

*Pageantry in the
Shakespearean Theater*

Edited by David M. Bergeron

Pageantry In The Shakespearean Theater

Richard Dutton

Pageantry In The Shakespearean Theater:

Pageantry in the Shakespearean Theater David M. Bergeron, 2011-05-01 Pageantry in the Shakespearean Theater focuses on political social and aesthetic issues to reveal the enormous influence of civic celebration on Renaissance theater Ranging across Shakespeare's canon and including the work of his fellow playwrights this collection of twelve essays considers tournaments royal entries Lord Mayor's Shows funeral processions progress entertainments court masques and more

Shakespeare's Theatre Hugh Macrae Richmond, 2004-01-01 Under an alphabetical list of relevant terms names and concepts the book reviews current knowledge of the character and operation of theatres in Shakespeare's time with an explanation of their origins

The Shakespearean Stage, 1574-1642 Andrew Gurr, 1992-01-23 The Shakespearean Stage is the only authoritative book that describes all the main features of the original staging of Shakespearean drama in one volume the acting companies and their acting styles the playhouses the staging and the audiences For twenty years it has been hailed as not only the most reliable but the liveliest and most entertaining overview of Shakespearean theatre available to students For this third edition Professor Gurr has substantially revised the book bringing it right up to date and incorporating many new discoveries including those of the archaeologists at the sites of the Rose and Globe theatres The invaluable appendix which lists all the plays performed at a particular playhouse the playing company and date of performance has also been revised and rearranged

Late Shakespeare, 1608-1613 Andrew J. Power, Rory Loughnane, 2013 In *Late Shakespeare 1608-1613* leading international Shakespeare scholars provide a contextually informed approach to Shakespeare's last seven plays

[Shakespeare and the Visual Arts](#) Michele Marrapodi, 2017-02-17 Drawing on the poetics of intertextuality and profiting from the more recent concepts of cultural mobility and permeability between cultures in the early modern period this volume's tripartite structure considers the relationship between Renaissance material arts theatre and emblems as an integrated and intermedial genre explores the use and function of Italian visual culture in Shakespeare's oeuvre and questions the appropriation of the arts in the production of the drama of Shakespeare and his contemporaries An afterword a rich bibliography of primary and secondary literature and a detailed Index round off the volume

Theatre and Government Under the Early Stuarts J. R. Mulryne, Margaret Shewring, 1993-07-08 This collection of commissioned essays by established scholars responds to critical debate on political theatre of the turbulent early years of the seventeenth century Theatre is widely interpreted The authors discuss censorship the social implications of pageantry Reformation ideals popular theatre and the politics of the masque throughout the period An early chapter discusses political theatre in the light of work by revisionist and post revisionist historians The drama of Jonson Dekker Middleton Massinger Chapman Heywood and Rowley is given detailed attention while Shakespeare's plays are considered in the introductory chapter

[City/Stage/Globe](#) D.J. Hopkins, 2013-09-13 This interdisciplinary study theorizes the interaction of individual performance and social space Examining three categories of space the urban the theatrical and the cartographic this volume considers the role of

performance in the production and operation of these spaces during a period in London's history defined roughly by the life of Shakespeare's Swan Theatre. This book not only organizes a selection of plays, pageants, maps, and masques in the historical and cultural contexts in which they emerged but also uses performance theory to locate the ways in which these seemingly ephemeral events contributed to lasting change in the spatial concepts and physical topography of early modern London.

Jacobean Civic Pageants Richard Dutton, 2019-07-29 A book about Jacobean civic pageants *Living Death in Early Modern Drama* James Alsop, 2024-07-31 This book explores historical socio-political and metatheatrical readings of a whole host of dying bodies and risen corpses, each part of a long tradition of living death on stage. Just as zombies, ghouls, and the undead in modern media often stand in for present-day concerns, early modern writers frequently imagined living death in complex ways that allowed them to address contemporary anxieties. These include fresh bleeding bodies and body parts, ghostly Lord Mayors, and dying characters who must carefully choose their last words or have those words chosen for them by the living. As well as offering fresh interpretations of well-known plays such as Middleton's *The Lady's Tragedy* and Webster's *The White Devil*, this innovative study also sheds light on less well-known works such as the anonymous *The Tragedy of Locrine*, Marston's *Antonio's Revenge*, and Munday's mayoral pageants *Chruso thriambos* and *Chrysanaleia*. The author demonstrates that wherever characters in early modern drama appear to straddle the line between this world and the next, it is rarely a simple matter of life and death. This book will be of great interest to students, scholars, and practitioners in theatre and performance studies and cultural and social studies.

Pageant Joan FitzPatrick Dean, 2021-07-15 Focusing on examples from medieval theatre, women's suffrage campaigns, and the 2012 Olympics Opening Ceremony, this is the first book to offer a critical overview of pageant as a dramatic form. By enacting highly selective historical episodes, pageants manipulate audiences' sense of the past. Through iconic music, affecting images, and vernacular forms, pageants express and in turn shape religious, civic, or political allegiances. Freely appropriating elements of history, plays, patriotic celebrations, opera, and film, pageants create spectacles of sensory overload. Impressive recent scholarship recognizes pageants as public history, but this is the first authoritative account of the origins, characteristics, and techniques of pageants as a theatrical idiom. Performed in sporting arenas, the open air, or purpose-built theatres, these paratheatrical events express identity through what Erika Fischer-Lichte calls the re-theatricalization of theatre. Pageants are intimately connected with power; they either assert and celebrate it or seek and demand it. Medieval religious pageants were so popular and powerful that they were suppressed and extinguished. The vogue for pageantry that swept through the English-speaking world in the decade before WWI was closely tied to the expansion of the franchise. Many early twentieth-century pageants celebrated localities, others subversively advocated for women's suffrage. First performed in 1909, Cicely Hamilton's *A Pageant of Great Women* depicted historical personages from the near and distant past, as well as allegorical figures such as Justice and Prejudice. Today, the Olympic Games mandate an opening ceremony that details the country's history, culture, and overall importance for the global

community London delivered just such a pageant in 2012 This book features a wide ranging introduction that maps the cultural evolution of this enduring theatrical form and covers popular and readily accessible pageants from medieval England the early twentieth century and our own day

Decoding **Pageantry In The Shakespearean Theater**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
