Paddling To Where I Stand Agnes Alfred Qwiqwasutinuxw Noblewoman:

Paddling to where I Stand Agnes Alfred, 2004 The Kwakwaka wakw people and their culture have been the subject of more anthropological writings than any other ethnic group on the Northwest Coast Until now however no biography had been written by or about a Kwakwaka wakw woman Paddling to Where I Stand presents the memoirs of Agnes Alfred c 1890 1992 a non literate noble Qwiqwasutinuxw woman of the Kwakwaka wakw Nation and one of the last great storytellers among her peers in the classic oral tradition Agnes Alfred documents through myths historical accounts and personal reminiscences the foundations and the enduring pulse of her culture She shows how a First Nations woman managed to quietly fulfil her role as a noble matriarch in her ever changing society thus providing a role model for those who came after her She also contributes significant light and understanding to several traditional practices including prearranged marriages and traditional potlatches Paddling to Where I stand is more than another anthropological interpretation of Kwakwaka wakw culture It is the first hand account by a woman of the greatest period of change she and her people experienced since first contact with Europeans and her memoirs flow from her urgently felt desire to pass on her knowledge to younger generations

Hamat sa offers a critical survey of attempts to record describe and interpret the dance over four centuries Going beyond postcolonial critiques of representation that often ignore Indigenous agency in the ethnographic encounter Writing the Hamat sa focuses on forms of textual mediation and Indigenous response that helped transform the ceremony from a set of specific performances into a generalized cultural icon This meticulous work illuminates how Indigenous people contribute to contest and repurpose texts in the process of fashioning modern identities under settler colonialism **Ollam Anders** Ahlqvist, Fergus Kelly, Patricia Kelly, Kim R. A Great Revolutionary Wave Lara Campbell, 2020-06-15 Suffrage in British Columbia and elsewhere in Canada is best understood as a continuum although white settler women achieved the federal vote in 1917 it would take another thirty years before the provincial government would remove race based restrictions on voting rights British Columbia is often overlooked in the national story of women's suffrage A Great Revolutionary Wave challenges that omission and the portrayal of suffragists as conservative traditional and polite Lara Campbell follows the propaganda campaigns undertaken by suffrage organizations and traces the role of working class women in the fight for political equality She demonstrates the connections between British Columbian and British suffragists and examines how racial exclusion and Indigenous dispossession shaped arguments and tactics for enfranchisement A Great Revolutionary Wave rethinks the complex legacy of suffrage by considering both the successes and limitations of women's historical fight for political equality That legacy remains relevant today as Canadians continue to grapple with the meaning of justice inclusion and equality

Yakuglas' Legacy Ronald W. Hawker, 2017-01-06 Charlie James 1867 1937 was a premier carver and painter from the Kwakwaka'wakw First Nation of British Columbia Also known by his ceremonial name Yakuglas he was a prolific artist and activist during a period of severe oppression for First Nations people in Canada Yakuglas Legacy examines the life of Charlie James During the early part of his career James created works primarily for ritual use within Kwakwaka'wakw society However in the 1920s his art found a broader audience as he produced more miniatures and paintings Through a balanced reading of the historical period and James artistic production Ronald W Hawker argues that James shift to contemporary art forms allowed the artist to make a critical statement about the vitality of Kwakwaka'wakw culture Yakuglas Legacy aided by the inclusion of 123 colour illustrations is at once a beautiful and poignant book about the impact of the Canadian project on Aboriginal people and their artistic response
