If you're on an airplane, you're instructed in the event of a loss of cabin pressure to put on your own oxygen mask before helping your child. The reason? If you don't have a supply of oxygen, you won't be able to help anyone else. The same is true for the rest of life: you can't give what you don't have. And as a homeschooling mom, you pour yourself out every day for the sake of your children. Yet how do you fill yourself up? Where do you get your spiritual oxygen? Now you can be filled and restored by the original Bible for homeschool moms with a full year's worth of encouraging daily devotions placed alongside the beloved text of the King James Bible. These heartfelt practical readings, written by Janet Tatman, a former homeschooling mom, cover topics such as finding strength to keep motivated, avoiding burnout, staying focused and committed, navigating the needs of toddlers while educating siblings, managing schedules, delegating tasks and chores, setting boundaries, and most importantly, maintaining proper soul care while juggling educational and household responsibilities. The words of these devotions will breathe life into your soul so that you can successfully run the race.
