The compiler of this book is not a spiritualist nor a psychologist nor a member of the Society for Psychical Research nor has he ever had anything more than a transitory and skeptical interest in psychic phenomena of any character He is a newspaper man whose privilege and pleasure it is to present the facts in relation to some phenomena which he does not attempt to classify nor to explain but which are virtually without precedent in the record of occult manifestations The mystery of Patience Worth is one which every reader may endeavor to solve for himself The sole purpose of this narrative is to give the visible truth the physical evidence so to speak the things that can be seen and that are therefore susceptible of proof by ocular demonstration About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
