The Pagan Christ Tom Harpur, Thomas Allen Publishers Staff, 2004 Tom Harpur's groundbreaking book *The Pagan Christ Recovering the Lost Light* has inspired thousands of readers to reconsider the very nature of their faith. This discussion guide includes more than 100 questions about the material found in *The Pagan Christ* that will encourage a deeper chapter by chapter analysis and a more profound understanding of the findings and arguments in this book.

Unmasking the Pagan Christ Stanley E. Porter, Stephen J. Bedard, 2006 Rabbi or Messiah Prophet or the Son of God People have debated the identity of Jesus of Nazareth since the first century. But what if there was no Jesus? What if there was no Mary or Joseph no twelve apostles? What if the story of Jesus was no more than a myth to convey spiritual truth? These claims have been around for hundreds of years and have become more prominent with well known religion columnist Tom Harpur's recent book *The Pagan Christ*. Harpur claims that Jesus was not a historical figure but was one version of an ancient myth that can be traced from ancient Egyptian religion to the Roman mystery cults. Stanley Porter and Stephen Bedard tackle this radical claim by looking at the roots of the pagan Christ idea examining the supposed pagan parallels and presenting the evidence for the historical Jesus. The authors demonstrate that the suggestion of pagan origins for the Gospel story is not based on historical or textual evidence but rather on a desire to create a universalistic spirituality revolving around a Cosmic Christ within each person. A fair examination of both the mythological and biblical texts reveal that the traditional understanding of an actual historical figure known as Jesus of Nazareth appearing two thousand years ago is indeed the only logical conclusion. Stanley E. Porter is President and Dean and Professor of New Testament at McMaster Divinity College Hamilton Ontario Canada. Porter has M.A. degrees from Claremont Graduate School and Trinity Evangelical Divinity School and the Ph.D. from the University of Sheffield. He has written widely on issues of concern in study of the New Testament such as Jesus Paul the book of Acts and John. He has a passion for education in the church and preaches and teaches regularly. Stephen J. Bedard is the pastor of Woodford Baptist Church and First Baptist Church Meaford Ontario Canada. He holds the M.Div. and M.Th. degrees from McMaster Divinity College and is actively engaged in further graduate study. Bedard is an advocate of informed preaching and teaching and is devoted to the ministry.

same The British scholar A N Wilson pointed out in his book *Jesus The Jesus of History and the Christ of Faith* are two separate beings with very different stories It is difficult enough to reconstruct the first and in the attempt we are likely to do irreparable harm to the second This book will demonstrate that the Jesus of History the Jesus of Faith and the tenets of Christianity are all Ancient Egyptian This will be done without causing any irreparable harm as per A N Wilson s concern for two main reasons Firstly the truth must be told Secondly explaining Christian tenets via their original Ancient Egyptian contexts will enhance the idealism of Christianity This Expanded Version of the book consists of three parts to coincide with the terms of trinity the Three that are Two that are One The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent individuals The second part demonstrates that the accounts of the historical Jesus are based entirely on the life and death of the Egyptian Pharaoh Twt Tut Ankh Amen The third part demonstrates that the Jesus of Faith and the Christian tenets are all Egyptian in origin such as the essence of the teachings message the creation of the universe and man according to the Book of Genesis as well as the religious holidays There is an undeniable irony and a profound deep undeniable truth in Hosea s prophetic saying Out of Egypt have I called my Son A deep irony indeed Let us open our minds and review the available evidence For the truth is a composite of different and complementary pieces of a puzzle Let us put the pieces in the right location time and order *Shattering the Christian Looking Glass* Philip Charleston, 2009-07-07 *Shattering the Christian Looking Glass* dismembers the towering edifice of Catholic dogma Short highly readable but immensely powerful *Shattering* challenges the Church to defend its dogma and the Church s legitimacy

The Problem of Jesus Mark Clark, 2021-02-23 The modern world portrays Jesus in many ways for many reasons Some are well intentioned but misguided others are aberrations still others have some but not all the essential keys In order to see and understand the real Jesus and what the Gospels say about him we have to see him in his first century context and work out from there Here is a portrait of Jesus that in some ways will affirm what traditional Christianity has always understood about him and in other ways upend it altogether Award winning author Mark Clark delves into the person and work of Jesus of Nazareth his parables and miracles his controversial challenge of discipleship and obedience his seemingly insane claim to be God and what his death and resurrection if they did happen actually mean Mark is unafraid to tackle questions such as What would first century Jews have immediately recognized about Jesus that modern Christians often miss What do the Gospels accomplish and can we trust them Is there a problem with science and Jesus miracles What are the barriers stopping people from following him And what is Christianity in light of an accurate portrayal of the object of its faith *The Problem of Jesus* engages with ideas from all realms of study from Malcolm Gladwell and Jordan Peterson to historians scientists and philosophers from N T Wright to C S Lewis from *Star Wars* to *Pretty Woman* all unite to form a breathtaking and accurate portrait of Jesus the man the message and the mission who forever altered the course of human history As a former atheist I would call this book philosophical dynamite *The Problem of Jesus* will take your thinking about Jesus and your relationship
