

Paintings From 1965 To 1970 Krasner

Edward Albee

Paintings From 1965 To 1970 Krasner:

Lee Krasner Edward Albee,1991 Lee Krasner Robert Miller Gallery (New York)., **Ninth Street Women** Mary Gabriel,2018-09-25 Five women revolutionize the modern art world in postwar America in this gratifying generous and lush true story from a National Book Award and Pulitzer Prize finalist Jennifer Szalai New York Times Set amid the most turbulent social and political period of modern times Ninth Street Women is the impassioned wild sometimes tragic always exhilarating chronicle of five women who dared to enter the male dominated world of twentieth century abstract painting not as muses but as artists From their cold water lofts where they worked drank fought and loved these pioneers burst open the door to the art world for themselves and countless others to come Gutsy and indomitable Lee Krasner was a hell raising leader among artists long before she became part of the modern art world s first celebrity couple by marrying Jackson Pollock Elaine de Kooning whose brilliant mind and peerless charm made her the emotional center of the New York School used her work and words to build a bridge between the avant garde and a public that scorned abstract art as a hoax Grace Hartigan fearlessly abandoned life as a New Jersey housewife and mother to achieve stardom as one of the boldest painters of her generation Joan Mitchell whose notoriously tough exterior shielded a vulnerable artist within escaped a privileged but emotionally damaging Chicago childhood to translate her fierce vision into magnificent canvases And Helen Frankenthaler the beautiful daughter of a prominent New York family chose the difficult path of the creative life Her gamble paid off At twenty three she created a work so original it launched a new school of painting These women changed American art and society tearing up the prevailing social code and replacing it with a doctrine of liberation In Ninth Street Women acclaimed author Mary Gabriel tells a remarkable and inspiring story of the power of art and artists in shaping not just postwar America but the future **Twentieth Century American Drawings from the Arkansas Arts Center Foundation Collection**

Arkansas Arts Center Foundation,Gerald Nordland,Ruth Pasquine,Brian Young,Michael Preble,1998 **The Cambridge Companion to Edward Albee** Stephen Bottoms,2005-07-21 Edward Albee perhaps best known for his acclaimed and infamous 1960s drama Who s Afraid of Virginia Woolf is one of America s greatest living playwrights Now in his seventies he is still writing challenging award winning dramas This collection of essays on Albee which includes contributions from the leading commentators on Albee s work brings fresh critical insights to bear by exploring the full scope of the playwright s career from his 1959 breakthrough with The Zoo Story to his recent Broadway success The Goat or Who is Sylvia 2002 The contributors include scholars of both theatre and English literature and the essays thus consider the plays both as literary texts and as performed drama The collection considers a number of Albee s lesser known and neglected works provides a comprehensive introduction and overview and includes an exclusive original interview with Mr Albee on topics spanning his whole career **Contemporary Gay American Poets and Playwrights** Emmanuel S. Nelson,2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th

century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author s critical reception and primary and secondary bibliographies *The Grove Encyclopedia of American Art* Joan M. Marter,2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries *Annual Bibliography of Modern Art* Museum of Modern Art (New York, N.Y.). Library,1993

Killing Men & Dying Women Griselda Pollock,2022-07-05 What did it mean for painter Lee Krasner to be an artist and a woman if in the culture of 1950s New York to be an artist was to be Jackson Pollock and to be a woman was to be Marilyn Monroe With this question Griselda Pollock begins a transdisciplinary journey across the gendered aesthetics and the politics of difference in New York abstract gestural painting Revisiting recent exhibitions of Abstract Expressionism that either marginalised the artist women in the movement or focused solely on the excluded women as well as exhibitions of women in abstraction Pollock reveals how theories of embodiment the gesture hysteria and subjectivity can deepen our understanding of this moment in the history of painting co created by women and men Providing close readings of key paintings by Lee Krasner and re thinking her own historic examination of images of Jackson Pollock and Helen Frankenthaler at work Pollock builds a cultural bridge between the New York artist women and their other Marilyn Monroe a creative actor whose physically anguished but sexually appropriated star body is presented as pathos formula of life energy Monroe emerges as a haunting presence within this moment of New York modernism eroding the policed boundaries between high and popular culture and explaining what we gain by re thinking art with the richness of feminist thought

[The 20th Century Go-N](#) Frank N. Magill,2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography
