Our Lady of the Exile Thomas A. Tweed, 1997-10-02 Our Lady of the Exile is a study of Cuban American popular Catholicism focusing on the shrine of Our Lady Charity in Miami Drawing on a wide range of sources and using both historical and ethnographic methods the book examines the religious life of the Cuban exiles who visit the shrine Those pilgrims are diverse and so are the motives that bring them At the same time author Thomas A Tweed argues Cuban devotees of the national patroness share a great deal Most come to pray for their homeland and to recreate bonds with other Cubans on the island and in the diaspora The shrine is a place where they come to make sense of themselves as an exiled people The religious symbols there link the past and present and bridge the homeland and the new land Through rituals and artifacts at the shrine Tweed suggests the Cuban diaspora imaginatively constructs its collective identity and transports itself to the Cuba of memory and desire While the book focuses on Cuban exiles in Miami it moves beyond case study as it explores larger issues concerning religion identity and place How do migrants relate to heir homeland How do they understand themselves after they have been displaced What role does religion play among these diasporic groups Building on this study of one exiled group Tweed proposes a theory of diasporic religion that promises to illuminate the experiences of other groups that have been displaced from their native land As the first book length analysis of Cuban American Catholicism Tweed s book will be an invaluable resource to scholars and students of not only Religious Studies American Studies and Ethnic Studies but also those who study cultural anthropology human geography and Latin American history

Intersected Identities Erica Segre, 2007 There has always been an important visual element to the construction and questioning of national identity in post Independence Mexico though one that has not always been given its due outside of the celebrated and much studied muralists Ranging from the early nineteenth century to the present from the vogue for the picturesque illustrated periodicals and the influential writings of Altamirano to a wealth of twentieth century graphic artists filmmakers

and photographers this book re examines the complex variety of ways in which that visual element has operated In particular it looks at the ways in which discourses concerning ethnicity and cultural hybridity have been echoed and transformed in Mexican visual culture resulting in fields of visual discourse which are eclectic and increasingly self reflexive
