Paddle to the Amazon Don Starkell, 1992-03-01 A first person account of the longest journey ever made by canoe from Winnipeg south to the Amazon River records the troubles and triumphs faced by a father and son during their 12 180 mile twenty million stroke journey Reprint **Paddle to the Amazon** Don Starkell, 1994-09-03 It was crazy It was unthinkable It was the adventure of a lifetime When Don and Dana Starkell left Winnipeg in a tiny three seater canoe they had no idea of the dangers that lay ahead Two years and 12 180 miles later father and son had each paddled nearly twenty million strokes slept on beaches in jungles and fields dined on tapir shark and heaps of roasted ants They encountered piranhas wild pigs and hungry alligators They were arrested shot at taken for spies and drug smugglers and set upon by pirates They had lived through terrifying hurricanes food poisoning and near starvation And at the same time they had set a record for a thrilling unforgettable voyage of discovery and old fashioned adventure Courageous Exciting and always immediate The New York Times Book Review

Paddle to the Arctic Don Starkell, 2000-03-25 After his astounding 12 000 mile canoe trip from Winnipeg down to the Amazon recounted in his bestseller *Paddle to the Amazon* on page 48 Don Starkell decided to paddle a kayak from Hudson Bay 3 000 miles through the Northwest Passage This is Don s diary of this journey from Churchill Manitoba to Tuktoyaktuk close to Alaska a voyage by kayak paddled on water or dragged on a sled over the ice that took him three Arctic summers and almost cost him his life Through this compelling book we find ourselves sharing his blazing driving determination to reach his goal as he closes in on his destination with his supplies running out and his ocean highway freezing over making death a near certainty Armchair travel at its best

Paddle to the Amazon Don Starkell, 1992 Don Starkell and his two sons Jeff and Dana set out from Winnipeg to paddle to the Amazon River During their two year trip they ate ants encountered pirates and survived hurricanes an incredible adventure story *The Politics of the Canoe* Bruce Erickson, Sarah Wylie Krotz, 2021-03-26 Popularly thought of as a recreational vehicle and one of the key ingredients of an ideal wilderness getaway the canoe is also a political vessel A potent symbol and practice of Indigenous cultures and traditions the canoe has also been adopted to assert conservation ideals feminist empowerment citizenship practices and multicultural goals Documenting many of these various uses this book asserts that the canoe is not merely a matter of leisure

and pleasure it is folded into many facets of our political life Taking a critical stance on the canoe The Politics of the Canoe expands and enlarges the stories that we tell about the canoe s relationship to for example colonialism nationalism environmentalism and resource politics To think about the canoe as a political vessel is to recognize how intertwined canoes are in the public life governance authority social conditions and ideologies of particular cultures nations and states Almost everywhere we turn and any way we look at it the canoe both affects and is affected by complex political and cultural histories Across Canada and the U S canoeing cultures have been born of activism and resistance as much as of adherence to the mythologies of wilderness and nation building The essays in this volume show that canoes can enhance how we engage with and interpret not only our physical environments but also our histories and present day societies
