Painter Of Our Time 1st Edition:

A Painter of Our Time John Berger, 2011-07-13 From John Berger the Booker Prize winning author of *G A Painter of Our Time* is at once a gripping intellectual and moral detective story and a book whose aesthetic insights make it a companion piece to Berger's great works of art criticism The year is 1956 Soviet tanks are rolling into Budapest In London an expatriate Hungarian painter named Janos Lavin has disappeared following a triumphant one man show at a fashionable gallery Where has he gone Why has he gone The only clues may lie in the diary written in Hungarian that Lavin has left behind in his studio With uncanny understanding John Berger has written one of the most convincing portraits of a painter in modern literature a revelation of art and exile

On John Berger, 2015-10-14 This volume offers the first collection of essays on the work of John Berger one of the most intriguing contemporary English writers Comprising pieces by an interdisciplinary group of academics *On John Berger* spans the full range of Berger's prolific output as art critic novelist collaborator on films and photo text books and essayist Writing polemic art criticism passing on part of the Booker Prize money to the Black Panthers and quitting the London literary scene in the 1960s in order to settle in the French Alps Berger has always been a controversial figure *On John Berger* explores his self fashioning as a public figure and simultaneously examines the literary visual and collaborative strategies of his work Contributors Marta Aleksandrowicz Wojtyna John Bowen Rachel Bower Jonathan Conlin Ralf Hertel Charlotte Kent Bartosz Lutostanski David Malcolm Timothy Neat Tom Overton Pilar Sanchez Calle Joshua Sperling Monika Szuba Richard Turney Stefan Welz Mirosz Wojtyna

Blake in Our Time Karen Mulhallen, 2010-01-01 *Blake in Our Time* explores the work of British poet and artist William Blake in the context of the material culture of his era In the 1960s University of Toronto scholar G E Bentley Jr almost singlehandedly shifted the focus of Blake criticism from formalism and symbolism to the materiality that contextualizes Blake's work Following in the footsteps of Bentley's pioneering scholarship this collection richly illustrated demonstrates that the locus of Blake's work lies in the elements that are historically particular to his place and time Topics include the impact of the town of Chichester on Blake's imagination the material processes of Blake's painting the detection of a Blake forgery and new biographical materials using archives and online resources on Blake's contemporaries patrons peers and friends Essays on the importance of Blake collections world wide on variant printings and on the heirs of Blake in British painting extend the focus of this remarkable investigation to include chalcography and book history

Lives of the Most Eminent Painters, Sculptors, and Architects Giorgio Vasari, 1872

A Writer of Our Time Joshua Sperling, 2018-11-20 This engaging intellectual biography traces Berger's creative evolution analyzes highlights from his vast output and situates them within his empathetic Marxism *The New Yorker* The first intellectual biography of the life and work of John Berger John Berger was one of the most influential thinkers and writers of postwar Europe As a novelist he won the Booker prize in 1972 donating half his prize money to the Black Panthers As a TV presenter he changed the way we looked at art with *Ways of Seeing* As a storyteller and

political activist he defended the rights and dignity of workers migrants and the oppressed around the world Far from dragging politics into art he wrote in 1953 art has dragged me into politics He remained a revolutionary up to his death in January 2017 Built around a series of watersheds at once personal and historical A Writer of Our Time traces Berger s development from his roots as a postwar art student and polemicist in the Cold War battles of 1950s London through the heady days of the 1960s when the revolutions were not only political but sexual and artistic to Berger s reinvention as a rural storyteller and the long hangover that followed the rise and fall of the New Left Drawing on first hand unpublished interviews and archival sources only recently made available Joshua Sperling digs beneath the moments of controversy to reveal a figure of remarkable complexity and resilience The portrait that emerges is of a cultural innovator as celebrated as he was often misunderstood and a writer increasingly driven as much by what he loved as by what he opposed A Writer of Our Time brings the many faces of John Berger together repatriating one of our great minds to the intellectual dramas of his and our time

Jung and the Story of Our Time Laurens van der Post,1976-10-12 The fascination of Jung is inescapable and van der Post has given us an excellent book eloquent learned and most impressive in its evocation of a devilishly provocative man The Nation That Laurens van der Post should have chosen to write about Jung will come as no surprise to the millions of people who saw the three television programs that he devoted to the story of Jung s life and work Indeed part of the compulsion for putting the experience of his extraordinarily fruitful friendship with Jung into book form was precisely that the limitations of a single film sequence left him with the insistent feeling of a challenge only partially met To present Jung as he knew him not Jung the psychologist but rather Jung the man the discoverer and explorer of a new dimension in the human spirit was the task which Laurens van der Post set himself and which has taken his special gifts to accomplish *The Master Library: Using and teaching the Bible* Walter Scott Athearn,1927
