Understanding Abstract Art Frank Whitford,1987 Abstract paintings are discussed here both from the point of view of their creators and from the point of view of the spectator Then the kind of question repeatedly asked about abstraction is asked and answered By what standards can an abstract painting be judged Does abstraction set out to disregard the public s expectations and wishes If so is it unique in this Does the viewer contribute more to an appreciation of an abstract painting than to a more traditional work Does any abstract painting have a message If so how does it express it Is it necessary to know anything about the artist himself in order to fully appreciate his work Does an abstract painting require more or less skill in its execution than a traditional work Is there anything more to abstraction than novelty back cover [Painting and Understanding Abstract Art](#) ,1980 **Painting and understanding**
