Blair, Carmel Rooft, Susan Timmins, 2019-12-23 A 2021 SPE Outstanding Book Award Winner Studies of teacher

leadership have proliferated over the past fifty years Earlier work tended to focus exclusively on the link between teacher leadership and school improvement Now however cross cultural research on the relationship between teacher leadership and power agency and school culture has the potential to contribute to a deeper understanding of the teaching profession in diverse geographical and social contexts A Cross Cultural Consideration of Teacher Leaders Narratives of Power Agency and School Culture presents groundbreaking work that expands discussions of teachers work to highlight the struggles of a profession in three different countries England Jamaica and the United States This research provides examples of teacher leaders narratives about power agency and school culture presenting the voices of teacher leaders across diverse contexts It identifies the lessons that transcend culture and speaks to the importance of understanding how teachers work and teacher leadership functions within complex school cultures This work has profound implications for teaching learning and leading in a 21st century global economy Perfect for courses such as Teacher Leadership Educational Leadership and Management Teaching and Teaching Methods Action Research Applied Research The Contemporary Superintendent Lars G. Bjork, Theodore J. Kowalski, 2005-06-28 A strong superintendent is critical to the success of an entire school district and this exciting new resource details the issues surrounding the state policies that appoint superintendents *Teacher Assemblage* P. Taylor Webb, 2009-01-01 Teacher Assemblage is a groundbreaking report in the tradition of fieldwork in philosophy using Michel Foucault s and Gilles Deleuze s ideas to better understand how accountability policy affected teachers The case study examines different vectors of power and demonstrates how teachers interacted with each other and interacted with their immediate policy environments This unique book provides readers with grounded insights into Foucault s and Deleuze s ideas by paying close attention to the macro and micro political worlds of schools as teachers struggle with new forms of performance accountability The book illustrates ideas of power politics and policy with a unique use of surrealist art to illustrate the philosophical ideas at play in the case study The book will have a wide appeal to teachers teacher educators educational researchers policy and curriculum scholars art aficionados and those interested in the thoughts of Michel Foucault and Gilles Deleuze *Understanding Sports Coaching* Tania Cassidy, Paul Potrac, Steven Rynne, 2023-06-06 Every successful sports coach knows that good teaching and social practices are just as important as expertise in sports skills and tactics Now in a fully revised and updated fourth edition and introducing a new author team Understanding Sports Coaching introduces theories and practices while exploring pedagogical social and cultural concepts underpinning good sports coaching practice Broken into four sections Understanding Sports Coaching examines the complex interplay between coach athlete coaching programme and social context and encourages coaches to develop an open and reflective approach to their own coaching practice It covers key aspects of coaching theories and practice including important and emerging topics such as leadership athlete learning emotion in coaching culture as meaning making quality in coaching talent identification and development philosophy and sports coaching Understanding Sports Coaching also includes a full range of practical exercises

and extended case studies designed to encourage coaches to critically reflect upon their own coaching strategies their interpersonal skills and important issues in contemporary sports coaching This is an essential textbook for any degree level course in sports coaching and for any professional coach looking to develop their coaching expertise **Leading Professional Development in Education** Bob Moon, John Butcher, Elizabeth Bird, 2000 This work focuses on the nature of professional learning and the policy context in which educational reform takes place It also explores the forms of leadership relevant to the differing contexts of professional development **Developing Teachers and Developing Schools in Changing**

Contexts Zijian Li, Ling-po Shiu, 2008 More than ever schools are regarded as a learning community in which its leaders and therefore the school's primary agents of change are expected to stay abreast of the latest developments in education and instruction This book provides important insights for improving professional development activities school university partnerships and networks educational management as well as teaching and learning in schools and colleges It builds on research conducted in the 1990s during which the pursuit of school improvement and skill development first converged

Taking Responsibility for Learning and Teaching Chris Turner, 2012-02-23 Although this book draws on theoretical principles and research it is a practical guide to leading the learning in schools Provided by publisher **Improving Opportunities to Engage in Learning** Nalita James, Hugh Busher, 2018-05-20 Improving Opportunities to Engage in Learning investigates the experiences of mature adult learners returning to formal education The book challenges the policy discourses in which Access to Higher Education survives by suggesting that continuing education is more about determination by students to alter their identities and career opportunities than meeting narrow performative criteria of financial targets Chapters explore students' struggles with institutional and social structures in the current political and socio-economic climate before identifying how the transformation of their learner identities is facilitated in the courses by collaborative cultures and supportive tutors The book addresses a research gap in knowledge about students and tutors' experiences of Access to Higher Education courses presenting a broad perspective on the importance and difficulties of such courses through listening to the voices of students and tutors undertaking a variety of Access to HE pathways The authors argue that despite success on their courses benefiting the national economy as well as students individually the social and financial costs of continuing education is almost entirely shifted onto students' shoulders by policymakers Despite the costs students can still see Access to HE as a chance to improve their lives reflecting the neoliberal discourse of personal responsibility and risk embedded in broader national social and policy discourses Improving Opportunities to Engage in Learning will be of great interest to researchers academics and postgraduate students in the fields of further and higher education widening participation social justice and sociology of education and education policy and politics **School Leadership** Stuart C. Smith, Philip K. Piele, 2006-06-08 Emphasizing the school leader's role in student learning this new edition covers the principalship accountability leadership effects distributed leadership political leadership resource
