Secrets Of The Inner World:

The Five Supreme Secrets of Life Sirshree Sirshree, 2010-12-24 Man goes through the ups and downs of life wondering if his life can ever be problem free prosperous and joyous He ponders if it is actually possible to attain everything wealth joy love and God Why is something or the other always missing in life What is the secret that life holds within its womb This is exactly what this book reveals to you It unveils the five supreme secrets of life that can transform your life First Secret Considering a situation to be a problem is the only problem Every problem contains a solution a gift a ladder a lesson and a challenge Learn the art of solving problems Second Secret Attention on attention is the greatest meditation Attention on the greatest meditation is the way to attain God Learn the art of getting liberated from the past and the future and living in the present Learn the art of self realisation Third Secret You gain out of whatever you give Whatever you take only helps you to sustain Learn the art of attaining wealth love and God Fourth Secret Whatever you get at a given time is exactly what you need at that time Learn the art of changing your perspective on the events occurring in life Fifth Secret You are with your body you are not the body Learn the art of knowing your true self *The Secret Life of Kids* James W. Peterson, 2000-10-29 It all began when James Peterson was a camp counselor and two children watching him meditate described the colors they saw around his form we saw colors coming out of his stomach And the outside was purple then it was blue then it was yellow then reddish and light yellow in the middle Studies indicate that almost seven percent of young children have such psychic experiences For the most part they don't tell anybody about them for fear of being ridiculed But the author believes it would be psychologically healthy for them to relate such occurrences to adults if they feel the need In this book Peterson has put together a charming collection of case histories about such psychic episodes He believes they should be accepted as factual that frequently they emanate from the wisdom of innocence present in youngsters The question of the secret life of kids is examined by Peterson from the point of view of philosophy occultism and child psychology He suggests why and how such experiences manifest and their potential value to the child's growth pattern Ideal Made Real - Secrets to the Law of Attraction Dr. Robert C.
