writing strategies *The Discovery of Islands* J. G. A. Pocock, 2005-09-08 The Discovery of Islands consists of a series of linked essays in British history written by one of the world's leading historians of political thought and published over the past three decades. Its purpose is to present British history as that of several nations interacting with and sometimes seceding from an imperial state. The commentary presents this history as that of an archipelago expanding across oceans to the Antipodes. Both New Zealand history and the author's New Zealand heritage inform this vision, presenting British history as oceanic and global, complementing and occasionally criticising the presentation of that history as European. Professor Pocock's interpretation of British history has been hugely influential in recent years, making *The Discovery of Islands* a resource of immense value for historians of Britain and the world.

Of Great Importance Nachoem M. Wijnberg, 2018 OF GREAT IMPORTANCE is Nachoem Wijnberg's 16th volume of poetry. One of the most prominent living Dutch writers, Wijnberg's poetry is known for its deceptively plain language and his poems, according to the poet himself, can be read well by anyone who can read a newspaper. The poems in OF GREAT IMPORTANCE engage with statecraft, economics, and world history, lyricizing taxes and debts, stocks and flows, citizenship and labor contracts, notaries and accountants, factories and strikes, freedoms and fundamental rights, banks and railroads, property rights and codes of honor, sieges and treaties, gods and generals, how to make money and how to win elections, when to declare war and when to found a new state. Wijnberg's engagement with these and other related topics is based on his belief that economics, politics, and history, and all of the tangled relations therein, no matter how asymmetrical, concern how people live together, and his poetry is a creative form of historiography that attends to tracing the theater of an affective commonwealth in which he builds upon the best work of those thinkers and poets who came before, including Karl Marx, John Maynard Keynes, Heinrich Heine, Czesław Miłosz, and especially C. P. Cavafy. Ultimately, Wijnberg understands that something important that changes the world only happens if there is a lever with a fulcrum you cannot know enough about, and yet his poetry gorgeously illuminates this fulcrum. VAN GROOT BELANG, a substantial part of which has been translated in OF GREAT IMPORTANCE, was shortlisted for the Dutch VSB Poetry Prize. According to the jury report, the book constitutes the pinnacle of Wijnberg's individualistic oeuvre to date and is a painfully consistent and uncomfortably accurate analysis of power, economic and social structures, and mechanisms that are at the root of the corrupted world in which we wake up each morning. In a highly individual poetic jargon so bright that it causes a daze, he demonstrates the logic of the illogical and pares the illogical away from the logical. For his entire body of work, Wijnberg has also received the most prestigious Dutch literary award, the P. C. Hooftprijs, in 2018.

The Sun Also Rises (LARGE PRINT EDITION) Ernest Hemingway, 2022-03-15 LARGE PRINT A value edition of the timeless classic by Ernest Hemingway. For nearly a century, *The Sun Also Rises* has endured as one of Hemingway's masterworks and is widely regarded as a prime example of the great American writer's pioneering style and form. His first major novel explores powerful themes like masculinity and male insecurity, sex and love, and the effects of a brutal war on an aimless generation. This roman clef is based on the real experiences and relationships Hemingway had in the early 1920s. Set predominantly in France and Spain, the novel follows a group of disillusioned, aimless expats tooling around post-war Europe, living hard, drinking heavily, and having complicated, sordid love affairs. The novel is told from the perspective of Jake Barnes, a World War I vet turned journalist living in Paris who is still in love with his former flame, the eccentric and charismatic Lady Brett Ashley. Meanwhile, Jake's friend, author Robert Cohn, becomes tired of his oppressive marriage and sets off to seek out adventure, becoming enamored with Brett herself. They all eventually drift from the glitz and glamour of 1920s Paris to Pamplona, Spain, where they revel in the rawness of bullfights and alcohol-fueled parties, eventually devolving into jealousy and violent drama. This

leads to Jake coming to a stark realization that he can never be with the woman he truly loves **Nomination of Charles H. Dallara, Hollis S. McLoughlin, Roger Bolton, and Kay C. James** United States. Congress. Senate. Committee on Finance, 1989
