Pagan Babies:

Pagan Babies Gina Cascone, 2003-05-20 As a child Gina Cascone would hide under her bed in the closet and run away from her parents hoping somehow to escape her worst fear But she couldn't hide from the awful truth She had to go to Catholic school Do nuns have legs Is Original Sin the starter sin for novices Can the rosary be said in under fifteen minutes These are some of the questions that vex young Gina Cascone as she makes her way grade by grade and prayer by prayer through the rigors of a Catholic education All the answers can be found in this hilarious classic of childhood foibles the traumatic first day of school the dorky plaid uniform complete with matching beanie glow in the dark rosary beads first confession trauma proper dashboard decor Cadillacs got Jesus Oldsmobiles got Mary and the race to save the most pagan babies who weren't lucky enough to be born Catholic and American **Citizen Moore** Roger Rapoport, 2007 Investigative reporter Roger Rapoport interviewed over 200 people who played key roles in Michael Moore's life from the nuns at his boyhood Catholic school to Ralph Nader and other employers not to mention a seven foot chicken For the first time this definitive biography traces the untold story of the 30 years of struggles and failures that led to the overnight success of this quintessential late bloomer *The Conversion of the Pagan World* Paolo Manna, 1921 **Pagan Babies** Gina

Cascone, 1985-12-01 The author looks back humorously on her experiences in Catholic school including her first confession and first communion *The Lives of the Saints and Everything* Susan Firer, 1993 *Everything Is True, Except the Parts I Made Up* Ed George, F. P. Kopp, 2009-03-11 During the reign of Pharaoh Amenhotep IV Fred Kopp's image name and deeds were erased from all obelisks temples and public monuments in Muscatine Iowa This book attempts to rectify that injustice

Pagan Babies Elmore Leonard, 2002-01-08 Father Terry Dunn thought he'd seen everything on the mean streets of Detroit but that was before he went on a little retreat to Rwanda to evade a tax fraud indictment Now the whiskey drinking Nine Inch Nails T shirt wearing padre is back trying to hustle up a score to help the little orphans of Rwanda But the fund raising gets complicated when a former tattletale cohort pops up on Terry's tail And then there's the lovely Debbie Dewey A freshly sprung ex con turned stand up comic Debbie needs some fast cash too to settle an old score Now they're in together for a bigger payoff than either could finagle alone After all it makes sense unless Father Terry is working a con of his own

Raised Catholic Ed Stivender, 1992 He was the only son of an Irish Catholic mother and a Protestant Navy man His mother frequently prayed for him to become a priest But his father warned him Son never get a job where you have to wear a dress to work *Paczki Day* Bob Dombrowski, 2019-12-19 This book is a mix of stories about growing up in Detroit going to Catholic school and the Polish people in the fifties and sixties The author tried his best to present everything in this book accurately despite not having a research staff like the famous writers have He only had himself his computer his memory a big pile of books and note cards that he painstakingly used to put this story together As a fireman one of the things the author learned was that it takes three things to make a fire air fuel and heat Remove one and you can't have a fire He

believes that it takes three things to make everything Similar to making fire there are three things that it took to make this book the city of Detroit the Catholic Church and Polish ancestry If you have one or two or maybe all three of these things you may like this story So if your mom wore a babushka if nostrovia is your toast if you had a last name that kids made fun of or if you grew up reading your catechism while looking at church steeples and smokestacks maybe this book is for you Bob Dombrowski also wrote 38 Years A Detroit Firefighter s Story **Catholics in the Movies** Colleen McDannell, 2008

Catholicism was all over movie screens in 2004 Mel Gibsons The Passion of the Christ was at the center of a media firestorm for months A priest was a crucial character in the Academy Award winning Million Dollar Baby Everyone it seemed was talking about how religious stories should be represented marketed and received Catholic characters spaces and rituals have been stock features in popular films since the silent era An intensely visual religion with a well defined ritual and authority system Catholicism lends itself to the drama and pageantry of film Moviegoers watch as Catholic visionaries interact with the supernatural priests counsel their flocks reformers fight for social justice and bishops wield authoritarian power Rather than being marginal to American popular culture Catholic people places and rituals are all central to the world of the movie Catholics in the Movies begins with an introductory essay that orients readers to the ways that films appear in culture and describes the broad trends that can be seen in the movies hundred year history of representing Catholics Each chapter is written by a noted scholar of American religion who concentrates on one movie that engages important historical artistic and religious issues and then places the film within American cultural and social history discusses the film as an expression of Catholic concerns of the period and relates the film to others of its genre Tracing the story of American Catholic history through popular films Catholics in the Movies should be a valuable resource for anyone interested in American Catholicism and religion and film
