying the completion of the building, as it had delayed in erecting the full floors.

As soon as I received notice of the progress of the work making an appropriation to complete the Asylum Building, I notified Messrs. Fletcher & Leachman, the contractors, who commenced work on the 15th of April, and completed the same on the 15th of November following. Although the building was not finally completed until the last of November, it was so far finished as to admit the school in the early part of October. The contractors have completed their work in accordance with the plans and specifications, and within the time required. For a statement of the agreement between the State and myself, between the State and the contractors, and the condition of the completed work, your attention is called to the annexed Exhibits. The notes shown in Exhibit "A" are a part of the original subscription notes, taken by the former Commissioners, to secure to the State the \$25,000 which the citizens were to raise to secure the location at Clinton. I reported them in 1881 as collectible only by process of law. I passed them
