Red Light Dark Road Allen Dekeyser, 2025-07-07 *Red Lights Dark Roads* is a raw and gripping true story that takes you into the heart of trauma survival and unshakable resilience After surviving multiple life threatening encounters being shot in the face by police targeted in road rage shootings and enduring betrayal and silence from loved ones Allen De Keyser shares his journey through darkness PTSD and pain But this is more than just a memoir It s a call to be seen To be heard To be believed With every red light comes a choice freeze in fear or fight for your life Through powerful storytelling emotional honesty and spiritual grounding Allen reveals what it means to keep driving through the dark when healing seems impossible and hope feels far away For anyone who s ever been let down by the system lost in the shadows of trauma or desperate to find peace after chaos *Red Lights Dark Roads* will speak straight to your soul *Destroy All Monsters* Jeff

Jackson, 2018-10-16 A wild roar of a novel Writing about music is tricky Ninety nine percent of the time hearing the actual song or going to the actual concert is far more revealing than any paragraph describing it But Jackson pulls off this near impossible feat pulling the reader past the velvet ropes into the black box theaters and sweaty sticky floored stadiums Marisha Pessl *The New York Times Book Review* An epidemic of violence is sweeping the country musicians are being murdered onstage in the middle of their sets by members of their audience Are these random copycat killings or is something more sinister at work Has music itself become corrupted in a culture where everything is available everybody is a creative and attention spans have dwindled to nothing With its cast of ambitious bands yearning fans and enigmatic killers *Destroy All Monsters* tells a haunted and romantic story of overdue endings and unlikely beginnings that will resonate with anybody who s ever loved rock and roll Like a classic vinyl single *Destroy All Monsters* has two sides which can be read in either order At the heart of Side A *My Dark Ages* is Xenie a young woman who is repulsed by the violence of the epidemic but who still finds herself drawn deeper into the mystery Side B *Kill City* follows an alternate history featuring familiar characters in surprising roles and burrows deeper into the methods and motivations of the murderers At some point I began to think of it as an ancient folk tale It s fine work with a kind of scattered narrative set within a tight frame Fast moving throughout fragile characters who suggest a bleak inner world made in their own collective image Don DeLillo *Destroy All Monsters* has a distinct pulse a kind of heartbeat that comes out of the rhythm of the prose the inventiveness of the form and the willingness of Jeff Jackson to engage the mysterious alchemy of violence performance and authenticity This accomplished uncanny novel is simultaneously seductive and unsettling Dana Spiotta author of *Innocents* and *Others* and *Eat the Document* Surges with new century anxiety and paranoia A clear eyed stone cold vision of what s to come Ben Marcus Jeff Jackson is one of contemporary American fiction s most sterling and gifted new masters *Destroy All Monsters* is a wonder to behold Dennis Cooper *Scouting*, 1977-09 Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals *Scouting* magazine offers editorial content that is a mixture of information instruction and inspiration designed

to strengthen readers abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families
