Painful Details 12 Victorian Scandals:

Painful Details. Twelve Victorian Scandals. [With Plates.]. Michael Harrison (Novelist.), 1962 Victorian England 1837-1901 Josef Lewis Altholz, J. L. Altholz, 2002-08-22 This book contains 2 500 bibliographical entries covering most aspects of the history of Victorian England *General Catalogue of Printed Books* British Museum. Department of Printed Books, 1969 **The Routledge Handbook of Victorian Scandals in Literature and Culture** Brenda Ayres, Sarah E. Maier, 2022-12-01 The Routledge Handbook of Victorian Scandals in Literature and Culture exposes explores and examines what Victorians once considered flagrant breaches of decorum Infringements that were fantasized through artforms or were actually committed exceeded entertaining parlor gossip once in print they were condemned as socially contaminative but were also consumed as delightfully sensational Written by scholars in diverse disciplines this volume Demonstrates that spreading scandals seemed to have been one of the most entertaining sources of activities but were also normative efforts made by the Victorians to ensure conformity of decorum Provides a broad spectrum of infractions that were considered scandalous to the Victorians Identifies Victorian transgressions that made the news and that may still shock modern readers Covers a gamut of moral infractions and transgressions either practiced rumored or fantasized in art forms This handbook is an invaluable resource about Victorian literature art and culture which challenges its readers to ponder perplexing questions about how and why some scandals were perpetrated and propagated in the nineteenth century while others were not and what the controversies reveal about the human condition that persists beyond Victoria s reign of propriety **Broken Engagements** Saskia Lettmaier, 2010-02-11 The common law action for breach of promise of marriage originated in the mid seventeenth century but it was not until the nineteenth century that it rose to prominence and became a regular feature in law courts and gossip columns By 1940 the action was defunct it was inconceivable for a respectable woman to bring such a case before the courts What accounts for this dramatic rise and fall This book ties the story of the action s prominence and decline between 1800 and 1940 to changes in the prevalent conception of woman her ideal role in society sexual relations and the family It argues that the idiosyncratic breach of promise suit and Victorian notions of ideal femininity were inextricably and fatally entwined It presents the nineteenth century breach of promise action as a codification of the Victorian ideal of true womanhood and explores the longer term implications of this infusion of mythologized femininity for the law in particular for the position of plaintiffs Surveying three consecutive time periods the early nineteenth century the high Victorian and the post Victorian periods and adopting an interdisciplinary approach that combines the perspectives of legal history social history and literary analysis it argues that the feminizing process by shaping a cause of action in accordance with an ideal at odds with the very notion of women going to law imported a fatal structural inconsistency that at first remained obscured but ultimately vulgarized and undid the cause of action Alongside more than two hundred and fifty real life breach of promise cases the book examines literary and cinematic renditions of the breach of promise theme by

artists ranging from Charles Dickens to P G Wodehouse to expose the subtle yet unmistakable ways in which what happened and what changed in the breach of promise courtroom influenced the changing representation of the breach of promise plaintiff in nineteenth and early twentieth century literature and film Victorian Studies Philip Appleman, 1962 Vols 1 include Victorian bibliography prepared by a committee of the Victorian Literature Group v 19 by a committee of the Victorian Division of the Modern Language Association of America formerly published in Modern philology The Cumulative Book Index , 1963 A world list of books in the English language AB Bookman's Weekly , 1987 *Cumulated Index to the Books* , 1962 *Bibliographies of Studies in Victorian Literature for the Ten Years 1955-1964* Modern Language Association of America. Victorian Literature Group, 1967
