Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1976 **Contemporary Media Issues** Emily Erickson, Wm. David Sloan, 2004-02 A collection of research based essays discussing a variety of issues about the mass media in the United States Ugly War, Pretty Package Deborah L. Jaramillo, 2009-09-25 Deborah L Jaramillo investigates cable news presentation of the Iraq War in relation to high concept filmmaking High concept films can be reduced to single sentence summaries and feature pre sold elements they were considered financially safe projects that would sustain consumer interest beyond their initial theatrical run Using high concept as a framework for the analysis of the 2003 coverage of the Iraq War paying close attention to how Fox News and CNN packaged and promoted the U S invasion of Iraq Ugly War Pretty Package offers a new paradigm for understanding how television news reporting shapes our perceptions of events

Medieval Imaginaries in Tourism, Heritage and the Media Jennifer Frost, Warwick Frost, 2021-08-12 This book examines the pervading influence of medieval culture through an exploration of the intersections between tourism heritage and imaginaries of the medieval in the media Drawing on examples from tourist destinations heritage sites fictional literature television and cinema the book illustrates how the medieval period has consistently captured the imagination of audiences and has been reinvented for contemporary tastes Chapters present a range of international examples from nineteenth century Victorian notions of chivalry knights in shining armour exemplified by King Arthur and damsels in distress to the imagining of the Japanese samurai as medieval knights Other topics explored include the changing representations of medieval women the Crusades and the Vikings and the challenges faced by medieval cathedrals to survive economically and socially This book offers multidisciplinary perspectives and will appeal to scholars and students across a variety of disciplines

such as cultural studies history tourism heritage studies historical geography and sociology **Coverscaping** Asbjørn Grønstad, Øyvind Vågnes, 2010 Focusing on the semiotics poetics and rhetoric of album covers *Coverscaping* gives a serious study of this neglected art form Working from the assumption that record sleeves may be found to represent a visual genre in its own right the essays in this book engage in various ways with the analysis of what one might call the pictorial component of recorded music The contributions from scholars in many different fields run the whole gamut from close readings of individual covers to more theoretical or philosophical explorations of the aesthetic nature and artistic value of album covers

Media and the Sexualization of Childhood Barrie Gunter, 2014-04-29 *Media and the Sexualization of Childhood* examines the on going debates surrounding the prominence of sexual themes in children s lives from clothes and accessories toys and games to music entertainment media advertising and new media platforms Parents educators and politicians around the developed world have raised concerns about the effects all these experiences can have on the socialisation and psychological development of children and the extent to which the premature introduction of sexuality into their lives can place them at risk of unwanted attention This book explores these issues using an evidence based approach that draws on research findings from around the world representing the most comprehensive single account of the field The book will be invaluable to students studying topics surrounding children and the media and childhood studies as well as students of communication media cultural studies sociology psychology and health science **Handbook of Package Materials** Stanley Sacharow, 1976
