The Pathway Home Carole S. Langlois, 1996-07 **Journey Home to the Light** Hashi Alec, 2016-08-04 Follow this inspirational story of a Being that believed that he was a common man with an uncommon desire to find his hidden truth in these Mysteries of the Spirit It is told in a humorous way making light of some of the events and experiences he lived through In confidence of His existence the Mystery of life begins to unfold the way to a greater understanding A connection begins to emerge bringing many truths about life on Earth some startling at first but with determination and his confidence in a higher Source of Truth this allows him to hold fast to his desire Guidance presents herself in many ways in those that are close to him and equally as important his guidance from within Sacred Ceremonies become a way to heal and be healed Guidance once again shows the way with our Earth Mother Mahii revealing how each Soul's individual participation in this time of healing has a profound effect on the Planet each contributing to the All and the All contributing to each Soul In this way life can become purposeful and more meaningful Knowingness brings forth an understanding that Unity and that Mystery that perpetuates this possibility is not so far away because in reality this Mystery Spirit is within you Its amazing to read Hashi Alecs book Hashi Alec is sincere and frank as he shares his honestly heartfelt *Journey Home to the Light* from a point of all kinds of emotional misunderstandings such as fear greed anger etc to face his own weakness and walk towards the Divine in trust From reading this book Hashi Alec guides you as you sense his feeling of nervousness his disturbed feeling feelings of

worry feeling unsafe feelings of frustration and even wrathfulness Hashi Alec leads you to trust in Divines love leading you home to the Light My eyes filled with tears once I saw him on home to the Light It is a valuable book and suggest that you read it if you want to find your way home to the Light Wen Shu Teng Licensed Specialist TCM Acupuncturist Graduated Doctor of TCM spiritual and physical health life coach **The Standard** ,1903 *Built to Love* Daniel J

McDonald,2016-02-29 Built to Love explains why ordinary people matter and how they can change the world and find lasting happiness through small and simple things If you are serious about living the second great commandment as taught by Jesus then Built to Love will be a helpful guide for your journey Drawing upon his own experiences with love s power to help him battle a paralyzed stomach and other life threatening health problems modern scientific research ancient scripture and the wisdom of the ages Daniel J McDonald a lawyer by profession and a frequent lecturer and speaker makes his case for why and how you should become built to love **Lead Us Not into Temptation** Raymond Arroyo Jr.,2010-06-07 Lead Us Not Into Temptation is a spiritual book as given to me by God This book is different from other spiritual books in that it connects man with his sole link to God and that is through his own soul Regardless of ones religion or persuasion this book is for all people to find their way back to God For secularism religion and intellectualism have failed miserably in bringing true peace and love into this world be it in the past our present and probably in our future also Jesus once said truly truly you must be born again of the spirit For that which is of water is water the body and that which is of spirit is spirit For the Father is spirit and for us to worship Him we must worship in spirit and in truth This is a universal law the same for all people all over the world regardless of their religious beliefs For we all worship the same one God and He must be worshipped in spirit and in truth The purpose of this book is to help people change from their secular life to a spiritual life and to develop a closer walk with God in their daily lives By which we then begin to worship God the Father in spirit and in truth This is the one pathway never chosen by man and is the pathway to peace on earth and good will towards all men It is the pathway to the salvation for all mankind Part One Lead Us Not Into Temptation explores the history of man back to the Garden of Eden and the first temptation where man falls from grace Man after that incident embarks on a journey of secularism worldliness and materiality which only separates him more and more from God Although man has had the opportunity to live in the time of the great prophets of God and with Jesus himself he has still maintained a steady course in his secular worldly lifestyle constantly refusing to follow the spiritual path of God This stubbornness of man has brought him to where we find our world today in the grips of a huge recession and probably a depression and world tensions and terrorism threatening the peace of the world Part Two Deliver Us From Evil teaches how one can develop a life of spirituality and redemption from both God and from oneself I begin with the prophecies of God as given to us in the Holy Bible and in the Bible codes I explain how these prophecies line up with our generation living on Earth right now and are 100% accurate and have all been fulfilled to date They are Gods warning to us that we cannot go on living worldly secularly lives for we are reaching the end of the road the

End Times as predicted in the bible It is a warning meaning we can change the future from doom and gloom to eternal bliss but it is up to each of us That unless we are willing to make some very fundamental changes in our lives towards one another and to God we wont survive as a civilization That without faith hope and love in God we are doomed to repeat our mistakes I teach the power of prayer and how that through prayer with God one will find the answer and changes for their lives I show how a prayer life is the only link we have to God the Father Through daily prayer one will begin the process of recreating a life of spirituality I teach the principles of a spiritual life and the fruits of Gods Holy Spirit How God works the fruits into your life changing you from your former self imperfections and dislikes into the new person filled with the wonderful fruits of Gods Holy Spirit I explain that the key of life is love for without love there could be no God no universe no us This book is for all people of all races all religions to find the cure to life that has escaped them all through the years It will unite the reader to a one to one relation with God and a healing and rebirth for their souls **Shaman Pathways - Deathwalking** Laura
