McNeil, 2012-10-23 The reason why I wrote this book is that I am hoping that I can reachout to others who are in pain and hopefully help them persevere and cope through life s toughest battles I want to encourage people who are in some type of pain in hopes that I can help them recover from it Now the first four chapters of this book is about my life as a child growing up in a vicious atmosphere and how this same vicious cycle always seems to repeat itself This vicious cycle grew with me into my adulthood This book also contains what reality is like for me and how it is for others Reality is very different for each individual and each individual deals with it differently I will also tell you about how I dealt with the pain and how others can learn to deal with it too Now if there is someone out there who is in despair and thinks that death is the only answer to all their pain well please I hope that you will continue to read this book I do pray that it will help you or help you deal with someone you know who thinks that death is the only answer Believe me when I say that death is not the answer because it s not So my purpose of my book is to help you change your perspective on life in THE MIDST OF PAIN But it is only now that I have come to realize that after enduring some serious traumas in my life life is good after all and it is such a blessing to live for God Just think how life can bring you understanding on how to use your pain as an opportunity to help others in need who are right in the middle of a crisis Just when you think you can t handle no more and that you feel like

you are at the end of your rope that is when God shows up and God will show off his blessings in your life Please believe me when I say that this is the most beautiful and wonderful feeling to ever have No one can make you feel as good as God does Now not only will God make you feel good but he will also change your life to the good All you have to do is just reach out and take his hand because he is waiting for you This book is based on the facts and the truth about my life Now through the pain that I have endured I have gained some insight for the purpose of my book I am blessed to say that this book has changed my life and I am in hopes that it will help change other people s lives too The more I read my own book the more I learn from it I do hope that it will do the same for you too for it is my desire to help all those who are in need of an answer May God bless you as you read this book Memoirs of Forgiveness: H.E.A.L.E.D. Goodrich,2025-08-06 Your pain cost you an unforgettable moment in time But the resulting testimony is salvaging a lifetime for many Hart Ramsey Scripture Matthew 5 43 44 43 You have heard that it was said Love your neighbor and hate your enemy 44 But I tell you love your enemies and pray for those who persecute you So many scriptures have taken on new meanings to me God has personally given me a deeper understanding of Who He is and the understanding of my relationship with Him No two people have the same personal relationship with God Each relationship is younique to that individual Only God could have cause me to pray and intercede on behalf of those who took my child s life especially when I was believing and depending on God to heal and make my family whole on this side of the living Only God could give me a heart of compassion and empathy for the predators and the victim He has allowed me to walk in both shoes The enemy has used people to cheer me on openly and hate on me behind closed doors and that is okay with me I do not take it personal and I get it Until I really took the time to get to God and myself on a much deeper level I was just going through the motions But when my daughter died I started putting action behind the words I was speaking the words I love you didn t mean anything until God showed me what Love was and what it should look and feel like then I had a greater appreciation and understanding of love I didn t think all the grief that I had been carrying around on the inside had given birth to this inner child that was full of rage and dying the child within was releasing toxins poisons into my blood and it was killing me slowing slowly through the outward outburst of rage that occasionally showed up at the most awkward time it was slowly killing me through the hateful and venomous words that were in my heart and rolled off my lips with such ease when I became angry or worse felt backed up into a corner But I m so Grateful that God Loved me so much that He overlooked my flaws and decided to walk me down Grace and Mercy Highway showing me how He had kept me for such a time as now Because of His Love for me how could I not have empathy for the ones that took my her life how could I not pray for them and their mothers My flesh may get weak at times BUT MY SPIRIT IS SOLID So don t read my journal and feel sorry for me because I don t I know Who I AM and I know WHOSE I AM my Father s Daughter An Anointing Queen covered in His Glory Father God I Thank You in advance for the Vision and Purpose You have ordained this Memoir for May it reach ALL that need this Radical Transparency and may it
